Staff recommends approval of the proposed ordinance. Mr. Rysavy presented to the Committee a list of additional requests filed by Pete Gallagher on behalf of the petitioner on May 15, 2012. The new requests are as follows:

- Install new concrete driveway approximately 4' west of the exiting driveway.
- Remove existing damaged fencing and bushes/trees separating 155 and 157 properties.
- Install new concrete tire stops in the area where damaged fence and bushes/trees are removed from.
- Install new gate and fencing (with screening) along south property boarder and a new fence along the west border. Owner will install new fence on north and east boarders if Village can obtain approval from owners of the adjacent properties to allow the owner to install new concrete tire stops on their property to protect new fence.
- Entire property will be cleaned of any stored material prior to leasing property to protect new fence.
- Add crushed limestone on existing damaged surface area (155 address) now, and asphalt area no later than twelve months from approval date.
- Owner will ensure tenant follows terms of variance.

Chairman Peconio asked if Staff has had the opportunity to review the new plans and requests. Mr. Rysavy stated Staff has not reviewed the new requests. Mr. Rysavy stated the ordinance proposed was recommended unanimously from the CDC and Staff without the new requests.

Chairman Peconio asked Staff for their opinions with the new requests. Mr. Rysavy stated his concerns were enforcing the issues in a year rather than prior to Village Board approval. Mr. Rysavy also stated concerns with the new fence plan.

Chairman Peconio asked the petitioner what type of guarantee he can give the Village that the new requests will be done within a year. The petitioner stated he cannot afford the cost for new asphalt and is seeking a year of relief to save money for the project.

Trustee Bartlett suggested the petitioner provide the Village with a \$30,000.00 surety bond.

Trustee Wesseler raised concern that the new requests were presented to the Committee five minutes before the meeting and he would like this matter to go back to the Community Development Commission for further discussion and recommendations.

The petitioner stated he will get the surety bond for \$30,000.00 and provide it to Village Staff along with his applications for permits to perform the new requests.

Motion: Trustee O'Connell made a motion to approve this item for placement on a future Village Board Meeting Agenda for action. Trustee Jarecki seconded the motion.
