

## Public Notice: Bensenville – Intent to Issue a Categorical Exclusion

*The Village of Bensenville (Village) Department of Public Works is replacing the Pressure Adjusting Station located at 130 North Church Road. This project will provide new water infrastructure to control flow to the Village's potable water storage and distribution system. The Village is seeking loan assistance from the Illinois Environmental Protection Agency (IEPA) under the IEPA Public Water Supply Loan Program.*

*In accordance with the IEPA Loan Rules, Title 35, Subtitle F, Chapter II, Part 662.330 (State Environmental Review), the IEPA has determined that the Water Supply Pressure Adjusting Station Replacement Project (Project), may be excluded from a detailed environmental impacts review. The IEPA may categorically exclude certain types of projects from environmental reviews if no potential for negative environmental impacts exists. All proposed construction will occur outside the floodway and wetlands on previously disturbed land, and the Project has received categorical exclusion from a detailed environmental review.*

*Information related to the Project and Categorical Exclusion prepared by the IEPA are available for review at the Village of Bensenville Village Hall, located at 12 S. Center St, Bensenville, IL 60106. There will be a 10-day public comment period subsequent to the publication of this notice to receive comments from interested and affected parties. Comments may be submitted to the Village of Bensenville, Public Works Department, Attn Jeff Maczko, P.E. 717 E. Jefferson Street, Bensenville, IL 60106.*
