Superintendent of District 2, William Jordan, thanked President Geils and the Board of Trustees for the assistance and support given to District 2 in 2001. The schools would not be where they are now if not for President Geils and the Village Board. Dr. Jordan thanked President Geils for his professional and personal contributions. District 2 has developed a dvd through the assistance of Village of Bensenville Cable Coordinator, Anthony Sumner, which talks about District 2's needs and facilities. The dvd was provided to the Village Board and Dr. Jordan encouraged viewing.

Attorney Joseph Karaganis provided a brief update on the recent newspaper article regarding O'Hare expansion. The City of Chicago announced that Phase 1 of the expansion project is over \$400,000,000 over budget. This overage will have catastrophic consequences for the City of Chicago's expansion plans.

INFORMATION

ITEM:

19. Trustee Tralewski wished to comment on Bob Jarecki's Opinion Letter which appeared in the Daily Herald on October 11, 2006. She stated that her quote was taken out of context, was incomplete, and did not apply to the case he referred to. Trustee Tralewski then read the actual statement she had made. She also advised that when President Geils was unfairly accused of pilfering and pillaging pension funds, it was as Village President, and not as a private citizen. Therefore, not only did his reputation suffer, but his business was damaged as well. Trustee Tralewski invited all residents to attend weekly Village Board Meetings to air their views and to voice any questions or concerns.

- ADJOURNMENT:** 20. Trustee Adamowski made a motion to adjourn the meeting. Trustee Williams seconded the motion.

All were in favor. Motion carried.

President Pro-Tem Walberg adjourned the meeting at 8:10 p.m.
