## Village of Bensenville, Illinois BOARD OF TRUSTEES MEETING AGENDA 6:30 PM July 16, 2013

- I. CALL TO ORDER
- II. PLEDGE OF ALLEGIANCE
- III. ROLL CALL
- IV. PUBLIC HEARING/PRESENTATION
  1. *WWTP - Public Hearing - PEID Facility Plan*
- V. PUBLIC COMMENT (3 minutes per person with a 30 minute meeting limitation)
- VI. APPROVAL OF MINUTES
  1. *June 25, 2013 Village Board Minutes*
- VII. WARRANT
  1. *WARRANT - July 16, 2013 #13/12 \$1,535,892.10*
- VIII. **CONSENT AGENDA – CONSIDERATION OF AN “OMNIBUS VOTE”**
  1. *Resolution Adopting DuPage County Natural Hazards Mitigation Plan as an Official Plan of the Village of Bensenville.*
  2. *Resolution Authorizing Execution of the Residential Solid Waste, Yard Waste and Recycling Services Agreement with Allied Waste Services of North America, LLC (d/b/a Republic Services of Melrose Park) from October 1, 2013 to December 31, 2018.*
  3. *Resolution to Approve an Intergovernmental Agreement between the Village of Bensenville and Bensenville Elementary School District No. 2*
- IX. **REPORTS OF STANDING COMMITTEES**
  - A. Community and Economic Development Committee – No Report
  - B. Infrastructure and Environment Committee
    1. *Resolution authorizing payment to the Illinois Environmental Protection Agency for our annual wastewater treatment plant NPDES operating permit in the amount of \$17,500*  
*Each year the Village is required to acquire National Pollutant Discharge Elimination System (NPDES) Permits from the Illinois Environmental Protection Agency (IEPA). These permits are necessary for agencies that operate either storm sewer or*

sanitary sewer collection and/or treatment systems. The total permit fee is \$17,500 and is included in the 2013 Budget. Due to the ministerial nature of this item it is forwarded directly to the Standing Committee.

2. **Consideration of a Resolution authorizing award of a construction contract to Bolder Contractors for the Volk Brothers CDBG Project – Phase III in the amount of \$1,320,013.30**

*This item awards the construction contract for Phase III of the Volk Brothers Subdivision road reconstruction project. Funding for the total project is assisted by a CDBG grant for \$400,000. Design engineering has been performed by James J. Benes and Associates and construction bids were opened for the project on June 28. Staff recommends contracting with the low bidder, Bolder Contractors, at \$1,320,013.30. The project is budgeted with capital funds and water funds. In consideration of time and no Committee meetings planned in July, this item is forwarded directly to the Standing Committee.*

3. **Ordinance Authorizing the Village of Bensenville to Borrow Funds from the IEPA Water Pollution Control Loan Program Fund**

*This agenda item authorizes the Village to borrow \$30 million from the IEPA to finance the Wastewater Treatment Plant (WWTP) upgrade. The IEPA program offers a 20 year low-interest loan (currently at 1.93% which is more than half the current bond market rate). Taking advantage of this loan will save the Village nearly \$9 million in interest payments over the life of the loan. In order to keep this loan application on track, this item and other WWTP related items are being forwarded directly to the I&E Standing Committee.*

4. **Resolution Authorizing the Execution of a Loan Agreement with the Illinois Environmental Protection Agency and all Other Documents Related to the Improvement of the Village of Bensenville Sewerage System**

*This Resolution is another requirement to receive the low-interest rate loan from the IEPA for the Wastewater Treatment Plant project. This Resolution designates the Village Manager as the authorized representative to sign the Loan Agreement. Staff recommends approval.*

C. Administration, Finance and Legislation Committee

1. **Motion to accept and place on file the 2nd Quarter Financial Review Report.**

*This item is a presentation from Finance Director Tim Sloth on the Village's 2nd Quarter Financial Review for the period ending June 30, 2013. Highlights include that all Departments are projecting under budget, revenue sources are stable, we are monitoring sales tax revenues which are down 4.5%, and we are keeping an eye on actions by the State that may impact municipal finances. No action is required on this item.*

2. **Resolution authorizing payment to the Bensenville Park District for invoice #130701 in the amount of \$247,700 in accordance with the Redevelopment Agreement for the Rehabilitation of the Bensenville Park District's Aquatic Facility at Varble Park Comprising a Part of the North Industrial District TIF District of the Village of Bensenville, Illinois approved October 25, 2011.**

*In 2011 the Village entered into a redevelopment agreement with the Bensenville Park District to use funds from TIF 12 in order to rehabilitate the Aquatic Facility at Varble Park. At that time the Village agreed to fund up to 50% of the rehab work up to \$247,700. Since that time the Park District has constructed their Splash Pad and submitted paperwork showing the total expenditure of \$718,732.70. As such, their reimbursement is limited to the \$247,700 maximum. Staff recommends approval of the reimbursement to the Park District.*

3. **Resolution Approving a Bond Record-Keeping Policy for the Village of Bensenville, DuPage and Cook Counties, Illinois.**

*Following our recent bond issuances, our bond counsel advised us to pass a Resolution establishing a bond record-keeping policy, which is a current best practice. This policy designates the Director of Finance as the keeper of the records of the Village with respect to the bonds. The policy further outlines the various obligations in terms of record preparation, compliance and maintenance for all records as it relates to village bond*

issuances. Due to the ministerial nature of this item, it is forwarded directly to the Board for approval.

4. **Ordinance authorizing the issuance of General Obligation Bonds (Alternate Revenue Source), Series 2013 of the Village of Bensenville, DuPage and Cook Counties, Illinois, in an aggregate principal amount not to exceed \$16,000,000 for the purpose of financing the costs of certain capital projects within the Village and paying for costs related thereto.**

*This Ordinance is the first step in issuing bonds for the construction of the new Police Facility at 345 E. Green Street. At this time we need to pass an Ordinance authorizing the issuance of Alternative Revenue Source Bonds in the amount of \$16 million. The next step is to publish the Ordinance in the newspaper next week, then hold a public hearing on August 27 (after a 30 day comment period) prior to issuing the bonds on September 10. To stay on track, this Ordinance is forwarded directly to the Board. Staff recommends approval.*

- D. Public Safety Committee – No Report
- E. Recreation and Community Building Committee – No Report
- F. Technology Committee – No Report

X. **REPORTS OF VILLAGE OFFICERS:**

A. PRESIDENT'S REMARKS:

B. VILLAGE MANAGER'S REPORT:

1. **Resolution Authorizing Payment of an Invoice for 2013-2014 Annual Membership Dues and Debt Service for the DuPage Mayors and Managers Conference for a Total Amount of \$19,922.43.**

*The Village reinstated our membership with the DuPage Mayors and Managers Conference (DMMC) five years ago. The DMMC actively lobbys for municipal interests, provides training and technical assistance to municipalities, and administers federal grants that the Village regularly seeks. This item authorizes the Village to pay the annual invoice to the DMMC for \$19,922.43 (\$16,296.58 - Membership Dues, \$3,625.85 - Debt Service on their facility). Staff recommends approval.*

C. VILLAGE ATTORNEY'S REPORT:

XI. UNFINISHED BUSINESS

XII. NEW BUSINESS

XIII. EXECUTIVE SESSION

- A. Review of Executive Session Minutes [5 ILCS 120/2 (C) (21)]
- B. Personnel [5 ILCS 120/2 (C) (1)]

XV. ADJOURNMENT

**TYPE:**  
Public Hearing

**SUBMITTED BY:**  
Joe Caracci

**DEPARTMENT:**  
Public Works

**DATE:**  
July 16, 2013

**DESCRIPTION:**

Conduct a Public Hearing regarding the Village of Bensenville Wastewater Treatment Plant (WWTP) Upgrade Project Summary and Preliminary Environmental Impacts Determination (PEID)

**SUPPORTS THE FOLLOWING APPLICABLE VILLAGE GOALS:**

<input checked="" type="checkbox"/>	<i>Financially Sound Village</i>	<input checked="" type="checkbox"/>	<i>Enrich the lives of Residents</i>
<input checked="" type="checkbox"/>	<i>Quality Customer Oriented Services</i>	<input type="checkbox"/>	<i>Major Business/Corporate Center</i>
<input checked="" type="checkbox"/>	<i>Safe and Beautiful Village</i>	<input type="checkbox"/>	<i>Vibrant Major Corridors</i>

**COMMITTEE ACTION:**

I&E Standing Committee

**DATE:**

July 16, 2013

**BACKGROUND:**

The Village of Bensenville owns a 4.7 MGD Wastewater Treatment Plant (WWTP). The plant was built and put into operation in 1947. Much of the original equipment is still in use, however, some of the treatment equipment are beyond their serviceable life. Last year, the Village completed the WWTP Facility Plan to outline a plan to upgrade our facility to last for the next 20-30 years. The plan was submitted to IEPA for their review and approval.

**KEY ISSUES:**

Section 365.530 of the Illinois Procedures for Issuing Loans From the Water Pollution Control Loan Program requires that the Illinois Environmental Protection Agency (IEPA) conduct an assessment of the environmental impacts of proposed wastewater projects to be funded with loans. This review is carried out in conjunction with the State's review of the applicant's facilities plan. Prior to final approval of the plan, the public's comments are sought regarding environmental impacts of the proposed project.

The IEPA has reviewed the facilities plan for our plant and has determined the project to be technically sound and cost-effective. Unless new information gained from the public causes a reconsideration, the Agency will approve the facilities plan at the close of the public comment period.

Troy Stinson, from Strand Associates, will make a brief presentation of the proposed project and summarize the PEID.

**ALTERNATIVES:**

Discretion of the Village Board

**RECOMMENDATION:**

Staffs recommends the Village Board conduct the public hearing

**BUDGET IMPACT:**

N/A

**ACTION REQUIRED:**

Conduct a Public Hearing regarding the Village of Bensenville Wastewater Treatment Plant (WWTP) Upgrade Project Summary and Preliminary Environmental Impacts Determination (PEID)

**ATTACHMENTS:**

PAT QUINN, GOVERNOR

LISA BONNETT, DIRECTOR

## Project Summary and Preliminary Environmental Impacts Determination

Date: **JUN 24 2013**

Loan Applicant: Bensenville, IEPA Loan Project Number: L174739

To all interested persons:

Section 365.530 of the Illinois Procedures for Issuing Loans From the Water Pollution Control Loan Program requires that the Illinois Environmental Protection Agency (IEPA) conduct an assessment of the environmental impacts of proposed wastewater projects to be funded with loans. This review is carried out in conjunction with the State's review of the applicant's facilities plan. Prior to final approval of the plan, the public's comments are sought regarding environmental impacts of the proposed project.

The IEPA has reviewed the facilities plan and has determined the project to be technically sound and cost-effective. Unless new information gained from the public causes a reconsideration, the Agency will approve the facilities plan at the close of the public comment period.

The applicant will make the attached Project Summary and Preliminary Environmental Impacts Determination (PEID) available for public inspection and must conduct a hearing within 60 days of receipt on both the PEID and project planning, providing advertisement of the hearing at least 10 days in advance. A comment period of at least 10 days shall be provided after the hearing date in which written comments may be provided to the loan applicant or directly to the IEPA contact person identified in the attached document. Upon final approval of this plan, the project priority score may be modified to reflect new information provided in the planning in accordance with the provisions of Sections 366.105, 366.106, and 366.107 of the Procedures and Requirements for Determining Loan Priorities for Municipal Wastewater Treatment Works. The project described in the facilities plan is classified as Service Continuation - Treatment under the Illinois Project Priority System.

For information purposes only, a copy of this document is being provided to your local newspaper of record.

Your interest and participation in this process are appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Geoffrey Andres".

J. Geoffrey Andres, Manager  
Infrastructure Financial Assistance Section  
Bureau of Water

JGA:CLN:Tm13061701

## **Project Summary and Environmental Assessment**

### **Project Identification**

Village of Bensenville  
717 East Jefferson Street  
Bensenville, Illinois 60106

Du Page County

Re: Bensenville - L174739 (wastewater treatment facility improvements)

### **Existing Conditions/Project Identification**

The Village of Bensenville has applied to the Illinois Environmental Protection Agency's (IEPA) Water Pollution Control loan program to request funding to help finance sewer treatment plant improvements. The projects consist of several improvements to the wastewater treatment plant, which will also increase the design maximum flow. In accordance with the IEPA Loan Rules, Title 35, Subtitle F, Chapter II, Part 365.530 (State Environmental Review), this project summary and environmental assessment are to be made available to the public so they may provide comments regarding the proposed project.

Bensenville is located in the northeast part of Du Page County in northeastern Illinois. According to the 2010 Census, the population of Bensenville was 18,352. The Bensenville sewer service area also includes the neighboring unincorporated area of White Pines and a small portion of Elk Grove Village. The White Pines area is reported to have a population of 1,091 and the Elk Grove Village service area includes only industrial/commercial users. The total existing population served by the Bensenville wastewater treatment plant (WWTP) is approximately 19,443 and is expected to increase to 25,077 over the next 20 years. There are approximately 5,320 total customers in all of the areas served by Bensenville, which includes 3,950 residential, 370 commercial, 950 industrial and 50 municipal user accounts. The proposed improvements are compliance related and will provide service to the entire service area population.

Bensenville owns and operates the wastewater collection system and two wastewater treatment plants that are operated by a contractor named United Water. The Village hired a consultant to evaluate the wastewater systems and make recommendations. The planning report prepared by the consultant states the main WWTP has reached the end of its useful life and is in need of replacement. The main WWTP has parts that are inadequate, outdated, in poor condition and/or approaching the end of their useful lifespan. In addition, the plant is not able to handle the peak flows during wet weather events, which has caused the Village to receive violation notices for sanitary sewer overflows (SSO) and WWTP operational deficiencies. Bensenville plans to make improvements and increase the maximum flow and excess flow capacity of the main treatment plant, which should decrease SSO events. These improvements will help maintain the condition, reliability and cost effectiveness of the main Bensenville WWTP and allow continued wastewater treatment for customers within the service area for the next twenty years.

Bensenville's sewage collection system is a separated system, which means that sanitary sewage and storm water runoff are not intentionally collected into the same system. There have been 179 SSO events occur from January 2008 to March 2012 throughout the service area. The SSO events occur when the capacity of the collection system and/or the treatment plant have been temporarily exceeded during periods of excessive storm water run-off conditions. In a separated sewer system, the peak flows during wet weather are caused by storm water inflow and groundwater infiltration (I/I) into the sewer collection system. I/I are usually caused by problems such as leaking pipe joints and manholes, illegal downspout, drainage tiles and sump pump connections, etc, that add more water during wet weather. Excessive peak flows can cause sewer flooding and surcharging, also referred to as SSO's, and basement back-ups and flooding, which could all cause health and safety concerns to affected residents. Bensenville has implemented a 6-year plan to evaluate, clean, repair and maintain the collection system that will reduce I/I.

The main WWTP is located at 771 East Jefferson Street. There is also a North Treatment Plant that is permitted to treat excess flow only when the main plant is receiving its design maximum flow. The existing Bensenville main WWTP was constructed in 1947 and was expanded in 1960 and 1978. Parts of the facility that are 30 to 60 years old are still in use, which has contributed to maintenance and performance problems. The main Bensenville WWTP uses a two-stage process consisting of fixed-film trickling filters followed by an activated sludge system that provides tertiary treatment to dry weather flows and was designed to serve a population equivalent of 47,000. The most recent National Pollutant Discharge Elimination System (NPDES) Permit shows the facility has a design average flow of 4.7 million gallons per day (mgd) and a design maximum flow of 10.0 mgd. The planning report states 2009 to 2011 average dry weather flow at the WWTP was 2.55 mgd, average annual flow was 3.53 mgd and average wet weather flow was 4.74 mgd. Wet weather flows between 4.7 mgd and 10 mgd divert around the first stage of treatment at the plant. Excess flows above 10 mgd currently go through preliminary treatment, excess flow clarification, and disinfection before being discharged into Addison Creek.

### **Discussion of Alternatives**

Bensenville's consultant evaluated three different alternatives for wastewater treatment that included; 1) expand biological treatment of normal flow to 12 mgd and increase excess flow to 17 mgd; 2) discharge into the Metropolitan Water Reclamation District of Greater Chicago (MWRDGC) sewer system; and 3) expand biological treatment to approximately 29 mgd and eliminate excess flow treatment. The consultant also evaluated three different alternatives for management of the biosolids that are produced by the wastewater treatment system. The alternatives were developed to address the existing WWTP deficiencies and meet future wastewater treatments needs, including anticipated NPDES permit nutrient limits. The alternatives were evaluated on the basis of capital costs, annual operation and maintenance costs, 20-year present worth costs, non-monetary issues such as; reliability, ease of operation and process complexity, ability to upgrade to achieve more stringent nutrient limitations and ease of construction, and environmental issues.

Based on the consultant's evaluation, the recommended alternatives are to expand the biological treatment of normal flow to 12 mgd and increase excess flow to 17 mgd, biosolids management of aerobic digestion, belt filter press thickening/dewatering, and cake storage and other

recommended plant improvements including; preliminary treatment, influent pumping upgrades, process return pumping station, administration building and laboratory renovation and process control upgrades. These options are estimated to have the lowest construction, operation and maintenance costs and have the best non-monetary benefits.

The proposed improvements do not increase the existing WWTP design average flow (DAF) of 4.7 mgd, but will increase the design maximum flow (DMF) from 10 mgd to 12 mgd and the peak hourly flow will increase from 20 mgd to 29 mgd. The WWTP treatment process will eliminate the first-stage trickling filters and remain an activated sludge system that will be reconfigured and updated. The projected year 2034 design average biochemical oxygen demand (BOD) loading will decrease from the existing design of 9,670 pounds per day to a proposed 6,556 pounds per day. The design average total suspended solids (TSS) loading will decrease from the existing design of 9,670 pounds per day to a proposed 6,533 pounds per day. The current average influent BOD loading is 3,975 pounds per day and the current average TSS loading is 3,599 pounds per day. The projected 2034 year total Kjeldahl nitrogen (TKN) design load is estimated to be an average of 1,062 pounds per day and the average phosphorus load is estimated to be 152 pounds per day. This should enable Bensenville to consistently meet existing and future permit limitations for the 20-year design period.

#### **Environmental Issues Relating to Alternatives Selection**

The construction impacts associated with the WWTP upgrade will be typical of wastewater treatment plant construction. The construction will occur at the existing main Bensenville WWTP site. The construction will cause some minor erosion and wind-blown dust from excavated materials. There will also be the normal noises associated with this type of construction. Additionally, during construction there will be temporary disruption of normal traffic patterns due to the movement of construction vehicles and the delivery of materials to the construction sites. The locations of the proposed construction areas are shown in Attachment #1.

The loan applicant submitted project information to the Illinois Department of Natural Resources (IDNR) EcoCAT website to determine compliance with the Illinois Endangered Species Act, Illinois Natural Areas Preservation Act and the Illinois Wetlands Act. IDNR evaluated the information, concluded that adverse effects are unlikely and terminated their consultation under 17 Ill. Adm. Code Parts 1075 and 1090 with a letter dated August 20, 2012. This indicates that there are no anticipated impacts to threatened and endangered species, wetlands or other natural areas from the proposed project.

Information describing the project was submitted by the loan applicant to the Illinois Historic Preservation Agency (IHPA) to determine whether the project will affect historic properties or archeological resources. Based on an August 27, 2012 letter from IHPA, the proposed project is in compliance with Section 106 of the National Historic Preservation Act. This indicates that there are no anticipated impacts to historic, architectural, and archaeological resources from the proposed project.

Because Bensenville is located within the jurisdiction of the Chicago Metropolitan Agency for Planning (CMAP), which is the Designated 208 Water Quality Management Agency, the

Bensenville facility plan must be formally submitted to them for review and comment on the scope of the proposed project, population data, population projections, facility planning area (FPA) boundary changes/additions and consistency with the Water Quality Management plan. A March 18, 2013 CMAP letter provided by the Village states they have completed their review of the plan. There are no objections to the project included within the CMAP review letter.

### Proposed Project

The proposed project consists of the following: construction of a new preliminary treatment building; replacement of existing comminutors with mechanical fine screens; installation of screening wash presses; replacement of aerated grit removal with vortex grit removal and grit washing; providing preliminary treatment for all flows reaching the WWTP; construction of an additional screw pump channel adjacent to existing channels; modification of the existing control building to accommodate the new influent screw pump; installation of a new 10 mgd influent screw pump; replacement of three existing 10 mgd influent screw pumps; routing flows greater than 12 mgd to the existing excess flow clarifier; chlorination of excess flows upstream of the clarifier when needed to achieve required contact time; improvement of the automated flow splitting to control distribution between normal flow and wet weather flow treatment; discharging excess flow to existing excess flow outfall following disinfection; removal of primary clarifiers from service and remove structures; removal of primary effluent PS building; removal of trickling filters from service and remove structures; conversion of aerobic digesters and final clarifiers to aeration tankage; replacement of aeration piping; installation of new fine bubble aeration diffusers; installation of new high speed turbo aeration blowers; automation of aeration control system; construction of two 90-foot diameter final clarifiers; installation of new clarification equipment with suction headers for sludge withdrawal; installation of new scum pumps; installation of new return activated sludge and waste activated sludge pumps; utilizing existing tertiary sand filters; utilizing existing chlorine contact basin for disinfection of normal flow; removal of anaerobic digesters from service and removal of the structures; construction of new aerobic digesters; installation of new digester diffusers and blowers; installation of new digested sludge pumps; removal of existing sludge beds from service; construction of new biosolids control building and dewatered biosolids storage building; installation of belt filter press three-belt system; installation of thickened waste activated sludge pumps, polymer feed equipment, and biosolids conveyors; construction of process return flow and filtrate pumping station; refurbishing the existing administration building; and installation of a new SCADA system to allow for monitoring and control of the WWTP operations.

The estimated costs for the project are:

1. Construction	\$22,140,000
2. Contingency @ 10%	\$2,210,000
3. Design Engineering	\$1,400,000
4. Construction Engineering	\$2,250,000
<hr/>	
Total Project	\$28,000,000

## **Implementation**

The Village intends to finance the proposed project with a loan from the IEPA Water Pollution Control Loan Program (WPCLP). A \$28,000,000 loan, at the current interest rate of 1.93% for a twenty year period, would have an annual repayment of \$1,694,201.

The planning information provided by the Village of Bensenville indicates the revenue from the existing sewer rate must be increased to repay the debt service on the loan, above the normal costs for operation, maintenance and replacement of the wastewater collection and treatment system. The Village's current residential sewer user charge is based on a monthly fixed fee, depending on water meter size, plus \$6.66 per 1,000 gallons of drinking water metered. Higher rates are charged for usage over 10,000 gallons and to customers that generate high strength or hazardous wastewater. Most residential users have a 5/8-inch meter, which has a fixed fee of \$4.53 per month. The current sewer user charge for an average residential customer using 6,000 gallons per month is \$44.49. Bensenville determined that to repay the proposed WWTP improvements loan, the usage fee would need to be increased approximately \$2.97 per 1,000 gallons, which would cause the average residential customer's monthly sewer costs to increase approximately \$17.82. Therefore, the projected monthly sewer service cost for an average residential customer using 6,000 gallons would increase to \$62.31. Bensenville indicates the rate increase is likely to be implemented in a phased approach over the next several years because the first principal and interest payment is projected to be due about April, 2016.

In order to determine the financial impact of the proposed project on the community, a percentage comparison of the Median Household Income (MHI) to the annual cost for sewer service is utilized. According to the 2010 census, the MHI for Bensenville is \$52,500. The projected total annual sewer cost of \$748 is 1.42 percent of the MHI for Bensenville. Any amount less than 2.0 percent is considered to be affordable under State and Federal loan program criteria.

Construction is scheduled to begin in October, 2013 and should be complete in October 2015.

## **Public Participation**

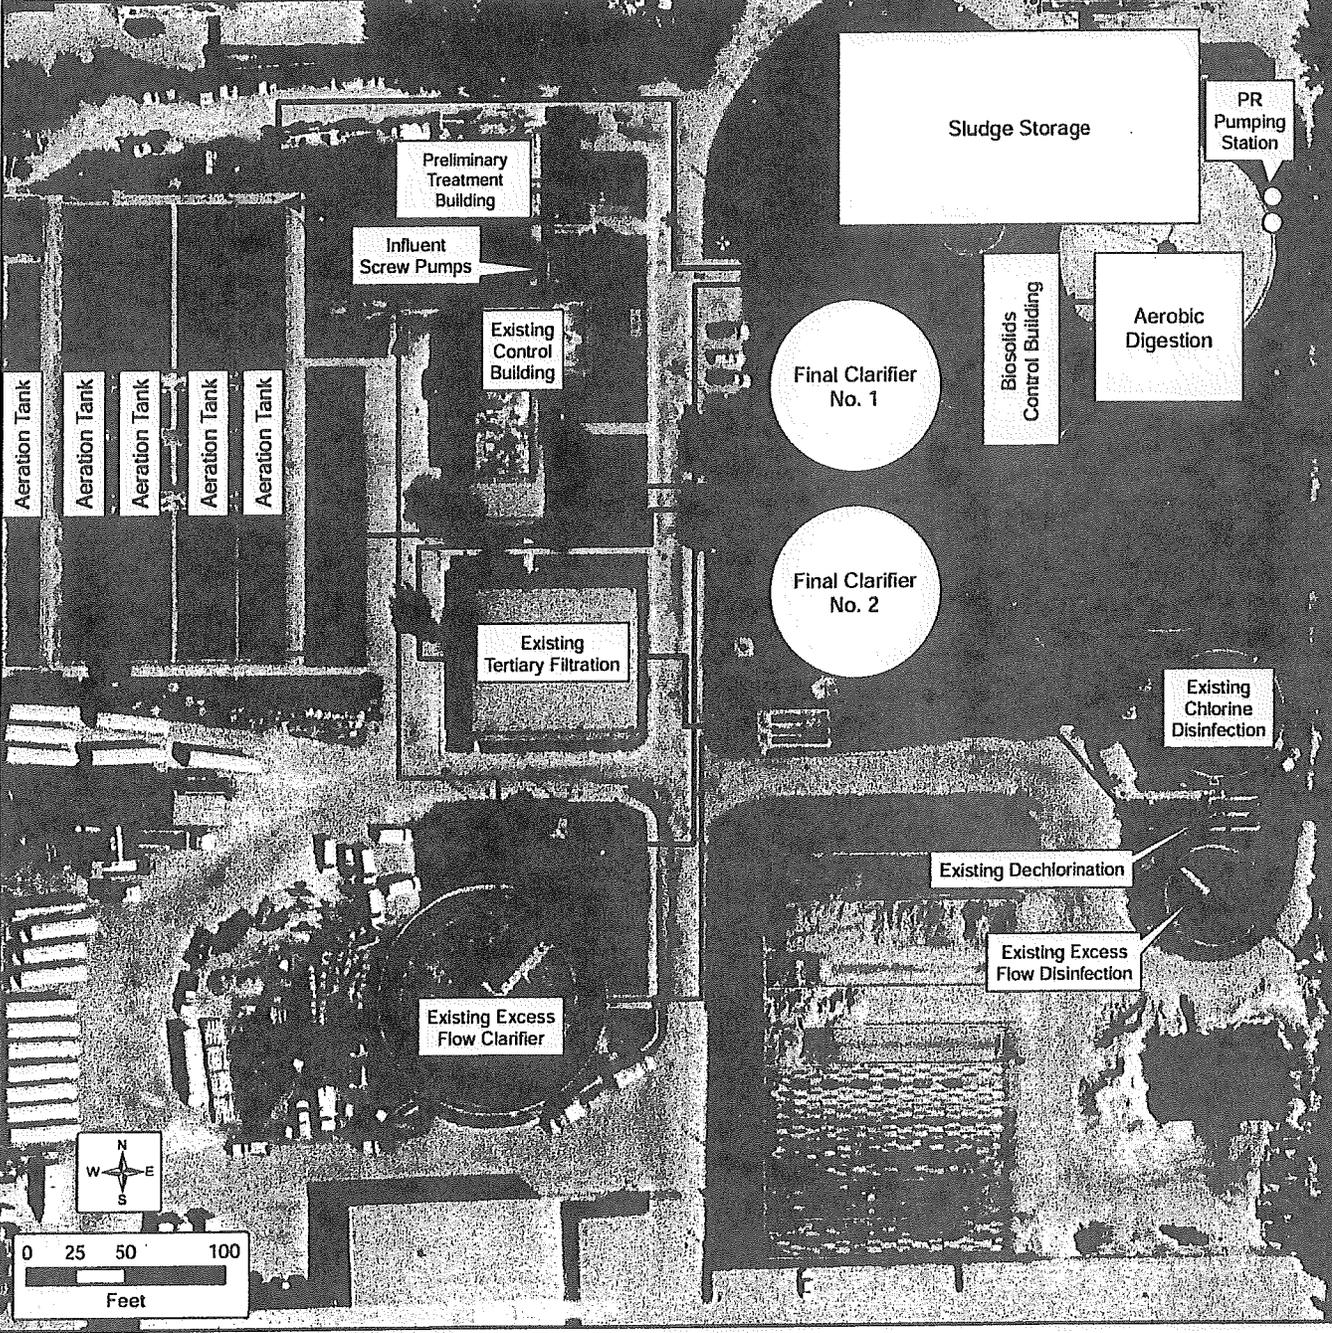

Public comments are invited on this proposed project. For further information contact:

- *Improved Flexibility*

# Alternatives Evaluated

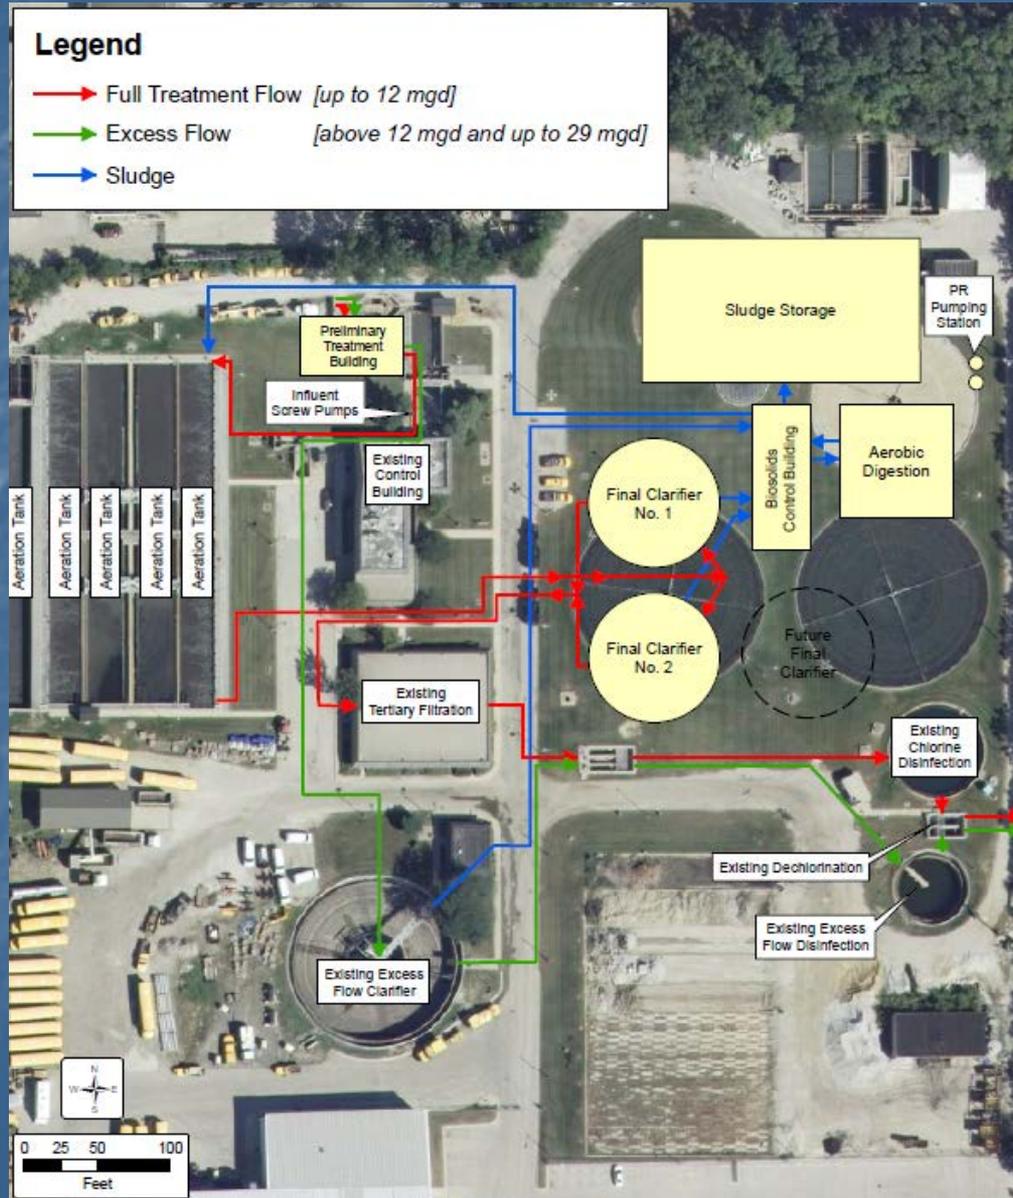

## Treatment Alternatives:

- Upgrade existing treatment plant
- Eliminate excess flow treatment (\$19 M more)
- Discharge to MWRDGC:  
(Connection fee alone \$25 M)

# Recommended Project

# Recommended Plan Layout

# Major Changes to WWTP

- Simplified treatment and operations
- Increased capacity for wet weather
- Improved reliability
- Improved flexibility
- Improved efficiency
- Reduced energy and carbon footprint

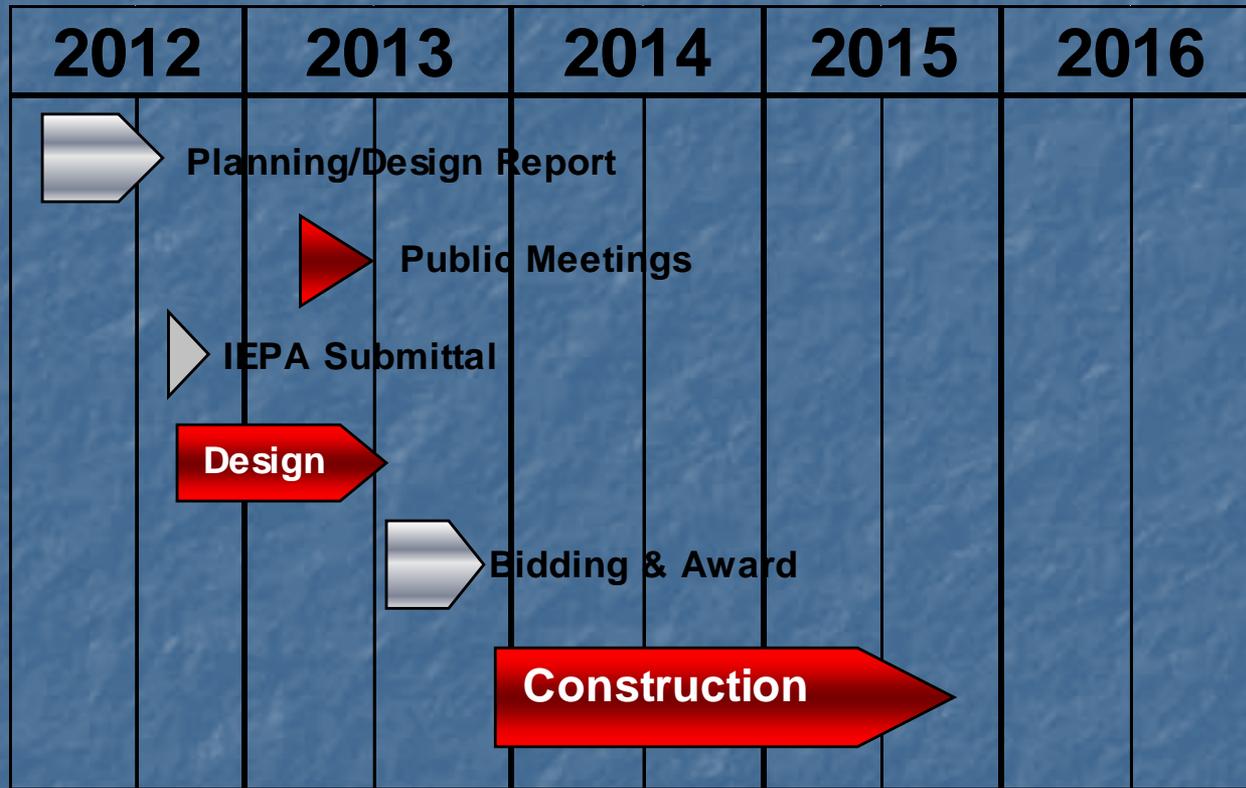

# Breakdown of Capital Costs (as included in Facilities Plan)

- Total Project Costs (Planning Level Costs): \$28 million
- IEPA Loan Funding (1.93% interest rate 20 years)
  - Annual Principal & Interest Payment: \$1.7 mil/year
  - First P&I Payment Around Year 2015
- Deerfield – Approx. \$34 million total project cost (Oct 2011)
- Itasca – Approx. \$40 million total project cost (Nov. 2009)

# Projected Impact on Users

- Annual Principal & Interest Payment: \$1.7 mil/year
- Estimated Reduction in O&M Expenditures: (\$0.4 mil/year)
- Total Additional Revenue Required: \$1.3 mil/year
  
- Annual Water Usage (Based on Draft 2011 UCS Study)  
573,215,000 gallons (Oct. 2009 – Sept. 2010)
  
- $\$1,700,000/573,215 = \$2.97/1,000$  gallons
  - Typical Residence using 6,000 gal/mo: \$17.82/month
  - IEPA does not allow Village to use projected O&M reduction in projected rate increase

# Preliminary Project Schedule

# *Questions and Answers*

**PUBLIC NOTICE**

Notice is hereby given that a public hearing will be conducted by the Village of Bensenville, Illinois at the Village Hall Board Room located at 12 South Center Street on July 16, 2013 at 6:30 p.m. The Purpose of the hearing is to provide an opportunity for public input regarding the proposed Wastewater Treatment Plant Facilities Plan. The hearing will include a presentation of the evaluation of the wastewater treatment alternatives. Monetary and nonmonetary factors associated with the alternatives evaluated will be discussed and the final recommendation plan and preliminary budget impacts will be presented.

Detailed information on the proposed wastewater facilities plan, plan as well as the Illinois Environmental Protection Agency's Preliminary Environmental Impacts Determination document for the project will be available for public inspection at the Village Hall, 12 South Center Street. Persons and/or organizations wishing to make a statement on the proposed project will be asked to identify themselves and their respective interest at the public hearing. Written statements regarding the subject of the public hearing will be accepted until 10 days after the date of the hearing and should be addressed to the Village Clerk, Corey Williamsen, Deputy Village Clerk, Published in Daily Herald July 4, 2013 (4345040).

Motion: Trustee Wesseler made a motion to approve the resolution as presented. Trustee Bartlett seconded the motion.

**ROLL CALL:** AYES: Bartlett, Janowiak, Jarecki, O'Connell, Ridder, Wesseler

NAYS: None

All were in favor. Motion carried.

**PRESIDENT'S  
REMARKS:**

President Soto thanked Trustee Bartlett, Director of Special Events, Gary Thorsen and all the Volunteers for their participation during the Wall that Heals event.

President Soto announced on July 17, 2013 the Village will be hosting a blood drive in efforts to assist Moore, Oklahoma. Interested parties should contact Mary Rivera via phone at 630-350-3405 or via email at [mriviera@bensenville.il.us](mailto:mriviera@bensenville.il.us).

President Soto announced on June 26, 2013 from 6:00pm to 7:30pm C-Map will be hosting an open house encouraging Resident's participation regarding future development in Bensenville.

President Soto announced the 4<sup>th</sup> of July Parade will begin at 10:00am on July 4, 2013. There will be free swimming and ice skating; music will begin at 3:00pm along with free pony rides from 3:00pm to 5:00pm. Fireworks will be twenty-five minutes and the finale will be three minutes long.

President Soto congratulated the Department of Finance for receiving and bond rating of a AA-.

**MANAGERS  
REPORT:**

Acting Village Manager, Dan DiSanto, provided the Village Board with a storm update from June 24, 2013. Mr. DiSanto announced there will be a special brush pick up starting the week of July 1, 2013.

Acting Village Manager, Dan DiSanto announced the July 16, 2013 Committee and Village Board Meetings will be the only meetings in July.

**Resolution No  
R-77-2013:**

9. Acting Village Manager, Dan DiSanto, gave the summarization of the action contemplated in **Resolution No. R-77-2013** entitled **A Resolution to Accept Planning Staff Assistance Services Delivered by the Chicago Metropolitan Agency for Planning (CMPA), including a memorandum of Understanding, for the Housing Study Termed "Housing for a Channing Region"**.

Motion: Trustee Bartlett made a motion to approve the resolution as presented. Trustee O'Connell seconded the motion.

**ROLL CALL:**

AYES: Bartlett, Janowiak, Jarecki, O'Connell, Ridder, Wessler

NAYS: None

All were in favor. Motion carried.

**Resolution No  
R-78-2013:**

10. Acting Village Manager, Dan DiSanto, gave the summarization of the action contemplated in **Resolution No. R-78-2013** entitled **A Resolution Authorizing Execution of a Purchase Order for \$31,200 with Precision Mechanical, Inc. (MPI) for an Emergency Repair Replacing the Desiccant Wheel at Edge I.**

Motion: Trustee Ridder made a motion to approve the resolution as presented. Trustee Bartlett seconded the motion.

**ROLL CALL:** AYES: Bartlett, Janowiak, Jarecki, O'Connell, Ridder, Wessler

NAYS: None

All were in favor. Motion carried.

**VILLAGE ATTORNEY  
REPORT:**

Village Attorney, Mary Dickson, had no report.

**UNFINISHED  
BUSINESS:**

Trustee Wessler asked for an update regarding Ms. Monkia Kedzior's public comment regarding her issues of opening a massage rehab center in Bensenville. Director of Community and Economic Development, Scott Viger, stated Ms. Kedzior needs a special use permit to operate a rehab massage facility in Bensenville. Mr. Viger stated he has been in contact with Ms. Kedzior and understands she will apply for the special use permit in the near future.

**NEW BUSINESS:**

Trustee Wessler asked Director of Special Events, Gary Thorsen, contact Bridgeway Senior Living Center regarding the Village's assistance at the July 31, 2013 Music in the Park.

Trustee Ridder announced the Bensenville Mentor Band will be performing at Music in the Park on June 26, 2013 at 6:30pm. Trustee Ridder also announced the 50/50 split the pot raffle will be hosted by the food pantry and art council.

**EXECUTIVE  
SESSION:**

Village Attorney, Mary Dickson, stated there was not a need for executive session.

**ADJOURNMENT:**

Trustee Bartlett made a motion to adjourn the meeting. Trustee Wessler seconded the motion.

All were in favor. Motion carried.

President Soto adjourned the meeting at 7:26 p.m.

Ilsa Rivera-Trujillo

CHECK TOTAL: **1,276,735.49**

WIRE/MANUAL TOTAL: **259,156.61**

EXPENDITURE TOTAL: **1,535,892.10**

**TYPE:**  
Resolution

**SUBMITTED BY:**  
Don Schultz

**DEPARTMENT:**  
Emergency Management

**DATE:**  
June 25, 2013

**DESCRIPTION:**

Resolution Adopting DuPage County Natural Hazards Mitigation Plan as an Official Plan of the Village of Bensenville.

**SUPPORTS THE FOLLOWING APPLICABLE VILLAGE GOALS:**

<input type="checkbox"/>
<input type="checkbox"/>
<input checked="" type="checkbox"/>

*Financially Sound Village*  
*Quality Customer Oriented Services*  
*Safe and Beautiful Village*

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

*Enrich the lives of Residents*  
*Major Business/Corporate Center*  
*Vibrant Major Corridors*

**COMMITTEE ACTION:**

Public Safety - APPROVED (6-0)

**DATE:**

June 18, 2013

**BACKGROUND:**

The DuPage County Natural Hazards Mitigation Plan identifies mitigation strategies to be utilized countywide, so one community's mitigation activity doesn't negatively impact another community. The Village of Bensenville first adopted the County plan in 2007, the plan is required to be reviewed and renewed every five years, and this resolution will ensure Bensenville meets that requirement.

**KEY ISSUES:**

The 2012 Natural Hazards Mitigation Plan includes power outages as a significant risk, after the July 1<sup>st</sup> 2012 storm 54% of DuPage was out of power as a result of a natural hazard storm.

Three new action items were added to the 2012 plan:

- Provide backup generation at critical Facilities
- Promote construction of safe rooms
- Promote NFIP compliance for all jurisdictions

Attached is a fact sheet, and Resolution.

A copy of the entire plan is available on the Trustee "T" drive.

**ALTERNATIVES:**

- Discretion of the Board

**RECOMMENDATION:**

Adopt the 2012 DuPage County Natural Hazards Mitigation Plan.

**BUDGET IMPACT:**

Keeps the Village of Bensenville eligible for Hazard Mitigation Grant Program (HMGP) funding.

**ACTION REQUIRED:**

Adopt the Resolution.

Description:

- Fact Sheet
- Resolution

# DuPage County Office of Homeland Security and Emergency Management

---

Norman A. Sturm, Jr., Director  
William P. Babyar, Deputy Director

- Purpose of the Natural Hazards Mitigation Plan:
  - Ensure DuPage County jurisdictions are able to qualify for mitigation funding that would not be possible without the Mitigation Plan.
  
- Importance of Natural Hazards Mitigation Planning:
  - Protect lives and property
  - Identify hazards within the jurisdiction
  - Propose strategies to prevent or lessen the effects of the hazards
  - Ensure regional comprehensive approach
    - Make sure one community's mitigation activity isn't negatively impacting another community
    - Facilitate communication across jurisdictions
  - While jurisdictions can develop their own they are encouraged to participate in and adopt the County Plan
  - The Mitigation Plan identifies mitigation strategies to be utilized countywide
  - Prioritizes the risks and actions to prevent or lessen the effects of risks
  
- Natural Hazards Mitigation Plan requirements:
  - Plan must meet federal regulation: 44 CFR §201.6
  - Must update the plan every 5 years
  - Must produce an annual report
  
- Funding for Mitigation Projects:
  - The Natural Hazards Mitigation Plan is required to be eligible to apply for Hazard Mitigation Grant Program(HMGP) funding.
    - The key purpose of HMGP is to ensure that the opportunity to take critical mitigation measures to reduce the risk of loss of life and property from future disasters is not lost during the reconstruction process following a disaster. HMGP is available, when authorized under a Presidential major disaster declaration, in the areas of the State requested by the Governor. The amount of HMGP funding available to the Applicant is based upon the estimated total Federal assistance to be provided by FEMA for disaster recovery under the Presidential major disaster declaration.
  - Since the first countywide plan (2007), DuPage County jurisdictions have received over \$3.5M in mitigation funding
  - In 2012, \$18.8M was **requested** for mitigation projects throughout the County
    - 10 separate projects
  
- Planning Process and Plan Update Timeline:
  - Survey sent out to Municipal partners and Workgroup members (September, 2012)
  - Hazard/Risk Assessment conducted by OHSEM
  - Workgroup meeting to review and agree on 2012 plan update and action items (October, 2012)
  - Public Meeting held for public comment and participation (November, 2012)
  - Additional Workgroup Webinar held (December, 2012)
  - Plan submitted for review to IEMA (December, 2012)
  - IEMA reviewed the plan and forwarded it to FEMA for review and approval (January, 2013)
  - Received approval from FEMA pending plan adoption by County Board (March, 2013)
  - Preparing resolution for the adoption of the plan by:
    - JPS (May 7, 2013)
    - County Board (May 14, 2013)
  - Municipal adoption within 60 days of County adoption (July 1, 2013 deadline)

DuPage County Natural Hazards Mitigation Plan  
Resolution No. \_\_\_\_\_

**Whereas** the Village of Bensenville is subject to natural hazards, such as, floods, severe summer and winter storms tornadoes, extreme heat events, and

**Whereas** natural hazards can damage property, close businesses, disrupt traffic, can threaten lives, and present public health and safety hazards; and

**Whereas** the DuPage County Natural Hazards Mitigation Workgroup has prepared a recommended *DuPage County Natural Hazards Mitigation Plan* that reviews the Village's options to protect people and reduce damage from the hazards; and

**Whereas** the Village has participated in the development of the *DuPage County Natural Hazards Mitigation Plan*; and

**Whereas** the recommended *DuPage County Natural Hazards Mitigation Plan* has been presented for review by residents, federal, state and regional agencies;

**Now therefore, be it resolved that:**

1. The *DuPage County Natural Hazards Mitigation Plan* is hereby adopted as an official plan of the Village of Bensenville.

2. The *DuPage County Natural Hazards Mitigation Plan* identifies a series of action items. The following action items are hereby assigned to the noted person or department of the Village. The designated person or department shall be responsible for the implementation of the action item, provided that resources are available, by the deadline listed in the Plan.

- A. Improvement of Building Code Effectiveness Grading Schedule (BCEGS) Rating
- B. Urban Forestry - Participation in Tree City USA
- C. Community Rating System Participation
- D. Community Rating System Information Workshop
- E. Property Protection Checklist
- F. Property Protection Projects
- G. Continued Watershed Management
- H. Structural Flood Control Projects
- I. Stream Maintenance Programs
- J. Participation in StormReady
- K. Identification of Floodplain Structures
- L. Review of Critical Facilities
- M. Development of Flood Stage Maps
- N. Seek Mitigation Grant Funding for Additional Mitigation Planning Cost Beneficial Projects
- O. Development of a Public Information Strategy
- P. Property Protection References

3. The Emergency Management Coordinator is hereby appointed as the Village's representative on the DuPage County Natural Hazards Mitigation Workgroup. The offices charged with implementation of action items in Section 2 shall keep the representative advised of their progress and recommendations.

Clerk

**TYPE:**  
Resolution

**SUBMITTED BY:**  
Dan Di Santo

**DEPARTMENT:**  
Village Manager's Office

**DATE:**  
July 16, 2013

**DESCRIPTION:**

Resolution Authorizing Execution of the Residential Solid Waste, Yard Waste and Recycling Services Agreement with Allied Waste Services of North America, LLC (d/b/a Republic Services of Melrose Park) from October 1, 2013 to December 31, 2018.

**SUPPORTS THE FOLLOWING APPLICABLE VILLAGE GOALS:**

<input checked="" type="checkbox"/>	<i>Financially Sound Village</i>	<input checked="" type="checkbox"/>	<i>Enrich the lives of Residents</i>
<input checked="" type="checkbox"/>	<i>Quality Customer Oriented Services</i>	<input type="checkbox"/>	<i>Major Business/Corporate Center</i>
<input checked="" type="checkbox"/>	<i>Safe and Beautiful Village</i>	<input type="checkbox"/>	<i>Vibrant Major Corridors</i>

**COMMITTEE ACTION:**  
I&E - APPROVED (6-0)

**DATE:**  
June 11, 2013

**BACKGROUND:**

The Village of Bensenville first contracted with Allied Waste (f/k/a BFI and d/b/a Republic Services) for Residential Solid Waste, Yard Waste, and Recycling Services on October 2, 2001. The Agreement was last extended in 2009 and expires on September 30, 2013. At the June 11, 2013 meeting, the I&E Committee unanimously voted (6-0) to extend the Agreement with Republic Services per newly negotiated terms.

**KEY ISSUES:**

Since the June 11, 2013 Committee meeting, staff and representatives from Republic have negotiated the final terms of the contract as presented, including the following key components:

- Holding single-family residential collection rates flat at \$22.58/month (matching April 30, 2012 rates) through December 30, 2014 (8.1% reduction from current contract amount of \$24.58/month).
- Creating a new senior rate at \$19.19/month (21.9% reduction from current contract amount of \$24.58/month).
- Multi-family buildings over 150 units (Linden Tower and the largest Yorkbrook Apartment building) will pay \$10.44/unit (32% reduction from current contract amount of \$15.36/month).
- All other multi-family buildings will receive a 2.5% rate discount.
- Beginning January 1, 2015, annual rate increases will be based on the 10-year rolling average of the CPI-Transportation Index (CPI-T) with a floor of 2% and a ceiling of 5%, rather than the current 4.75%.
- All single-family residents receive a 65-gallon recycling cart, paid for by Republic, and can upgrade to a 95-gallon cart at no additional fee.
- Republic will assume billing of all multi-family customers at no additional charge.
- The contract term is for 63 months, which adjusts the term to our calendar year budget, and allows for three two-year renewals upon mutual consent of both parties.

Based on Republic's history of high customer service and satisfaction, significantly reduced rates, and accomodation of all Village requests in negotiations, staff recommends approval of this contract extension.

**ALTERNATIVES:**

- Pursue an RFP
- Discretion of the Board

**RECOMMENDATION:**

Staff recommends approval of the Resolution to extend the Agreement with Republic Services.

**BUDGET IMPACT:**

10.4% cumulative reduction (approximately \$181,368 in savings in 2014).

**ACTION REQUIRED:**

Pass the Resolution.

**RESOLUTION NO.**

**A RESOLUTION AUTHORIZING EXECUTION OF THE  
RESIDENTIAL SOLID WASTE, YARD WASTE, AND RECYCLING SERVICES  
AGREEMENT WITH ALLIED WASTE SERVICES OF NORTH AMERICA, LLC  
(D/B/A REPUBLIC SERVICES, F/K/A BFI WASTE SYSTEMS)**

WHEREAS, the VILLAGE OF BENSENVILLE (hereinafter “VILLAGE”) is a municipal corporation established and existing under the laws of the State of Illinois pursuant to the Illinois Municipal Code, 65 ILCS 5/1-1-1 *et seq.*; and

WHEREAS, the VILLAGE is empowered to make all agreements, contracts, and engagements and to undertake other acts as necessary in the exercise of its statutory powers; and

WHEREAS, on October 2, 2001 the VILLAGE passed Resolution No. R-105-2001 authorizing execution of an Agreement for “Residential Solid Waste, Yard Waste and Recycling Services” (“The Agreement”) with Allied Waste Services of North America, LLC (d/b/a Republic Services, f/k/a BFI Waste Systems) (“Contractor”) for a term of five (5) years, expiring on September 30, 2006; and

WHEREAS, on September 12, 2005 the VILLAGE passed Resolution No. R-106-2005 authorizing a five (5) year extension of The Agreement, expiring on September 30, 2011; and

WHEREAS, on August 7, 2006 the VILLAGE passed Resolution No. R-140-2006 amending Addendum #2 of The Agreement to correct a scrivener’s error; and

WHEREAS, on June 23, 2009 the VILLAGE passed Resolution No. R-124-2009 amending The Agreement to implement the Blue Bin Recycling Program and extend The Agreement two (2) years, expiring on September 30, 2013; and

WHEREAS, based on the Contractor’s history of high customer service and satisfaction, the Infrastructure and Environment Committee authorized staff to negotiate with the Contractor on another extension of The Agreement; and

WHEREAS, the result of those negotiations was a new Agreement (Exhibit A) that

among other things, reduces rates across the board by over 10%, creates a 15% senior discount, drops single family residential rates to May 1, 2012 levels, and results in the delivery of 65-gallon recycling carts to all single-family residents at no charge with an option to upgrade to 95-gallon for free; and

WHEREAS, the new Agreement is for a term of sixty-three (63) months, expiring on December 31, 2018.

NOW, THEREFORE, BE IT RESOLVED by the President and Board of Trustees of the Village of Bensenville, DuPage and Cook Counties, Illinois, as follows:

SECTION ONE: The recitals set forth above are incorporated herein and made a part hereof as if fully set forth.

SECTION TWO: The Village President is hereby authorized and directed to execute on behalf of the Village of Bensenville, and the Village Clerk is hereby authorized to attest to, the Residential Solid Waste, Yard Waste and Recycling Services Agreement attached hereto and incorporated herein by reference as Exhibit "A," with such additions and revisions thereto as the Village Attorney shall require.

SECTION FOUR: This Resolution shall take effect immediately upon its passage and approval as provided by law.

PASSED AND APPROVED by the President and Board of Trustees of the Village of Bensenville, Illinois, this 16<sup>th</sup> day of July, 2013.

## Residential Solid Waste, Yard Waste and Recycling Services Agreement

The Residential Solid Waste, Yard Waste and Recycling Services Agreement (the "Agreement") is entered into effective July \_\_\_\_\_, 2013, by and between the Village of Bensenville, Du Page County, Illinois, a municipal corporation (the "Village") and Allied Waste Services of North America, LLC. ("Contractor").

### **Recitals**

- A. The Village wished to retain Contractor to provide residential solid waste, yard waste and recycling services.
- B. Contractor desires to provide residential solid waste, yard waste and recycling services in the Village.
- C. The Village has determined it is in the best interests of the Village to enter into this Agreement.

### **Agreement**

Now, therefore, in consideration of the foregoing and the mutual promises and undertakings herein contained, the sufficiency of which is hereby mutually acknowledged, the parties agree as follows:

#### **Section 1. Agreement Period**

The Village grants the Contractor the exclusive privilege to collect and dispose of Refuse, Yard Waste and Recyclables as defined in Section 5 from all single-family and multiple family residential dwellings in the Village from October 1, 2013 to December 31, 2018. This Agreement replaces any prior contracts or agreements between the Village and the Contractor, including that certain Agreement between the Village and BFI Waste Systems of North America, Inc. dated October 1, 2001.

#### **Section 2. Collection Service**

The Contractor agrees to collect and dispose of all Refuse, Yard Waste and Recyclables in the Village under the terms and conditions as set forth in this Agreement. This Agreement shall include all Residential Properties. Refuse and Recyclables collection services are provided on a year- round basis and Yard Waste collection services are provided for an eight-month period only.

#### **Section 3. Contract Extension Option**

The Contractor and the Village hereby agree that the contract may be renewed for three two-year terms by mutual consent of the Village and the Contractor under the same terms and conditions as set forth in this Contract.

#### **Section 4. Change in Service**

If the Village should wish to change the type of service provided during the term of this Agreement, including, but not limited to, the type of materials collected, method of collection, variety of recyclable materials collected, etc., the Village shall have the option to initiate the change in service by notifying the Contractor in writing at least one hundred twenty (120) days prior to the date such service is to begin. The Village and the Contractor shall agree to negotiate the terms, frequency and price of such change in service after proper notice has been served. A change in

service shall not become effective only after the Village and the Contractor agree to the changes requested in writing.

## **Section 5. Definitions**

The following words and phrases, when used in this Agreement, shall have the meaning given to them in this section:

**Aluminum Formed Container/Wrap:** Aluminum cans, foil, trays, pie plates, and other similar formed containers.

**Building:** Premises under a single roof.

**Bulk Materials:** Any items which are too large to fit into an approved Refuse Container but can be handled through the conventional method of collection. Examples include sofas, tables, chairs, dressers, bookcases, mattresses and box springs or other large household furniture or household appliances, which do not contain CFC or HCFC refrigerant gases or PCP containing capacitors, mercury switches or other hazardous components. Bulk Materials do not include vehicle tires or large vehicle parts.

**Cart:** A Recycling Cart or Refuse Cart, as applicable.

**Catalog:** A book made from either glossy or non-glossy paper stock which contains an Itemized listing of names or articles arranged in order or classified.

**Chipboard:** (Also referred to as Paperboard) A thin, single layer of cardboard used in the packaging of consumer goods. Examples include cereal boxes, cracker boxes, clothing boxes, tissue boxes and other similar products.

**Composting:** The process by which aerobic microorganisms decompose organic matter into a humus-like product.

**Contractor:** Allied Waste Services of North America, LLC, doing business as Republic Services of Melrose Park and Allied Waste Services of Melrose Park.

**Corrugated Cardboard:** A usually sturdy paper product commonly used as packaging consisting of two (2) paper grades, a wavy inner portion and an outside liner.

**Curbside:** a position in the immediate area of the curb or edge of alleyway used for the collection of Refuse, Yard Waste and Recyclables.

**Curbside Program Area:** All single-family through five unit residential buildings within the Village.

**Electronic Waste:** Televisions, monitors, printers, computers, electronic keyboards, facsimile machines, videocassette recorders, portable digital music players, video game consoles, small scale servers, scanners, electronic mice, digital convertor boxes, cable receivers, satellite receivers, digital video disc recorders or any other electronic devices banned from landfill disposal by the State of Illinois pursuant to the Illinois Electronic Products Recycling and Reuse Act (P.L. 95-0959), as amended.

**Garbage Can:** A plastic or galvanized metal can with two handles of a capacity not less than 15 gallons and not to exceed 35 gallons in size. No garbage can shall exceed 50 pounds in weight when filled.

**Hazardous Waste:** Waste defined as, or of a character or in sufficient quantity to be defined as "Hazardous Waste" by the Resource Conservation and Recovery Act, as amended, or any state or local laws or regulations with respect thereto, or a "Toxic Substance" as defined in the Toxic Substance Control Act, as amended, or any regulations with respect thereto, or any reportable quantity of a "Hazardous Substance" as defined by the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended, or any regulations with respect thereto. The term "Hazardous Waste" also includes any substance that, after the effective date of this Agreement, is

determined to be hazardous or toxic by any judicial or governmental entity, body or agency having jurisdiction to make that determination.

**HDPE Plastic:** High Density Polyethylene Plastic containers identified with #2 by the Uniform Coding System of the Society of Plastics Industry, Inc.

**Household Construction and Demolition Debris:** Waste materials from interior and exterior household construction, remodeling and repair projects, including but not limited to, drywall, plywood, paneling, lumber and other building materials: cabinets, carpeting; disassembled household fixtures; and small amounts of sod, earth, clay, sand, concrete, rocks and other similar projects.

**Household Refuse:** All organic household or kitchen wastes, such as rejected or unused food and food residues, paper used in wrapping food, household rubbish, inorganic and incombustible household waste (i.e., cans, metalware, broken glass, crockery, stoneware and similar waste resulting from the regular operation of the household), empty cartons and crates, discarded toys, discarded clothing and furniture and similar materials. Household Refuse shall not include waste from any manufacturing process, construction materials, broken concrete, lumber, large rocks and other similar materials or Unacceptable Waste.

**Kraft Paper Bag:** A special biodegradable paper bag, not to exceed 33 gallons in size and weighing less than 50 pounds, which will shred and degrade quickly in the composting process.

**Kraft Paper Products:** Mailing tubes, wrapping paper and other similar Kraft type paper items. (See also Kraft Paper Bags).

**Large Items:** Any items set forth as Refuse which are too large to fit into an approved **Refuse Container** and cannot be handled by two individuals in the standard residential route trucks, but rather require a special collection vehicle or additional manpower; examples include cast iron tubs, double basin concrete sinks, oversized furnaces, pianos and organs. These types of items would be subject to the charges quoted for large items.

**Magazines:** Periodical publications made from either glossy or non-glossy paper stock.

**Mixed Paper:** Mail, brochures, fliers, computer paper, stationery, envelopes, bills and greeting cards.

**Multi-family Residential:** All residential buildings containing two or more dwelling units.

**Multi-family Program Area:** All six unit and larger residential buildings within the Village.

**PET Plastic:** Plastic close-mouthed containers identified with a #1 by the Uniform Coding System of the Society of Plastics Industry, Inc.

**Recycling Containers or Recycling Cart:** A wheeled plastic container with a tight-fitting top with a capacity of 65-gallons, requiring an automated lifting mechanism that is labeled for recycling. All Recycling Carts must be supplied by the Contractor and are property of the Contractor.

**Recyclables:** Items, which may be recovered from the waste stream and converted into usable products. The minimum list of recyclables under this contract will include **HDPE Plastic** rigid containers and tubs, **PET Plastic rigid** containers, PVC plastic rigid containers, LDPE plastic rigid containers, PP plastic rigid containers, Type 7 (other) plastic narrow neck containers, LDPE and **HDPE** soft plastic 6 & 12 pack rings, clear, green and brown glass containers, **Aluminum formed containers/wrap**, steel/tin/bi-metal cans and formed containers, empty aerosol and paint cans, Gable top containers, Corrugated Cardboard, Chipboard (paperboard), newspaper (ONP), **Magazines** and **Catalogs** (glossy & non-glossy), **Mixed Paper**, telephone directories and brown **Kraft Paper Products**, and **Wet Strength Carrier Stock**.

**Recyclable Program Area:** All single-family through five unit buildings within the Village.

**Solid Waste Material or Refuse:** Garbage, rubbish, construction and demolition debris, **Large Items**, **White Goods**, **Bulk Materials** and **Household Refuse**.

**Refuse Containers:** Refuse containers shall include:

**Garbage Bag:** A disposable plastic bag of a capacity of not less than 15 gallons and not to exceed 35 gallons. No garbage bag shall exceed 50 pounds in weight when filled.

**Garbage Can:** A plastic or galvanized metal can of a capacity not less than 15 gallons and not to exceed 35 gallons in size. No garbage can shall exceed 50 pounds in weight when filled. All garbage cans shall have two handles.

**Refuse Cart:** A wheeled plastic container with a tight-fitting top, with a capacity of 95 Gallons, requiring an automated lifting mechanism for collection. All **Carts** must be supplied by the **Contractor** and are property of the **Contractor**.

**Residential:** All **Single-family Residential** and **Multi-family Residential** properties within the **Village**.

**Single-Family Residential:** All residential buildings containing one dwelling unit.

**Unacceptable Materials:** Highly flammable substances, Electronic Waste, Hazardous Waste, liquid wastes, Special Wastes, certain pathological and biological wastes, explosives, toxic materials, radioactive materials, material that a disposal facility is not authorized to receive or dispose of, and other materials deemed by state, federal or local law, or in the reasonable discretion of the Contractor, to be dangerous or threatening to health or the environment, or which cannot be legally accepted at the designated disposal site.

**Unit or Dwelling Unit:** one or more persons, occupying a premise or portion of a premise and living as a single housekeeping unit, whether or not related to each other by birth, adoption or marriage.

**Wet Strength Carrier Stock:** Paperboard containers with special coatings to prevent tearing of the packages or smearing of the ink from moisture when refrigerated or frozen; i.e., paper beverage carriers and frozen food packages.

**White Goods:** Any domestic and/or commercial large appliance, which contains CFC or HCFC refrigerant gas, PCB containing capacitors, mercury switches or other Hazardous components. Examples include, but are not limited to, refrigerators, freezers, air conditioners, ranges (both electric and gas), humidifiers, dehumidifiers, water heaters, furnaces and other similar large appliances.

**Yard Waste:** Grass clippings, leaves, plant materials and shrubbery trimmings less than 12 inches in length and one inch in diameter.

**Yard Waste Containers:** Garbage Cans (no larger than 35 gallons) and Kraft Paper Bags. No Garbage Can shall exceed 50 pounds in weight when filled.

**Yard Waste Program Area:** All single-family through six unit buildings that receive solid waste service.

## **Section 6. Services to be Performed**

The services to be performed by the Contractor shall be as detailed in the Bensenville Village code, and shall be subject thereto, and shall include the collection and disposal of Refuse, Yard Waste and Recyclables:

### **A. Refuse**

#### **(1) Program Design**

The collection of Residential Refuse shall be offered on a year round basis.

## **(2) Collection Standards**

### **a. Curbside Residential Service**

The Contractor shall provide once a week, same-day Refuse, Yard Waste and Recyclable collection service to all single-family through five unit buildings. Collection shall be conducted according to an agreed schedule, which the Contractor shall file with the Village Clerk.

A Cart system shall be provided for all curbside program area dwelling units in the Village. Other than the Cart or Bulk Materials, to be collected, the Refuse must be placed in an approved Refuse Container, as defined in Section 5 of this Agreement, at the Curbside next to the Cart. No service shall be provided unless a Refuse cart is placed at the Curbside. There shall be no limit on the number of containers placed out for collection by a given household.

Contractor shall purchase and maintain a reasonable supply of Carts to cover replacements for lost, damaged, and stolen Carts, and initial Carts for new construction. Under a prior contract, the Contractor has provided all Curbside Residential Service dwelling units in the Village with one Refuse Cart.

For new Curbside Residential Program Area residential properties, the Contractor will provide one Refuse Cart to residents at no charge. Carts damaged or lost by the Contractor, damaged by wildlife, or damaged by normal wear-and-tear, shall be replaced at no charge. Carts otherwise damaged or lost will be replaced at the following cost to the resident: \$55.00. All Carts are the property of the Contractor. The Contractor shall deliver the Carts to residents upon their request, and shall not add an additional charge for delivery.

Contractor shall be required to provide a tagging system for any Refuse Container that does not get collected. Each tag or label must provide a brief explanation as to why the material was not collected, including, but not limited to, over capacity; container overweight; unacceptable Refuse; and the like.

### **b. Centralized Residential Service**

Contractor shall provide weekly service to Multi-family Residential buildings with six to twelve dwelling units and twice weekly service to all multi-family residential buildings with thirteen or more dwelling units. On request, multi-family residential buildings shall be provided more frequent service based on the rates found in Attachment A. Multi-family Program Area refuse collection service will be from a centralized collection area at an alley or in a parking lot. Contractor shall not be responsible for any damage to customer's pavement, curbing or other driving service resulting from the Contractor's providing service at the customer's location. The Contractor shall establish collection routes.

A dumpster system shall be offered for all Multi-Family Residential dwelling units in the Village. Other than Bulk Materials, to be collected, the Refuse must be placed in a dumpster.

## **(3) Bulk Materials**

Contractor shall provide collection service for items, which are too large to fit into an approved Refuse Container but which can be reasonably loaded by two individuals in residential route collection vehicles. The Contractor may establish standards for the preparation of Bulk Items, subject to review by the Village Manager.

## **(4) Large Items**

The Contractor shall provide collection services for items, which are too large to fit into an approved Refuse

Container, and cannot reasonably be loaded by two individuals in residential route collection vehicles. The Contractor shall be required to provide a tagging system for any Large Item that does not get collected. The Contractor shall make the final decision as to the determination of Large Items. The terms of, as well as charges and payments for, this service shall be arranged solely between the Contractor and the resident.

#### **(5) Household Construction and Demolition Debris**

Contractor shall provide collection service for Household Construction and Demolition Debris provided it is placed in an approved Refuse Container or securely bundled. Bundled material shall not exceed four feet in length. No container or bundle shall exceed 50 pounds in weight. Up to one cubic yard of these materials from “do-it-yourself” projects shall be collected weekly at no additional charge. However, material generated by commercial or other business activities shall be handled as a special collection. The Contractor shall collect payment from residents for this service at the rates found in Attachment A for volumes exceeding one cubic yard.

#### **(6) Special Collection**

Contractor shall offer a special Curbside collection service for large quantities of Refuse including, but not limited to Large Items, Household Construction and Demolition Debris, and move-in or move-out clean-up rubbish. Such services shall be by advance arrangement with the Contractor at the resident’s request.

The Contractor shall also, at the request of the Village, collect quantities of Refuse or Yard Waste left out at the curb in unusual circumstances, i.e., evictions or “skip-outs”, and shall bill the property owner for such costs.

The Contractor shall also offer roll off container service for residents with household remodeling and repair projects that generate large quantities of Household Construction and Demolition Debris, which cannot be easily picked up at the Curbside. The terms of, as well as charges and payments for, this service shall be arranged solely between Contractor and the resident.

#### **(7) White Goods**

The Contractor shall provide collection service for White Goods.

#### **(8) Natural Disaster Clean-Up**

The Contractor shall provide special collections for severe storm damage and/or after a natural disaster such as a tornado, flood, etc. The Contractor shall collect any Refuse that may have accumulated from the severe weather. The Contractor shall provide this service after being notified by the Village, and shall bill the Village based on the rates and fees found in Attachment B.

#### **(9) Services for Municipal Facilities**

Contractor shall provide, at no cost to the Village, once a week or more if necessary, Refuse collection, as well as special pick-ups upon the request of the Village from the municipal properties listed in Attachment C. Sewage sludge, street sweepings, excavation, construction and demolition debris, similar materials and roll off containers are excluded from this provision.

#### **(10) Future Development/Annexations**

Contractor shall service any land annexed to the Village of Bensenville during the term of the Contract, as well as any Residential buildings constructed during said term. Service to land annexed to the Village and future Residential developments shall be provided on the same terms as set forth herein. Any changes to the corporate

boundaries or service area resulting from annexations, zoning actions, site plan approvals, construction, etc., shall be communicated to the Contractor by the Village.

## **B. Yard Waste**

### **(1) Program Design**

The Yard Waste collection service shall be offered from the April 1st through November 30th during the term of this Agreement. The Yard Waste collection service shall include unlimited collection of Yard Waste for all residential properties included in the Yard Waste Program Area within the Village.

### **(2) Collection Standards**

In order for Yard Waste to be collected, it must be placed at Curbside in an approved Yard Waste Container, as defined in Section 5. Yard Waste containers shall be separated from Refuse Containers and Recycling Carts. Any garbage can used as a Yard Waste Container must be properly stickered, which shall mean that it has a Yard Waste decal affixed and placed so that the Yard Waste decal is visible from the street. There shall be no limit on the number of containers placed out for collection by a given household. However, yard waste brought to the Residential property from another location, shall be handled as a special collection. The Contractor shall be required to provide a tagging system for any Yard Waste Container that does not get collected. Each tag or label must provide a brief explanation as to why the material was not collected, including, but not limited to, no Yard Waste disposal decal; use of plastic bags of any kind; bags contain unacceptable material, such as Refuse or dirt; container overweight; and the like.

### **(3) Yard Waste Disposal Decals**

The Village shall be responsible for the printing and distribution of Yard Waste disposal decals. Yard Waste decals shall have the words "Yard Waste" printed on them in large letters.

## **C. Recyclable Materials**

### **(1) Program Design**

A Recycling Cart system shall be provided for all single-family through five dwelling unit residential dwelling units in the Village. Weekly Curbside recycling shall be provided for all Curbside Program Area dwelling units in the Village. The recyclable collection service for Single-family Residential properties shall use the Curbside method already established within the Village, while requiring the use of Recycling Carts.

### **(2) Collection Standards**

Households in the curbside program area shall place Recyclables at the Curbside for collection in a Recycling Cart. Contractor shall be required to provide a tagging system for Recyclables that are not collected. The tagging system must provide a simple explanation as to why the Recyclables were not picked up, including, but not limited to the following: contaminants; improper preparation; materials not accepted in the program; or some combination thereof. Recyclables that were rejected shall be returned to Curbside and not be left on the street.

### **(3) Methods of Preparation and Collection**

Recyclables shall be placed in a Recycling Cart. Material outside a Recycling cart will not be collected. All Recyclables can be placed unsorted in the Recycling Cart.

### **(4) Recycling Containers**

The Contractor shall be responsible for the distribution of Recycling Carts to all single-family through five-dwelling unit buildings. The Contractor shall provide one (1) 65 gallon Recycling Cart for each dwelling at no charge. Upon notification by the Village, the Contractor shall supply a 95-gallon recycling cart in lieu of a 65-gallon recycling cart at no charge.

The Contractor shall purchase and maintain a reasonable supply of Recycling Carts to cover replacements for lost, damaged, and stolen Recycling Carts, and initial Recycling Carts for new construction. Before October 1, 2013, the Contractor shall provide all curbside program area residential dwelling units in the Village with one 65-gallon Recycling Cart at no charge.

Carts damaged or lost by the Contractor, damaged by wildlife, or damaged by normal wear-and-tear, shall be replaced at no charge. Carts otherwise damaged or lost will be replaced at a cost of \$55.00. All Carts are the property of the Contractor. The Contractor shall deliver the Carts to residents upon their request, and shall not add an additional charge for delivery.

#### **(5) Additional Contractor Services**

The Contractor shall provide the Village with a report quarterly, at a minimum, of the weight or volume of recyclable material collected. The Contractor shall participate in Village meetings to evaluate participation rates and to offer general assistance.

#### **(6) Compensation for Recyclables**

In relation to the collection and/or transportation of Recyclables, the Village agrees that the Contractor will retain all money received from the sale of the Recyclables collected.

#### **(7) Minimum Recyclable Materials to be Collected**

The Contractor shall collect the following materials at a minimum:

Non-Paper Items: HDPE Plastic containers and tubs, PET Plastic blow molded containers, PVC plastic rigid containers, LDPE plastic rigid containers, PP plastic rigid containers, Type 7 (other) plastic narrow neck containers, LDPE and HDPE soft plastic 6 & 12 pack rings, clear, green and brown glass containers, Aluminum Formed Containers/Wrap, steel/tin/bi-metal cans, formed steel containers and empty aerosol and paint cans.

Paper Items: Corrugated Cardboard, Chipboard (paperboard), newspaper (ONP), Magazines and Catalogs (glossy & non-glossy), Mixed Paper, telephone directories and brown Kraft Paper Bags.

It is further agreed by the parties that in the event that the Village desires to have additional items and/or materials recycled, and if the Contractor agrees to include these additional items and/or materials as part of the Curbside collection of Recyclables, the parties shall renegotiate the terms and conditions of this Section so as to include said additional items and/or materials. If the parties cannot agree on new terms relative to the inclusion of the additional items and/or materials, said additional items and/or materials shall not be included in the Curbside collection of Recyclables, and the then existing terms and conditions of this Section shall remain in full force and effect.

### **Section 7. Hours of Collection**

Collections shall be made from Residential units once per week on specified days provided that no such Residential collection shall begin prior to 6:00 a.m.; nor shall said collection continue after 6:00 p.m., except in cases of mechanical breakdown or holiday schedules.

### **Section 8. Holidays**

All **Refuse, Yard Waste** and **Recyclables** shall be picked up by the **Contractor** each week on the designated day, except for New Year's Day, the Fourth of July, Labor Day, Memorial Day, Thanksgiving Day and Christmas Day,

and if, for any reason, the collection is not completed in the area in question on such day, then the collection shall be resumed and completed on the following day, and additional personnel and equipment shall be used so as not to delay the collection in any other area in the **Village**. When one of the aforementioned Holidays falls on a Sunday or weekday, the **Contractor** shall pick up the **Refuse, Yard Waste and Recyclables** from the **Single-Family Residential** dwelling units normally picked up on the day of such holiday on the following day; and the normal collection schedule for the rest of the week shall be delayed one day.

### **Section 9. Vehicles**

The **Contractor** agrees to use modern loader trucks for its operations in the **Village** and to keep all equipment used in performance of its work in a clean, sanitary condition and not to permit the same to remain standing or housed anywhere in the **Village**. All vehicles shall display the name of the **Contractor**, a local telephone number and a vehicle identification number, which are clearly visible.

All vehicles shall be fully enclosed, leak proof and operated in such a way that no **Refuse, Recyclables** or **Yard Waste** can leak, spill or blow off the vehicle. In the event any Refuse, Recyclables or Yard Waste should leak, spill or blow off a vehicle as the result of the vehicle operator's failure to properly monitor the load or to close openings, the Contractor shall be responsible for the immediate collection and clean-up of same.

All vehicles shall pick-up the **Single-Family Recyclables** on the same day as the regular **Refuse and Yard Waste** pick-up. The **Village** reserves the right to inspect the Contractor's equipment solely for the purpose of determining compliance with the Contract.

### **Section 10. Disposal of Refuse, Yard Waste and Recyclables**

All Refuse collected by the Contractor shall be disposed of by the **Contractor** solely at landfills and/or transfer stations that have been approved by the appropriate agency of the state in which the particular landfill or transfer station is located. The **Village** waives the right to approve the landfill site location and/or transfer station the **Contractor** intends to use for the disposal of **Refuse**.

The **Village** waives the right to approve the composting facility the Contractor intends to use for the disposal of **Yard Waste**. The **Village** waives the right to approve the location of the processing facility that the Contractor intends to use for the separation and processing of **Recyclables** collected. The **Contractor** shall, however, provide the name and location of the processing facility, as well as the proposed buyer/market for **Recyclables** on request.

### **Section 11. Employee Conduct/Quality of Performance**

Contractor agrees not to employ agents, employees or drivers who use intoxicating liquors or drugs while on duty. The Contractor shall prohibit the drinking of any alcoholic beverages or the ingestion of any illegal narcotics, drugs or substances by its drivers and crew members while on duty or in the course of performing their duties under the Contract.

All employees shall carry identification and shall present such identification upon request. All vehicle operators shall carry valid State of Illinois driver's licenses for the class of vehicle operated. Vehicle operators shall obey all traffic regulations, including weight and speed limits.

The Contractor agrees to perform all collection and disposal services rendered hereunder in a neat, orderly and efficient manner, to use due care and diligence in the performance of the Contract and to provide neat, orderly and courteous employees and personnel.

The Contractor agrees not to allow Refuse, Yard Waste or Recyclables to scatter or spread as a result of the Contractor's service provided with the Village. Any Refuse, Yard Waste or Recyclables spilled on the yard or street by Contractor shall be picked up prior to leaving the site of collection.

### **Section 12. Collection of Fees**

The Village will bill for all units in Curbside Program Area residential buildings. The Contractor agrees to be responsible for the billing and collection of all fees for Refuse and Yard Waste collection for Multi-family Program Area residential buildings. Payment for curbside and multi-family program residential buildings shall be made whether or not the Contractor's service is used. The Village further agrees to be solely responsible for the collection of any Curbside Program Area delinquent accounts and to assist the Contractor with the collection of delinquent Multi-family accounts. Where the Contractor intends to interrupt collection service relative to a customer, the Contractor shall notify the customer in writing, at least ten (10) days prior to the suspension of collection service, of the proposed suspension date and the reason for said suspension. The Contractor agrees to notify the Village Manager of any suspended or discontinued service accounts within two (2) business days following such termination.

The parties agree that the number of Curbside Residential Area dwelling units is 3,887 and the number of properties with yard waste service in the Curbside Residential Area is 3,684 as of the date of this Agreement. The unit counts for dwelling units and residential properties receiving yard waste collection shall be adjusted for annexations, new construction and demolitions. An adjustment in number of dwelling units and Yard Waste Program Area properties for new construction shall be made the month following a certificate of occupancy being issued. An adjustment in the number of dwelling units and yard Waste Program Area properties for demolitions shall be made the month following the demolition of the Building. An adjustment for annexations shall be made as found in Section 6 (A) 2 (a) 10.

#### **A. Curbside Program Area Residential**

For curbside Program Area Residential dwelling units, the monthly fee, for one (1) pick-up per week, shall be as follows:

##### **(1) Refuse and Recyclable Materials**

The Contractor shall provide the Refuse and Recycling services specified in Section 6 (A) 2 (a) and Section 6 (C) of this Agreement at the curb for an initial monthly fee of \$17.75 per dwelling unit. The initial monthly fee shall be in effect through December 31, 2014. Beginning January 1, 2015 said fee shall be subject to an annual adjustment based on the applicable provisions of Section 24 of this Contract. Also, the Contractor shall offer a 15% senior citizen discount for single-family residences. For a resident to receive this senior citizen discount, the principal of the home must be 65 years of age, must provide proof to the Village, and request the discount. To qualify, the principal of the home must also both own and live in the home receiving the discount or be a leaseholder.

##### **(2) Yard Waste**

The Contractor shall pick-up the Yard Waste services as specified in Section 6 (B) at the curb for an initial monthly fee of \$4.83 per building. This fee shall be in effect through December 31, 2014. January 1, 2015 said fee shall be subject to an annual adjustment based on applicable provisions of Section 24 of this Contract. Also, the Contractor shall offer a 15% senior citizen discount for single-family residences. For a resident to receive this senior citizen discount, the principal of the home must be 65 years of age, must provide proof to the Village, and request the discount. To qualify, the principal of the home must both own and live in the home receiving the discount or be a leaseholder.

##### **(3) Bulk Materials**

The Contractor shall pick-up Bulk Materials at a no additional charge with the exception of material generated from commercial or other business activities.

##### **(4) Large Items**

The Contractor shall collect Large Items as defined at resident's request. Residents will be required to call Contractor to arrange for this special collection. The terms of, as well as payments for, this service shall be arranged solely between the Contractor and the resident.

**(5) Household Construction and Demolition Debris**

The Contractor agrees to collect up to one cubic yard of Household Construction and Demolition Debris per week at no cost with the exception of construction and demolition debris generated from commercial and business activities. Residents will be required to call the Contractor to arrange for this special collection.

**(6) Special Collections**

The Contractor shall make special collections for an initial fee of \$20.00 per cubic yard. This fee shall be in effect through December 31, 2014. Beginning January 1, 2015 said fee shall be subject to an annual adjustment based on the applicable provisions of Section 24 of this Contract.

**(7) White Goods**

The Contractor shall provide pick-up of White Goods containing Freon or CPC at no additional charge, with the exception of White Goods generated from commercial or other business activities.

**(8) Natural Disaster Clean Up**

The Contractor shall upon the request of the **Village** provide a clean-up for natural disasters for **Residential** properties when necessary at the fees found in Attachment B.

**B. Multi-Family Residential**

For Multi-Family Residential dwelling units, the monthly fee shall be as follows:

- (1) Buildings containing 6 units: \$18.67 per unit
- (2) Buildings containing 7 through 12 units: \$15.57 per unit
- (3) Buildings containing 13 through 18 units: \$14.95 per unit
- (4) Buildings containing 19 units or more: \$14.10 per unit
- (5) Buildings containing 19 units through 149 units with compactor service: \$13.30 per unit
- (6) Buildings containing 150 or more units with compactor service: \$10.44 per unit

**Contractor** shall pick-up **Refuse** at a central location. The initial fee shall be in effect through December 31, 2014. Beginning January 1, 2015 said fee shall be subject to an annual adjustment based on the applicable provisions of Section 24 of this Contract. Containers and compaction equipment may either be rented from the Contractor or supplied by the customer. Any containers supplied by the customer shall be compatible with Contractor's equipment. Rental fees for standard containers and rates for more frequent collection service than specified in Section 6 (A) 2 (b) are found in Attachment A. Should **Contractor** supply custom fabricated equipment or compaction equipment, an additional fee will be negotiated solely by the Contractor and the customer.

**(7) Yard Waste**

The **Contractor** shall collect Yard Waste at six-unit residential buildings. The terms of, as well as payments for, this service shall be based on fees found in Section 12 (A) 2 of the Agreement. Buildings containing six dwelling units may be excluded from the Yard Waste program by written notification from the Village.

#### **(8) Bulk Materials**

The **Contractor** shall pick-up **Bulk Materials** at a no additional charge with the exception of material generated from commercial or other business activities. Bulk materials generated from commercial or business activities shall be collected for an initial fee of \$20.00 per cubic yard. This initial fee shall be in effect through December 31, 2014. Beginning January 1, 2015 said fee shall be subject to an annual adjustment based on the applicable provisions of Section 24 of this Agreement.

#### **(9) Large Items**

**Contractor** shall collect **Large Items** as defined at building owner's or manager's request. Building owners or managers will be required to call **Contractor** to arrange for this special collection. The terms of, as well as payments for, this service shall be arranged solely between the **Contractor** and the building owner or manager.

#### **(10) Household Construction and Demolition Debris**

Contractor agrees to collect up to one cubic yard of household construction and demolition debris per week at no cost with the exception of construction and demolition debris generated from non-residential, commercial or business activities. Customers will be required to call **Contractor** to arrange for this special collection. The initial fee of \$20.00 per cubic yard shall be in effect through December 31, 2014. Beginning January 1, 2015 said fee shall be subject to an annual adjustment based on the applicable provisions of Section 24 of this Contract.

#### **(11) Special Collections**

The **Contractor** shall make special collections at an initial fee of \$20.00 per cubic yard. This initial fee shall be in effect through December 31, 2014. Beginning January 1, 2015 said fee shall be subject to an annual adjustment based on the applicable provisions of Section 24 of this Contract.

#### **(12) White Goods**

The **Contractor** shall provide pick-up of **White Goods** containing Freon or CPC at no additional charge with the exception of White Goods generated from commercial or other business activities.

### **Section 13. Force Majeure**

Any failure or delay in performance under this Agreement due to contingencies beyond a party's reasonable control, including, but not limited to, strikes, riots, terrorist acts, compliance with applicable laws or governmental orders, fires, catastrophic weather, and acts of God, shall not constitute a breach of this Agreement, but shall entitle the affected party to be relieved of performance under this Agreement during the term of such event and for a reasonable time thereafter (a "Force Majeure Event"). The collection or disposal of any increased volume from a natural disaster or terrorist act over which the Contractor has no control, shall be included as part of the Contractor's service under this Agreement. In the event of such a Force majeure event other than a natural disaster, the Contractor and the Village shall negotiate payment to be made to the Contractor. Charges for natural disaster relief shall be as found in Attachment B of this Agreement. Further, when the Village and the Contractor reach such agreement, then the Village shall grant the Contractor variances in routes and schedules, as deemed necessary, of the Contractor.

### **Section 14. Missed Pick-Up and Complaint Handling**

The Contractor shall provide and maintain a local office and telephone for the receipt of service calls for complaints, and shall be available for such calls on working days Monday through Friday from 8:00 AM to 5:00 PM. All complaints must be given prompt and courteous attention.

The Contractor shall investigate and, if the claim is verified, shall arrange for the pick-up of the Refuse, Recyclables and/or Yard Waste in question within one workday after the complaint is received. Complaints will be forwarded from the Village office when received there and the Contractor will receive those complaints and arrange for pick-up of any materials that have been passed by.

The Contractor shall utilize the Village's Customer Relationship Management (CRM) system, currently MUNIS 311 Connect. The Contractor shall train its employees on the use of the CRM system and electronically process public inquiries, complaints, and service requests sent from the Village through the CRM system.

#### **Section 15. Contingency**

In the event of the Contractor's failure to collect, remove or properly dispose of **Refuse, Yard Waste** or **Recyclables** as herein provided, for a period of five (5) days, the **Village** may at its option and without notice to the Contractor, cause such materials to be collected and disposed of by any other available means, and any and all reasonable expenses incurred by the **Village** in so doing may be charged to and collected from or deducted from amount owing the **Contractor** and, in the event that the **Contractor** does not pay same, charged against the performance bond provided for in Section 18 below.

If the **Contractor** fails to provide service, as provided herein, for a period of more than ten (10) days, provided that such failure is not due to a Force Majeure Event, the **Village**, may, upon written notice to **Contractor**, terminate this Agreement.

#### **Section 16. Independent Contractor**

The **Contractor** hereby acknowledges that it is an independent Contractor and that none of its employees, agents or assigns are employees of the **Village**. The **Contractor** shall be solely responsible for all unemployment, social security and other payroll tax payments required by law or union contract.

#### **Section 17. Indemnification**

The **Contractor** shall indemnify, defend and save harmless the **Village**, its trustees, officers, agents, employees, representatives and assigns, from lawsuits, actions, costs (including reasonable attorneys' fees), expenses, claims or liabilities of any character, including, as allowed by law, liabilities incurred due to negligence of the **Contractor**, brought because of any injuries or damages received or sustained by the **Village** or any person, persons, or property on account of any negligent act or omission, neglect or misconduct of said **Contractor**, its officers, agents and/or employees arising out of; or in performance or non- performance of any of the provisions of the Contract, including any claims or amounts recovered for any infringements of patent, trademark or copyright. **In connection** with any such claims, lawsuits, actions or liabilities, the **Village**, its officers, agents, employees, representatives and their assigns shall have the right to defense counsel of their choice in the event that a conflict exists which prevents the same defense counsel from representing the **Contractor** and the **Village** or its officers, agents, employees, representatives or assigns.

#### **Section 18. Performance Bond**

The **Contractor** shall maintain a performance bond in the amount of \$50,000 from a reputable surety to guarantee the faithful performance of the Contract. The performance bond shall be prepared in a format approved by the Village Attorney.

#### **Section 19. Insurance**

The **Contractor** shall procure and maintain for the duration of the Contract, the following minimum insurance coverage:

- (a) Workers' Compensation Insurance as prescribed by the laws of the State of Illinois;
- (b) Employers' Liability Insurance, with limits of not less than \$1,000,000 per occurrence;

- (c) Comprehensive General Liability Insurance and Comprehensive Automobile Liability Insurance, each with limits of not less than \$1,000,000 for property damages; \$1,000,000 for bodily injury or death of any one person and \$2,000,000 coverage per **occurrence**.
- (d) Umbrella Coverage in the amount of \$5,000,000.

The Contractor shall furnish to the Village satisfactory proof of coverage of the above insurance requirements, by a reliable company or companies, with a rating of A- or better, before commencing the performance of services under this Agreement. Such proof shall consist of certificates executed by the respective insurance companies or their representative and filed with the Village attesting to the respective insurance coverage for the full term of the Agreement. Said certificates shall contain a clause to the effect that, for the duration of the Contract, the insurance policy/policies, shall not be canceled except after written notification at least thirty (30) days in advance to the Village. In addition, said certificates shall list the Village, and its officers, agents and employees as additional insureds on all required insurance policies, via blanket additional insured endorsements.

#### **Section 20. Licenses and Taxes**

The Contractor shall be responsible for obtaining all licenses and permits necessary for the successful performance of the Contract. The Contractor shall also pay all Federal, State and local taxes, including sales tax, social security, Workers' Compensation, unemployment insurance and any other tax, which may be chargeable against labor, material, equipment or real estate.

If during the term of the Contract, there is the creation of a new tax, fee or surcharge or a substantial decrease or increase in an existing Federal, State or local tax, fee or surcharge, the Contractor shall provide a detailed written notice to the Village, in writing of the change in taxes, fees or surcharges and the manner in which the changes effect the cost of services and the Contractor's proposed response to that effect. Within 30 days after receipt by the Village of the Contractor's notice, the Contractor and the Village shall meet to discuss the changes in the cost of services and determine what change, if any, is necessary and appropriate to the fees and charges in this Contract and the timing and method of implementing any such change. The Contractor and the Village agree to negotiate in good faith relating to the services affected by these changed costs, not to be unreasonably withheld. The Village may request any documentation necessary from the Contractor to assist with the analysis of the impact.

#### **Section 21. Compliance with Applicable Laws**

Contractor agrees to comply at all times with all applicable laws, ordinances and regulations of the Village, County of DuPage, State of Illinois, and the United States. The Contractor agrees and warrants to comply with the applicable Local, State and Federal laws and requirements concerning equal employment opportunities. This Contract is subject to and governed by the Rules and Regulations of the Illinois Human Right Act.

If during the term of the Agreement, there is the change in Federal, State or local law, that requires a change in service under this Agreement, the Contractor shall provide a detailed written notice to the Village, in writing of the manner in which the changes affect the cost of services and the Contractor's proposed response to that effect. Within 30 days after receipt by the Village of the Contractor's notice, the Contractor and the Village shall meet to discuss the changes in the cost of services and determine what change, if any, is necessary and appropriate to the fees and charges in this Contract and the timing and method of implementing any such change, not to be unreasonably withheld. The Contractor and the Village agree to negotiate in good faith relating to the services affected by these changed costs, The Village may request any documentation necessary from the Contractor to assist with the analysis of the impact.

#### **Section 22. Wage Rates**

The Contractor shall pay all of its drivers in accordance with its collective bargaining agreement with Teamsters Local 731.

#### **Section 23. Public Awareness**

Upon request of the **Village**, the **Contractor** shall also make available personnel for presentations at meetings or other similar gatherings to explain or reinforce the collection program throughout the term of the Contract. The **Village** retains the right to approve all materials to be delivered by the **Contractor** to **Village** residents including, but not limited to, door hangers, leaflets, fliers, etc.

## **Section 24. Escalator Clause**

### **A. Escalator Clause**

Effective January 1, 2015, and each anniversary thereof; the **Contractor** shall be entitled to an annual increase in the rates set forth for **Residential** properties in this Contract, with said increase to being equal to the average percentage change in the U.S. City Transportation Index (1982-84=100-CUUR0000SAT) as published by the United States Department of Labor for June for the most recent ten (10) years. Notwithstanding, said increase shall not be less than two (2) percent or more than five (5) percent. The **Village** at the request of the **Contractor** may grant additional increases; however, the **Village** is not obligated to grant additional increases. An illustration showing the sample calculation of the annual increase is found in Attachment D.

### **B. Residential Escalator Clause Documentation**

No rate adjustment shall be made without written documentation, justifying said adjustment, being first tendered by the **Contractor** to the **Village**.

### **C. Senior Citizen Discount**

The Village and the Contractor agree to re-negotiate unit prices in the event that the number of senior citizen rate customers equals or exceeds twenty (20) percent of curbside residential collection units.

## **Section 25. Title to Waste**

Title to and liability to Unacceptable Waste shall at no time pass to the Contractor.

## **Section 26. Assignment**

The **Village** and **Contractor** each binds itself and its partners, successors, executors, administrators and assigns to the other party of this Agreement and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Agreement. Except as set forth above, neither the Village nor the Contractor shall assign, sublet or transfer its interest in this Contract without the prior written consent of the other. Permission to assign the Contract to another subsidiary of the Contractor's parent company shall not be unreasonably withheld.

## **Section 27. Notification**

All notices or communications provided for herein shall be in writing and shall be delivered to the **Village** or **Contractor** either in person or by United States mail, via certified mail, return receipt requested, postage prepaid, addressed to the Village as follows:

**Mr. Michael Cassady**  
**Village Manager**  
**Village of Bensenville**  
**12 S Center Street**  
**Bensenville, Illinois 60106**

or addressed to the **Contractor** as follows:

**General Manager  
Allied Waste Services of North America LLC  
2101 S. Busse Road  
Mt. Prospect, Illinois 60056**

until and unless other addresses are specified by notice given in accordance herewith.

#### **Section 28. Governing Laws**

The laws of the State of Illinois shall govern this Agreement and the application of the terms contained herein. Venue shall lie with the Circuit Court of the Eighteenth Judicial Circuit, Wheaton, DuPage County, Illinois.

#### **Section 29. Severability**

The invalidity or unenforceability of any of the provisions of the Agreement shall not affect the validity or enforceability of the remainder of this Agreement.

#### **Section 30. Agreement Parts**

This Contract may be executed in any number of counterparts, each of which shall be executed by the **Village** and the **Contractor** and all of which shall be regarded for all purposes as one original and shall constitute and be but one and the same.

#### **Section 31. Amendments**

All amendments to this Contract must be in writing and signed by all parties hereto.

In Witness Whereof, the parties have caused this Agreement to be executed by the proper officers pursuant to authorization by the Board of Trustees of the Village and by the Contractor.

**SUPPLEMENTAL CHARGES**

Construction and Demolition Debris- \$20.00 per cubic yard

Commercial Bulk Materials- \$20.00 per cubic yard

Container Rental- One (1), one and half (1 ½) or two (2) cubic yard containers- \$14.99/month

Container Rental- Four (4), six (6), eight (8) or ten (10) cubic yard containers- \$19.99/month

Multi-family extra pick-up charge- \$3.25/unit per month for extra weekly collection

## **Attachment B**

### **Natural Disaster Clean-up**

At the written request of the Village Manager, the Contractor shall supply clean-up activities at an hourly rate plus disposal costs. For 2013 and 2014, the hourly rate would be \$130.00 per hour for a truck and driver with an additional hourly charge of \$61.00 for a helper if required. Disposal will be at \$56.00 per ton. These rates and fees shall be adjusted each year on January 1<sup>st</sup> commencing on January 1, 2015, based on Escalator Clause found in Section 26 of the Contract. Hours will be calculated based on the additional hours required to perform these services. An average of the driver hours used to perform the regular service for four weeks before natural disaster clean-up will be deducted from the driver hours.

During the weeks when natural disaster clean-up is provided. Disposal will be calculated based on the additional tons or cubic yards of material collected. An average of the disposal tons used to perform regular service will be deducted for four weeks before natural disaster clean-up will be deducted from the disposal tons during the weeks during the weeks when natural disaster clean-up is provided.

The Contractor shall provide documentation to substantiate services provided.

**TYPE:**  
Resolution

**SUBMITTED BY:**  
Chief Frank Kosman

**DEPARTMENT:**  
Police

**DATE:**  
July 16, 2013

**DESCRIPTION:**

Resolution to Approve an Intergovernmental Agreement between the Village of Bensenville and Bensenville Elementary School District No. 2

**SUPPORTS THE FOLLOWING APPLICABLE VILLAGE GOALS:**

<input checked="" type="checkbox"/>	<i>Financially Sound Village</i>	<input type="checkbox"/>	<i>Enrich the lives of Residents</i>
<input type="checkbox"/>	<i>Quality Customer Oriented Services</i>	<input type="checkbox"/>	<i>Major Business/Corporate Center</i>
<input checked="" type="checkbox"/>	<i>Safe and Beautiful Village</i>	<input type="checkbox"/>	<i>Vibrant Major Corridors</i>

**COMMITTEE ACTION:**

Public Safety Committee - APPROVED (6-0)

**DATE:**

June 18, 2013

**BACKGROUND:**

Bensenville School District #2 approved an intergovernmental agreement with the Village for having a school resource officer assigned to the district for the upcoming school year. The Intergovernmental Agreement is the same as last year's except that the personnel costs have been updated and reflect the salary and benefits package of the selected officer, David Irving. A job description is attached for the school resource officer to explain the purpose of the position and the officer's duties.

**KEY ISSUES:**

In summary, the intergovernmental agreement includes the following provisions:

- The agreement would be for one year and could be cancelled by either party with a 60-day notice.
- The officer would be assigned as the resource officer for the School District for days that school is in session (about 179 days per year).
- In total, District 2's reimbursement cost to the Village is \$82,782 for the upcoming school year.

**ALTERNATIVES:**

1. Approve a Resolution to Authorize the Intergovernmental Agreement.
2. Discretion of the Board.

**RECOMMENDATION:**

District 2 and the Police Department have found it satisfactory to have a School Resource Officer for the past 6 years. Both staffs recommend that the position be filled by an officer for the upcoming school year.

**BUDGET IMPACT:**

When not assigned to the school, the officer would be assigned to either patrol or investigations depending on what best meet the needs of the department at that time. The position was included in this fiscal year's budget. The annual salary and benefits of the school resource officer is \$110,994. At 70%, the school will reimburse the Village for \$77,696. The annual equipment cost is \$6,666 and the uniform cost is \$600. The 70% school reimbursement for those costs is another \$5,086. The total reimbursement is \$82,782.

**ACTION REQUIRED:**

Approval of a resolution authorizing the Village President to execute the Intergovernmental Agreement.

Resolution

# Village of Bensenville Police Department

100 N. Church Road  
Bensenville, IL. 60106  
Ph (630) 350-3455 Fax (630) 350-0855

**Job Title:** School Resource Officer (District 2)

## **Job Purpose:**

Coordinate a collaborative effort between the Village of Bensenville, School District 2, and the Police Department to provide a safe and secure educational environment in the District 2 school system.

## **Job Context:**

The officer will work in a cooperative effort with District administration, principals, assistant principals, counselors, and other staff with a prevention orientation to promote a positive learning environment and foster positive relationships with students and employees. The officer will serve as law enforcement related resource for school staff, students, and their families.

The School Resource officer also assists in protecting the school districts campus and the persons using their facilities. Therefore, the school resource officer's work involves an element of personal danger and the authority to use deadly force.

**Reports to:** Detective Commander but will work in a cooperative effort with the school district staff. The Resource officer will report conflicts in direction to both the school's principal and the detective commander. They will be resolved through consultation between the school district and the police department.

**Supervises:** No supervisory responsibility

## **Job Duties:**

- To protect lives and property for the citizens and public school students.
- To enforce federal, state and local laws and ordinances, and to assist school officials with the enforcement of District 2 policies and administrative regulations regarding student conduct.
- To investigate criminal activity committed on or adjacent to school property.

- To counsel students in special situations, such as students suspected of engaging in criminal misconduct, when requested by the principal or the principal's designee or by the students' parents.
- To answer questions that students may have about criminal or juvenile law.
- To assist other law enforcement officers with outside investigations concerning students attending the school to which the school resource officer is assigned.
- To provide security for special school events or functions, such as dances, at the request of the principal.
- To reaffirm their roles as law enforcement officers by wearing their uniforms, unless doing so would be inappropriate for scheduled school activities.
- To develop expertise in presenting various crime-related subjects and make presentations on the topics at the request of school staff.
- To foster positive relationships with students.
- To complete reports in a timely manner.

### **Knowledge, Skills, and Abilities:**

- Knowledge of federal and state laws and local ordinances especially those related to youth.
- Knowledge of Village policies, geography, buildings, street systems, and special areas requiring pre-crime knowledge or special crime prevention techniques.
- Knowledge of the behavior of criminals and juvenile delinquency their causes.
- Knowledge of Village department functions.
- Knowledge of available community resources.
- Ability to analyze situation and to act quickly, calmly, and effectively under emergency and other stressful circumstances.
- Ability to establish and maintain effective working relationships with other employees, officials, and the general public.
- Ability to communicate effectively both orally and in writing.
- Ability to understand and empathize with youth and their problems and concerns.
- Ability to resolve conflict
- Excellent problem solving skills
- Sound judgment and decision making skills
- Self-motivated and able to work with minimal supervision
- Ability to perform public speaking
- Excellent attendance record
- Adaptability and flexible with ability to interact effectively and productively with police department and school staff, students, and their parents

INTERGOVERNMENTAL COOPERATION AGREEMENT BETWEEN  
THE VILLAGE OF BENSENVILLE AND BENSENVILLE  
ELEMENTARY SCHOOL DISTRICT No. 2

This agreement is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2013, by and between the VILLAGE OF BENSENVILLE, DuPage and Cook Counties, Illinois (“the Village”), and the BOARD OF EDUCATION OF BENSENVILLE ELEMENTARY SCHOOL DISTRICT NO. 2, DuPage County, Illinois (“the School District”).

*WITNESSETH:*

WHEREAS, Article VII, Section 10 of the Illinois Constitution provides that units of local government and school districts may contract to share services through intergovernmental agreements; and

WHEREAS, the Illinois Intergovernmental Cooperation Act (5/ILCS 220/1, et seq.) provides that public agencies may share powers through intergovernmental agreements; and

WHEREAS, the Village is a unit of local government (as defined in Article VII, Section 10 of the Illinois Constitution) and a public agency (as defined in Section 2 of the Illinois Intergovernmental Cooperation Act), and the School District is a school district (as identified in Article VII, Section 10 of the Illinois Constitution) and a public agency (as defined in Section 2 of the Illinois Intergovernmental Cooperation Act); and

WHEREAS, the School District desires to have a police officer (hereinafter referred to as a “Resource Officer”) posted at the School District’s schools during the school year; and

WHEREAS, the Village has determined it to be appropriate to provide the services of a Resource Officer at the School District’s schools;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Village and School District agree as follows:

1. Payment:
  - a. The School District hereby agrees to reimburse the Village for 70% of the annual salary and benefits of one Resource Officer, and the School District hereby agrees to reimburse the Village for 70% of the annual equipment costs of one Resource Officer, as itemized in attached Exhibit A. The annual salary, benefits, and equipment costs hereinafter are collectively referred to as “Annual Costs.”

- b. The School District agrees to submit payment for its reimbursement obligations relating to Annual Costs, as follows: During each school year, said payment for the school year shall be made in advance, in four equal installments, on September 1, November 1, January 1, and March 1.
    - c. In addition, the School District hereby agrees to reimburse the Village for the following additional expenditures, as itemized in the attached Exhibit B: (1) 70% of the cost of the Resource Officer's annual uniform allowance. Uniform costs are hereinafter referred to as "Additional Expenditures."
    - d. Additional Expenditures shall be invoiced to the School District by the Village. Upon receipt by the School District of an invoice for an Additional Expenditure, the School District shall reimburse the Village within 30 (thirty) days of receipt of said invoice.
2. SERVICES: The Village shall assign one Resource Officer to the School District's schools during the scheduled school year. The Resource Officer shall be assigned to the School District's schools from 9:00 AM until 5:00 PM on all days of student attendance and three additional in-service days, for a total of 179 days. If the School District needs the Resource Officer adjust his or her hours to meet a specific need such as to testify at student discipline or expulsion hearings, the Resource Officer's hours shall be adjusted accordingly. There shall be no additional charge to the School District for the change.
3. INDEMNIFICATION:
  - a. The Village agrees to indemnify, defend, and hold harmless the School District and its board members, employees, volunteers, and agents, from and against any claims, demands, complaints, judgments, fines, damages, penalties, liabilities, costs and expenses (including reasonable attorney fees), arising from or caused by, in whole or in part, the intentional or negligent acts or omissions of the Village or the Resource Officer or any other employee, volunteer or agent of the Village, except to the extent that such claims, demands, complaints, judgments, fines, damages, penalties, liabilities, costs and/or expenses arise from or are caused by the intentional or negligent acts or omissions of the School District or its employees, volunteers or agents.
  - b. The School District agrees to indemnify, defend, and hold harmless the Village and its board members, employees, volunteers, and agents, from and against any claims, demands, complaints, judgments, fines, damages, penalties, liabilities, costs and expenses (including reasonable attorney fees), arising from or caused by, in whole or in part, the intentional or negligent acts or omissions of the School District or any other employee, volunteer or agent of the School District, except to the extent that such claims, demands, complaints, judgments, fines, damages, penalties, liabilities, costs and/or expenses arise from or are caused by the intentional or negligent acts or omissions of the Village or the Resource Officer or any other employee, volunteer or agent of the Village.
  - c. The Village and the School District are not limiting or waiving any rights or available defenses, including those under the Tort Immunity Act.

4. PURPOSE/EMPLOYMENT: The overall purpose of the Resource Officer shall be to assist other school officials in maintaining a proper educational environment for the School District's students. However, the Resource Officer is and shall remain an employee of the Village, and shall be supervised through the Police Department. All activities of the Resource Officer shall be undertaken as an employee of the Village, pursuant to all applicable laws and Police Department rules and regulations.
5. ADDITIONAL SERVICES: The posting of a Resource Officer does not relieve the Village from providing such police protection or police services as may be necessary from time to time in exercise of its police power for protection of health, safety, and welfare of the public.
6. ENTIRE AGREEMENT: This instrument contains the entire Agreement between the parties, and no statements, promises, or inducements made by either party that is not contained within the body of this written Agreement shall be valid or binding; and this Agreement may not be modified or amended, except in writing signed by the parties and endorsed hereon.
7. NOTICES: For purposes of notice, the addresses of the parties are as follows:

If to the Village: Village Manager  
Village of Bensenville  
12 S. Center St.  
Bensenville, IL 60106

With copies to: Chief of Police  
Bensenville Police Department  
100 N. Church Rd.  
Bensenville, IL 60106

If to the School District: Superintendent  
Bensenville Elementary School  
District No. 2  
210 S. Church Rd..  
Bensenville, IL 60106

With Copies to: Dawn M. Hinkle  
Canna and Canna, Ltd.  
10703 West 159<sup>th</sup> St.  
Orland Park, IL 60467

8. GOVERNING LAW: It is mutually understood and agreed that this Agreement shall be governed by the laws of the State of Illinois, both as to interpretation and performance.
9. SEVERABILITY: It is understood and agreed by the parties hereto that if any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the State of Illinois, the validity of the remaining portion

or provisions shall not be affected and the rights and obligations of the parties shall be enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

10. EFFECTIVE DATE/TERMINATION: This Agreement shall take effect on the \_\_\_\_\_ day of \_\_\_\_\_, 2013, and shall continue in force and govern all transactions between the parties hereto for one (1) year or until cancelled or terminated by either party; but it is agreed that either party shall have the privilege to cancel and annul this Agreement for any reason or no reason sixty (60) days after providing the other party by written notice by registered mail or personal delivery of notice to the other party evidencing the intention to terminate this Agreement.

IN WITNESS WHEREOF, the Village and the School District have caused this Agreement to duly executed on the dates set forth below.

---

**COMMITTEE ACTION:**  
I&E Standing Committee

**DATE:**  
July 16, 2013

---

**BACKGROUND:**

Each year the Village is required to acquire NPDES Permits from the Illinois Environmental Protection Agency (IEPA). NPDES stands for National Pollutant Discharge Elimination System. These permits are necessary for agencies that operate either storm sewer or sanitary sewer collection and/or treatment systems. The Village holds a number of these permits for our individual systems.

**KEY ISSUES:**

The Wastewater Treatment Plant NPDES Permit totals \$17,500, which is above staff's authorization limit. Thus we are bringing this expense to the Village Board for formal authorization. Due to the ministerial nature of this payment, the item is being placed directly on the Standing Committee agenda.

**ALTERNATIVES:**

Discretion of the Village Board

**RECOMMENDATION:**

Staff recommends authorization to pay the permit.

**BUDGET IMPACT:**

\$17,500 total permit fee. This item was included in the FY2013 budget.

**ACTION REQUIRED:**

Approve a Resolution authorizing payment to the Illinois Environmental Protection Agency (IEPA) for our annual Wastewater Treatment Plant NPDES Operating Permit in the amount of \$17,500.00

**ATTACHMENTS:**

**RESOLUTION NO.**

**AUTHORIZING PAYMENT TO  
THE ILLINOIS ENVIRONMENTAL PROTECTION AGENCY FOR OUR  
ANNUAL WASTEWATER TREATMENT PLANT NPDES OPERATING  
PERMIT IN THE AMOUNT OF \$17,500.00**

WHEREAS the Village of Bensenville, owns and operates a wastewater treatment facility, and

WHEREAS the Illinois Environmental Protection Agency requires agencies that operate storm water collection systems, sanitary sewer collection systems, and wastewater treatment plants to obtain a National Pollutant Discharge Elimination System (NPDES) permit, and

WHEREAS the cost of the permit for the Village of Bensenville Wastewater Treatment Facility exceeds staff's authorization limit of \$10,000.

BE IT RESOLVED by the President and Board of Trustees of the Village of Bensenville, Counties of DuPage and Cook, Illinois as follows:

THAT the Village Board authorizes the Village Manager to execute a purchase order and other associated documents to the Illinois Environmental Protection Agency for our NPDES Permit in the amount of \$17,500.00.

PASSED AND APPROVED by the President and Board of Trustees of the Village of Bensenville, Illinois, \_\_\_\_\_, 2013.

**COMMITTEE ACTION:**

I&E Standing Committee

**DATE:**

July 16, 2013

**BACKGROUND:**

The Volk Brothers CDBG Project – Phase III will convert the rural roadway cross section to an urban roadway cross section on Wood Avenue between Henderson St and IL-83. The project will include the installation of new watermain, storm sewer, curb and gutters, driveway aprons, sidewalks, and a widened asphalt roadway.

Funding for this project (30% project costs up to \$400,000) is being provided through the Federal Community Development Block Grant (CDBG) program administered by DuPage County. Phase III follows our original Phase II project that was completed last year which included Henderson St, Foley St and portions of Wood Ave. Phase I project that was completed in 2009 and included Wood and Ellis.

Design engineering was performed by James J. Benes and Associates. The project was advertised for construction on June 14, 2013 with a bid opening on June 28, 2013. The cost estimate provided by the design engineers is approximately \$1,376,170.00

**KEY ISSUES:**

Bids were received on June 28, 2013 for the project. Out of the Sixteen (16) plan holders eight (8) contractors submitted bids. Bolder Contractors submitted the lowest bid. A summary of the results is included below.

Contractor	Total Bid	Rank
<b>Bolder Contractors</b>	<b>\$1,320,013.30</b>	<b>1</b>
City Construction	\$1,350,743.16	2
Copenhaver Construction	\$1,368,990.00	3
A-Lamp Concrete	\$1,380,241.00	4
J. Congdon Sewer	\$1,418,661.90	5
M.Q. Sewer & Water	\$1,433,095.30	6
John Neri Construction	\$1,558,891.50	7
Maneval Construction	\$1,653,748.28	8
<i>Engineer's Estimate</i>	<i>\$1,376,170.00</i>	

**ALTERNATIVES:**

- Discretion of the Village Board

**RECOMMENDATION:**

Award to Bolder Contractors in the amount of \$1,320,013.30.

**BUDGET IMPACT:**

Sufficient funding in CY 2013 has been included for this project. Capital funds (\$1,175,000.00) and water fund

(\$525,000)

**ACTION REQUIRED:**

Resolution authorizing award of a construction contract to Bolder Contractors. for the Volk Brothers CDBG Project – Phase III in the amount of \$1,320,013.30

**Resolution No.**

**Authorizing the Execution of a Construction Contract for the  
Volk Brothers CDBG Project (Wood Ave) – Phase III  
with Bolder Contractors, Inc. of Deerfield, IL  
in the amount of \$1,320,013.20**

WHEREAS the Village of Bensenville has identified the Volk Brothers Subdivision as an area in need of roadway improvements, and

WHEREAS the Village of Bensenville seeks to install new sidewalks, curb and gutter, driveway aprons, storm sewer, and a widened asphalt roadway, and

WHEREAS similar improvements were constructed for Phase I in 2009, and

WHEREAS Phase II improvements were constructed in the year 2012, and

WHEREAS the Village of Bensenville has received grant funding (costs up to \$400,000) through the Federal Community Development Block Grant (CDBG) Program administered through the DuPage County EDC, and

WHEREAS Bolder Contractors, Inc. of Deerfield, IL submitted the lowest responsible bid at the June 28, 2013 bid opening.

BE IT RESOLVED by the President and Board of Trustees of the Village of Bensenville, Counties of DuPage and Cook, Illinois as follows:

THAT the Village Board authorizes the execution of a construction contract for the Volk Brothers CDBG Project – Phase III with Bolder Contractors, Inc. of Deerfield, IL in the amount of \$1,320,013.20, and

THAT the Village Board authorizes the Village Manager to execute a purchase order and other associated documents necessary.

Wood Av. Water Main and Street Improvements

Street Improvements

Water Main Replacement

**JAMES J. BENES AND ASSOCIATES, INC.**  
**CONSULTING ENGINEERS**

July 2, 2013

Mr. Joseph Caracci  
Director of Public Works  
Village of Bensenville  
717 East Jefferson Street  
Bensenville, IL 60106

Re: Village of Bensenville  
Wood Avenue CDBG Reconstruction and Water Main Replacement Project  
Project 1415

Dear Mr. Caracci:

On June 28, 2013 at 11:00 A.M., the Village of Bensenville received and opened eight (8) bids submitted for the **Wood Avenue CDBG Reconstruction and Water Main Replacement Project**. All opened bids contained a proposal bid bond in the required amount of 10% of the total bid. Attached is a Summary of Bids listing each pay item, the unit price bid and the total cost from each bidder. We have examined each proposal and found a calculation error in one (1) of the bids.

Eight (8) bidders submitted bids for the following amounts:

1) Bolder Contractors	\$1,320,013.30	
2) City Construction	\$1,350,743.16	
3) Copenhaver Construction	\$1,368,990.00	
4) A Lamp Concrete Contractors	\$1,380,241.00	
5) J. Congdon Sewer Service	\$1,418,661.90	
6) M.Q. Sewer & Water	\$1,433,095.30	
7) John Neri Construction	\$1,558,891.50	
8) Maneval Construction	\$1,653,748.28	<b>(As Read = \$1,661,601.68)</b>

The lowest bid was submitted by Bolder Contractors of Deerfield, IL. Their proposal in the amount of \$1,320,013.30 is 4.1% less than our engineer's estimate of \$1,376,500.00.

In accordance with the Bid Documents, Bolder Contractors has submitted its IDOT Certificate of Eligibility and Bid Bond.

Since our firm doesn't have personal experience working with Bolder Contractors, we requested and received a list of references (attached). We contacted several of the references and all of them have found Bolder to be a capable contractor on similar projects. Based on our review of the bid package and reference checks, it is our opinion that Bolder Contractors is qualified to perform the work.

It is our recommendation that the contract for the construction Wood Avenue CDBG Reconstruction and Water Main Replacement Project be awarded to Bolder Contractors of Deerfield in the amount of \$1,320,013.30.

If you should have any questions concerning our review of the proposals, please contact us at (630) 719-7570.

Sincerely,

JAMES J. BENES AND ASSOCIATES, INC.

**TYPE:**  
Ordinance

**SUBMITTED BY:**  
Joe Caracci

**DEPARTMENT:**  
Public Works

**DATE:**  
July 16, 2013

**DESCRIPTION:**

Ordinance Authorizing the Village of Bensenville to Borrow Funds from the IEPA Water Pollution Control Loan Program Fund

**SUPPORTS THE FOLLOWING APPLICABLE VILLAGE GOALS:**

<input checked="" type="checkbox"/>	<i>Financially Sound Village</i>	<input checked="" type="checkbox"/>	<i>Enrich the lives of Residents</i>
<input checked="" type="checkbox"/>	<i>Quality Customer Oriented Services</i>	<input type="checkbox"/>	<i>Major Business/Corporate Center</i>
<input checked="" type="checkbox"/>	<i>Safe and Beautiful Village</i>	<input type="checkbox"/>	<i>Vibrant Major Corridors</i>

**COMMITTEE ACTION:**

I&E Standing Committee

**DATE:**

July 16, 2013

**BACKGROUND:**

The Village of Bensenville owns a 4.7 MGD Wastewater Treatment Plant (WWTP). The plant was built and put into operation in 1947. Much of the original equipment is still in use, however, some of the treatment equipment are beyond their serviceable life. The Village recently completed the WWTP Facility Plan to outline a plan to upgrade our facility to last for the next 20-30 years.

Strand Associates was hired by the Village to perform detailed design of the WWTP Upgrade. Over the past nine months, Strand has completed the design plans and specifications and we are currently prepared to advertise the project for bid.

**KEY ISSUES:**

The Village intends to utilize the IEPA Water Pollution Control Loan Program to fund the project. There are many steps required in securing the loan, one of which is the passage of an Ordinance authorizing the Village to borrow funds from the Program. The attached Ordinance sets forth said authorization as well as sets the maximum level of funds to be borrowed.

The latest construction cost estimate for the project is \$27.2 million. Construction Engineering services is anticipated to be approximately 9%, or \$2.5 million. The proposed Ordinance identifies \$30 million as the maximum loan amount. We are hopeful in very competitive bidding on this project and for the prices to come in below the engineer's estimate.

The current loan rate through the IEPA Program is 1.93% for the available 20 year loan. This is a significantly lower rate (more than 1/2) than the bond market price. At the current open market GO Bond rate of 4.39%, the savings in interest over the life of the loan would be around \$8,938,961. The annual payments would be \$1,809,269 (1.93%) versus \$2,256,218 (4.39%). Payback of the loan does not commence until six months after substantial completion of the project, anticipated for December 2015.

**ALTERNATIVES:**

Discretion of the Village Board

**RECOMMENDATION:**

Staff recommends passage of the proposed Ordinance

**BUDGET IMPACT:**

Part of the proposed Ordinance indicates that revenues from the Utilities (specifically sewer) user rates will fund the debt service required to repay the loan. Our ongoing water/sewer rate study is taking this project into consideration as we move forward with a rate ordinance recommendation in the coming months.

If new revenue is necessary to completely fund the loan, we would be looking at approximately \$19/month additional fee for the average 6,000 gallon water consumer. It is our intent to capitalize on competitive bidding,

grant opportunities, and operational savings to reduce this additional cost.

**ACTION REQUIRED:**

Approval of an Ordinance of the Village of Bensenville Authorizing the Village to Borrow Funds from the Water Pollution Control Loan Program Fund

**ATTACHMENTS:**

Name:

[ORD - WWTP Upgade Loan Authorization.pdf](#)

Description:

ORD - WWTP Upgrade Loan Authorization

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE OF THE VILLAGE OF BENSENVILLE  
AUTHORIZING THE VILLAGE TO BORROW FUNDS FROM THE WATER  
POLLUTION CONTROL LOAN PROGRAM FUND**

**WHEREAS**, the Village of Bensenville (hereinafter the “Village”) is a body politic and corporate, organized and existing pursuant to the Illinois Municipal Code, 65 ILCS 5/1-1-1, *et seq.*; and

**WHEREAS**, the Village operates its sewerage system (the “System”) in accordance with the provisions of the Illinois Municipal Code, specifically 65 ILCS 5/11-139-1 *et seq.*, and the Local Government Debt Reform Act, 30 ILCS 350/1 (collectively, the “Act”); and

**WHEREAS**, the President and Board of Trustees of the Village (the “Corporate Authorities”) have determined that it is advisable, necessary and in the best interests of the public health, safety and welfare of the residents of the Village to improve the System, which Project has a useful life of greater than twenty-one (21) years; and

**WHEREAS**, the estimated cost of construction and installing the Project, including the engineering, legal, financial and other related expenses is Thirty Million and 00/100 (\$30,000,000.00), and there are insufficient funds on hand and lawfully available to pay these costs; and

**WHEREAS**, the costs are expected to be paid for with a Loan to the Village from the Water Pollution Control Loan Program Fund through the Illinois Environmental Protection Agency, the loan to be repaid from sewer charges the Village assesses against those who use the Village’s sewer facilities, and the loan is authorized to be accepted at this time pursuant to the Act; and

**WHEREAS**, the Loan shall bear an interest rate as defined in 35 Ill. Adm. Code 365, which does not exceed the maximum rate authorized by the Bond Authorization Act, as amended, 30 ILCS 305/0.01 *et seq.*, at the time of the issuance of the Loan; and

**WHEREAS**, the principal and interest payment shall be payable semi-annually, and the loan shall mature in twenty (20) years, which is within the period of the useful life of the Project; and

**WHEREAS**, in accordance with the provisions of the Act, the Village is authorized to borrow funds from the Water Pollution Control Loan Program Fund in the aggregate principal amount of Thirty Million and 00/100 (\$30,000,000.00) to provide funds to pay the costs of the Project; and

**WHEREAS**, the loan to the Village shall be made pursuant to a Loan Agreement, including certain terms and conditions, between the Village and the Illinois Environmental Protection Agency.

**NOW, THEREFORE, BE IT ORDAINED** by the President and Board of Trustees of the Village of Bensenville, Counties of DuPage and Cook, Illinois, as follows:

**SECTION ONE:** The recitals set forth above are incorporated herein and made a part hereof by reference.

**SECTION TWO:** That it is necessary and desirable that the Village construct the Project for the public health, safety and welfare of its residents and sewer facility users, in accordance with the plans and specifications, as described; that the System continue to be operated in accordance with the provisions of the Act; and that for the purpose of constructing the Project, it is hereby authorized that funds be borrowed by the Village in an aggregate principal amount (which can include construction period interest financed over the term of the Loan) not to exceed Thirty Million and 00/100 (\$30,000,000.00).

**SECTION THREE:** That the Clerk is hereby authorized and directed to publish this Ordinance, together with a Notice in the statutory form (attached hereto as Exhibit "A"), in the Daily Herald, a newspaper published and of general circulation in the Village within ten (10) days after its passage. If no petition, signed by electors numbering ten percent (10%) or more of the registered voters of the Village (*ie.*, 750 or more electors) asking that the question of improving the System as provided in this Ordinance and entering into the Loan Agreement therefore be submitted to the electors of the Village, is filed with the Village Clerk within thirty (30) days after the date of the publication of this Ordinance and notice, then this Ordinance shall be in full force and effect. A petition form shall be provided by the Village Clerk to any individual requesting one.

**SECTION FOUR:** If no petition meeting the requirements of the Act and other applicable law is filed during the 30-day period, then the Corporate Authorities may adopt additional ordinances or proceedings supplementing or amending this Ordinance providing for entering into the Loan Agreement with the Illinois Environmental Protection Agency, prescribing all the details of the Loan Agreement and providing for the collection, segregation and distribution of the revenues of the System so long as the maximum amount of the Loan Agreement as set forth in this Ordinance is not exceeded and there is no material change in the Project or purposes described herein. Any additional ordinances or proceedings shall in all instances become effective in accordance with the Act or other applicable law. This Ordinance, together with such additional ordinances or proceedings, shall constitute complete authority for entering into the Loan Agreement under applicable law.

However, notwithstanding the above, the Village may not adopt additional ordinances or amendments which provide for any substantive or material change in the scope and intent of this ordinance, including but not limited to interest rate, preference, or priority of any other ordinance with this Ordinance, or otherwise alter or impair the obligation of the Village to pay the principal and interest due to the Water Pollution Control Loan Program Fund without the written consent of the Illinois Environmental Protection Agency.

**SECTION FIVE:** Repayment of the Loan to the Illinois Environmental Protection Agency by the Village pursuant to this Ordinance is to be solely from the revenue derived from an increased user charge and the loan does not constitute an indebtedness of the Village within the meaning of any constitutional or statutory limitation.

**SECTION SIX:** The President and Board of Trustees hereby authorize acceptance of the offer of a Loan through the Water Pollution Control Loan Program Fund, including all terms and conditions of the Loan Agreement as well as all special conditions contained therein and made a part hereof by reference. The President and Board of Trustees further agree that the loan funds awarded shall be solely for the purposes of the Project as approved by the Illinois Environmental Protection Agency in accordance with the terms and conditions of the Loan Agreement.

**SECTION SEVEN:** The Village Manager is hereby authorized and directed to make application to the Illinois Environmental Protection Agency for a Loan through the Water Pollution Control Loan Program, in accordance with loan requirements set out in 35 Ill. Adm. Code 365.

**SECTION EIGHT:** As long as the Village has outstanding revenue bonds payable from revenues of the system that are senior to the revenue bonds authorized by this Ordinance, the Village shall maintain an account, coverage and reserves equivalent to the accounts, coverages and reserves required by the outstanding Ordinances.

**SECTION NINE:** If any section, paragraph, clause or provision of this Ordinance is held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

**SECTION TEN:** All ordinances, resolutions or orders, or parts thereof, which conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.

**SECTION ELEVEN:** This Ordinance shall be in full force and effect upon its passage and approval as required by law.

**PASSED AND APPROVED** by the President and Board of Trustees of the Village of Bensenville this \_\_\_\_ day of July 2013.

APPROVED:

\_\_\_\_\_  
Frank Soto, Village President

ATTEST:

\_\_\_\_\_  
Ilsa Rivera-Trujillo, Village Clerk

AYES: \_\_\_\_\_

NAYES: \_\_\_\_\_

ABSENT: \_\_\_\_\_

**NOTICE OF INTENT TO BORROW FUNDS  
AND RIGHT TO FILE PETITION**

NOTICE IS HEREBY GIVEN that, pursuant to Ordinance Number \_\_\_\_\_, adopted on \_\_\_\_\_, 2013, the VILLAGE OF BENSENVILLE, Counties of Cook and DuPage, Illinois (the "Village"), intends to enter into a Loan Agreement with the Illinois Environmental Protection Agency in an aggregate principal amount not to exceed Two Million two Hundred, Fifty Thousand and 00/100 (\$2,250,000.00) and bearing annual interest at an amount not to exceed the maximum rate authorized by law at the time of execution of the Loan Agreement, for the purpose of paying the cost of certain improvements to the sewerage system of the Village. A complete copy of the Ordinance accompanies this Notice.

NOTICE IS HEREBY FURTHER GIVEN that if a petition signed by Seventy-five (75) or more electors of the Village (being equal to 10% of the registered voters in the Village), requesting that the question of improving the sewerage system and entering into the Loan Agreement is submitted to the Village Clerk within 30 days after the publication of this Notice, the question of improving the sewerage system of the Village as provided in the Ordinance and Loan Agreement shall be submitted to the electors of the VILLAGE at the Consolidated Election to be held on March 18, 2014. A petition form is available from the office of the Village Clerk.

Village of Bensenville  
DuPage and Cook Counties Illinois

I, \_\_\_\_\_, of \_\_\_\_\_, Illinois do hereby certify that I am a registered voter of Village of Bensenville and that the signatures on this petition were signed in my presence within the Village of Bensenville, Illinois and in the County of DuPage, Illinois, and are genuine, and, to the best of my knowledge and belief, the persons so signing were at the time of signing this petition registered voters of said Village of Bensenville and that their respective addresses are correctly stated herein.

/s/ \_\_\_\_\_

Subscribed and sworn to before me  
this \_\_\_\_ day of \_\_\_\_\_, 2013.

\_\_\_\_\_  
Notary Public

STATE OF ILLINOIS        )  
  )SS  
COUNTY OF DUPAGE        )

NO REFERENDUM CERTIFICATE

I, the undersigned, do hereby certify that I am the duly qualified, and acting Village Clerk of the Village of Bensenville, DuPage and Cook Counties, Illinois (the “Village”), and as such officer I am the keeper of the books, records, files and journal of proceedings of the Village and of the President and Board of Trustees of the Village.

I do further certify that Ordinance Number \_\_\_\_\_, being the ordinance entitled:

AN ORDINANCE OF THE VILLAGE OF BENSENVILLE  
AUTHORIZING THE VILLAGE TO BORROW FUNDS FROM THE  
WATER POLLUTION CONTROL LOAN PROGRAM FUND.

The Ordinance was presented to and passed by the President and Board of Trustees of the Village at its legally convened meeting held on the \_\_\_\_ day of July, 2013 and signed by the President of the Village on said day.

I do further certify that the Ordinance was duly and properly published in the Daily Herald, a newspaper published and of general circulation within the Village on the \_\_\_\_ day of July, 2013, being a date within ten (10) days from the date of the passage of the Ordinance.

I do further certify that publication of the Ordinance was accompanied by a separate publication of notice of (1) the specific number of voters required to sign the petition requesting the question of constructing improvements to the sewerage systems as provided in the Ordinance; (2) the time in which such petition must have been filed; and (3) the date of the prospective referendum.

I do further certify that I did make available and provide to any individual so requesting a petition form, which petition form provided for submission to the electors of the Village of the question as set forth therein. Such petition forms were available from me continuously from \_\_\_\_\_, 2013, up to and including \_\_\_\_\_, \_\_\_\_\_, 2013.

I do further certify that no Petition has been filed in my office within \_\_\_\_\_ days after publication of the Ordinance or as of the time of the signing hereof as provided by statute asking that the question of improving the sewerage system as provided in the Ordinance, and the Loan Agreement therefore be submitted to the electors of the Village.

IN WITNESS WHEREOF I have hereunto affixed my official signature and the corporate seal of the Village of Bensenville, DuPage County, Illinois this \_\_\_\_\_ day of \_\_\_\_\_, 2013.

---

Village Clerk  
Village of Bensenville  
DuPage and Cook Counties, Illinois

**COMMITTEE ACTION:**

I&E Standing Committee

**DATE:**

July 16, 2013

---

**BACKGROUND:**

The Village intends to utilize the IEPA Water Pollution Control Fund to borrow money at a low interest rate to fund the WWTP Upgrade Project. As with any loan program, there are numerous forms and submittals necessary to complete the application process as well as multiple forms that will require authorized signature during the project phase.

**KEY ISSUES:**

IEPA requires a Resolution be passed by the Village Board that designates the authorized representative to sign the documents. Attached is the proposed Resolution identifying the Village Manager as the authorized representative for the Village of Bensenville.

**ALTERNATIVES:**

Discretion of the Village Board

**RECOMMENDATION:**

Staff recommends approval of the Resolution.

**BUDGET IMPACT:**

N/A

**ACTION REQUIRED:**

Approval of a Resolution Authorizing the Execution of a Loan Agreement with the Illinois Environmental Protection Agency and all Other Documents Related to the Improvement of the Village of Bensenville Sewerage System

**RESOLUTION NO. \_\_\_\_\_**

**A RESOLUTION AUTHORIZING THE EXECUTION OF A LOAN AGREEMENT  
WITH THE ILLINOIS ENVIRONMENTAL PROTECTION AGENCY  
AND ALL OTHER DOCUMENTS RELATED TO THE  
IMPROVEMENT OF THE VILLAGE SEWERAGE SYSTEM**

**WHEREAS**, the Village of Bensenville (hereinafter the “Village”) is a body politic and corporate, organized and existing pursuant to the Illinois Municipal Code, 65 ILCS 5/1-1-1, *et seq.*; and

**WHEREAS**, the Village, pursuant to 65 ILCS 5/2-3-8, is empowered to make all agreements and contracts and to undertake other acts as necessary in the exercise of its statutory powers; and

**WHEREAS**, the Village operates its sewerage system (the “System”) in accordance with the provisions of the Illinois Municipal Code, specifically 65 ILCS 5/11-139-1 *et seq.*, and

**WHEREAS**, the President and Board of Trustees of the Village (the “Corporate Authorities”) have determined that it is advisable, necessary and in the best interests of the public health, safety and welfare of the residents of the Village to improve the System; and

**WHEREAS**, the Corporate Authorities have previously authorized the borrowing of certain funds from the Water Pollution Control Loan Program Fund administered by the Illinois Environmental Protection Agency to cover the cost of construction and installing the Project; and

**WHEREAS**, for the aforesaid reasons, the Village will be required to execute certain Loan Agreements and other documents related to the Project, and it has been determined that it is reasonable, necessary, and desirable to authorize the Village Manager to execute the Loan Agreement the Illinois Environmental Protection Agency and to enter into other contracts related to the Project, upon approval of same by the President and Board of Trustees.

**NOW, THEREFORE, BE IT RESOLVED** by the President and Board of Trustees of the Village of Bensenville, Counties of DuPage and Cook, Illinois, as follows:

**SECTION ONE:** The recitals set forth above are incorporated herein and made a part hereof.

**SECTION TWO:** The Village Manager is hereby authorized and directed to execute on behalf of the Village of Bensenville, and the Village Clerk is hereby authorized to attest thereto, the Loan Agreement between the Village and the Illinois Environmental Protection Agency and to execute all other documents related to the Project, as may be approved and required.

**SECTION THREE:** This Resolution shall take effect immediately upon its passage and approval as provided by law.

**PASSED AND APPROVED** by the President and Board of Trustees of the Village of Bensenville, Illinois, this 16th day of July, 2013.

**COMMITTEE ACTION:**

AF&amp;L Standing Committee

**DATE:**

July 16, 2013

**BACKGROUND:**

Presented for the Board review at this time is a quarterly financial review ending June 30, 2013. The Director of Finance will be giving a presentation on the progress of the current fiscal year through June 30, 2013.

**KEY ISSUES:**

While the presentation will focus on the finances from a high level perspective a more detailed line by line look at the budget is also being provided for the Board to review.

The presentation will focus on the Village as a whole with comparisons of budget to end of year projections; review of major revenue sources and revenue trending; departmental budget review; summary of budget notes (bright spots and areas of concern) and a discussion of any Board comments questions or concerns.

To summarize:

- All departments are projecting under budget.
- In total major revenue sources are stable but sales tax is underperforming by 4.5%.
- Net Revenues over Expenditures are projecting to end the year \$330,000 better than budgeted.
- Potential economic slowdown and the financial condition of the State continue to be potential budgetary threats.

**ALTERNATIVES:**

1. Pass a motion accepting and placing on file the 2nd Quarter Financial Review Report.
2. Discretion of the Board

**RECOMMENDATION:**

Staff recommends passage of the motion.

**BUDGET IMPACT:**

N/A

**ACTION REQUIRED:**

Motion to accept and place on file the 2nd Quarter Financial Review Report.

***2013 Quarterly  
Financial Review  
@ 6/30/2013***

# Village of Bensenville

## 2013 Quarterly Financial Review - Overview

### Comparison Schedule FY 2009 – CY 2013

Village of Bensenville							
Revenue & Expenditure Summary - FY 2009 Actual through FY 2013 Projected							
	FY 2009 Actual	FY 2010* Actual	CY 2011 Actual	CY 2012 Actual	CY 2013 Budget	CY 2013 YTD	CY 2013 Projected
<i>Total Revenues (Net of Transfers)</i>	36,308,813	73,957,622	62,175,628	38,272,924	46,873,469	17,048,773	45,923,539
<i>Total Expenditures</i>	40,448,696	62,145,609	42,398,934	37,631,425	58,995,677	17,281,309	57,715,284
<i>Revenues over(under) Expenditures</i>	(4,139,883)	11,812,013	19,776,694	641,499	(12,122,208)	(232,536)	(11,791,745)

\* FY 2010 is for the 20 month period from 5/1/2009 - 12/31/2010.

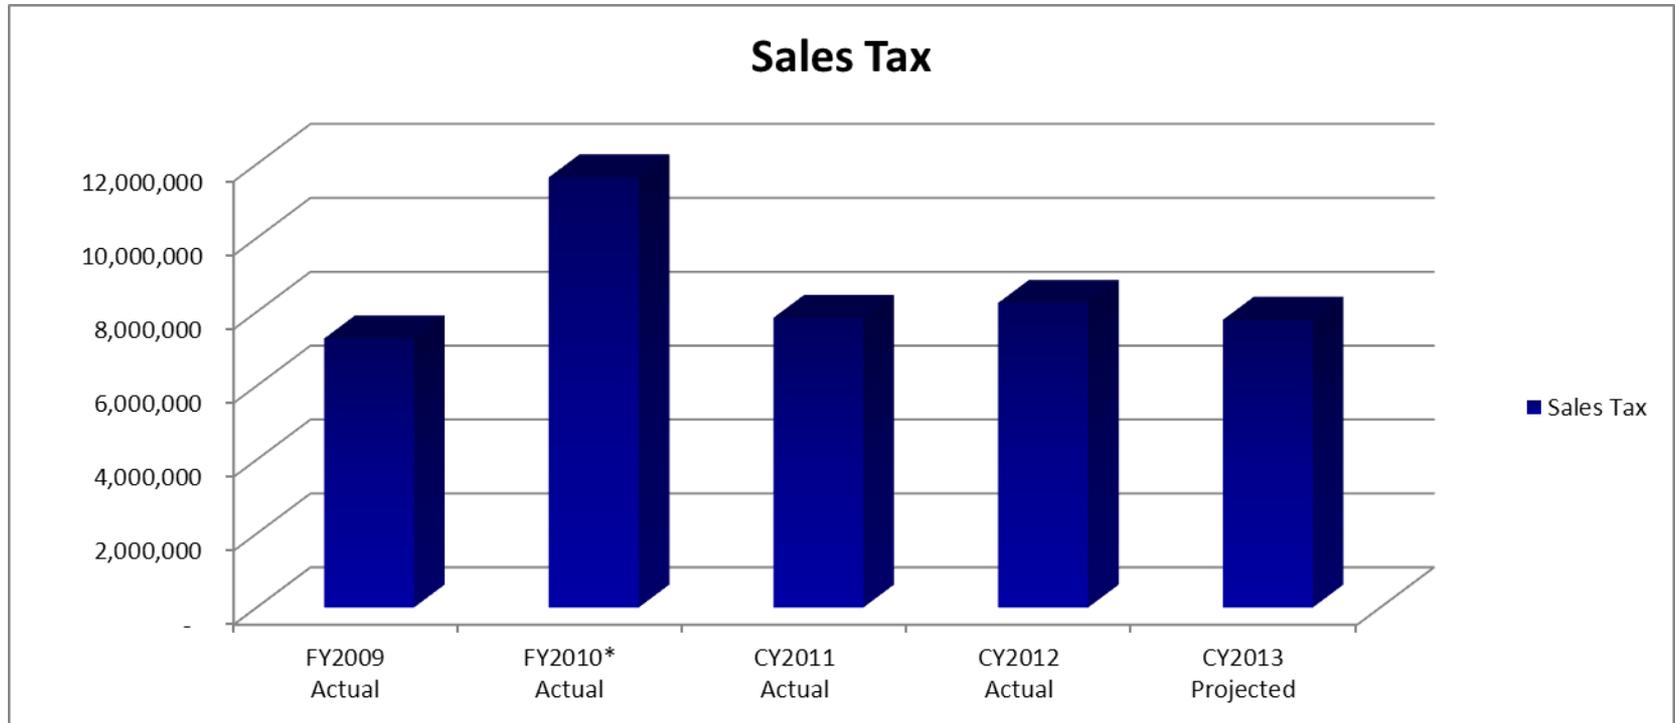

#### NOTES:

- For 2013 we are projecting a Total Net Positive Variance of \$330,000.
- Still early in the year but so far budget is looking good.
- Total Revenues (Net of Transfers) are projecting \$950,000 under budget while Total Expenditures are projecting at \$1.28M under budget. NET = \$330,000 better than budgeted.
- Year to Date (YTD) budget deficit of \$232,536 is consistent with what we expected. A majority of capital spending has not occurred.

## ***2013 Quarterly Financial Review – Revenue Trends***

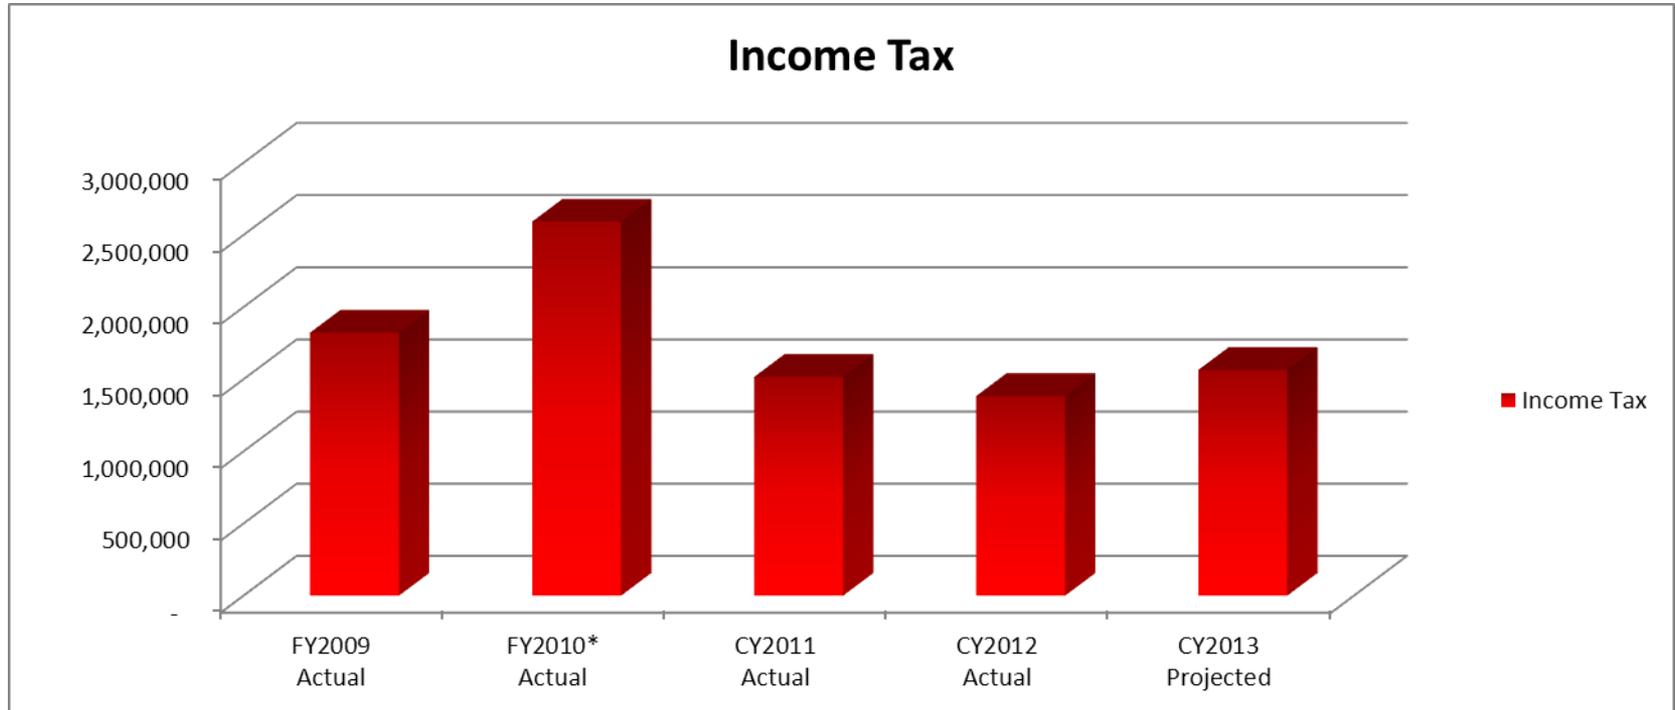

- The following graphs provide revenue trending information for major village revenue sources.

# Revenue Trends

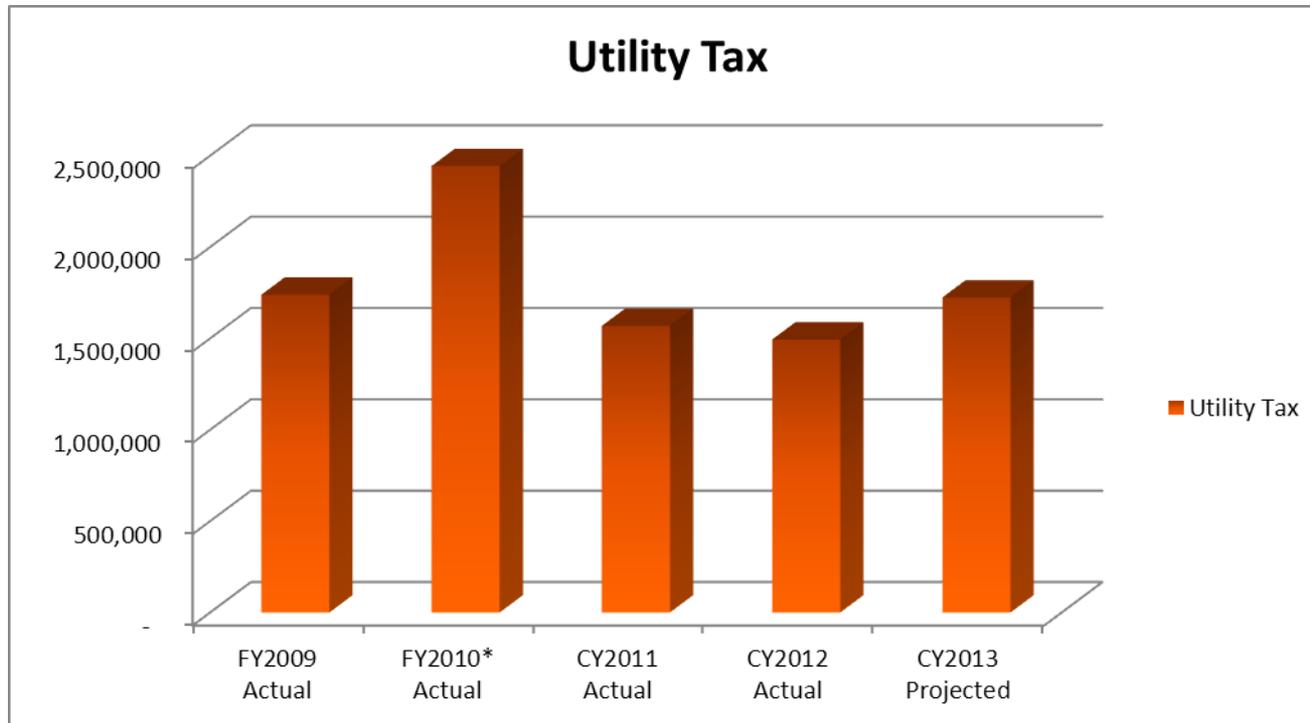

- Sales tax has nicely recovered since the recession.
- 2013 sales tax projections are coming in about 4.5% lower than last year.
- At this time corresponding budget offsets are not needed as a result of the dip in sales tax.

# Revenue Trends

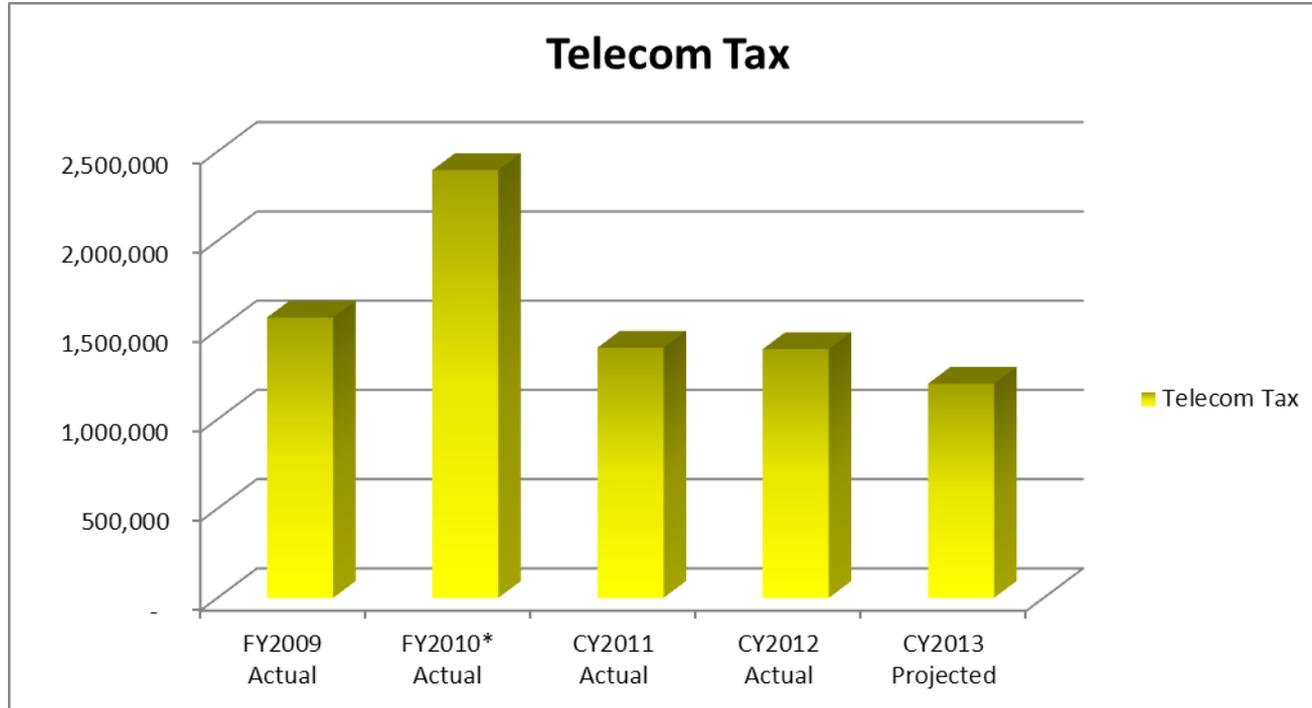

- Based on the latest state remittances income tax is currently projecting to be 13% higher than last year.

# Revenue Trends

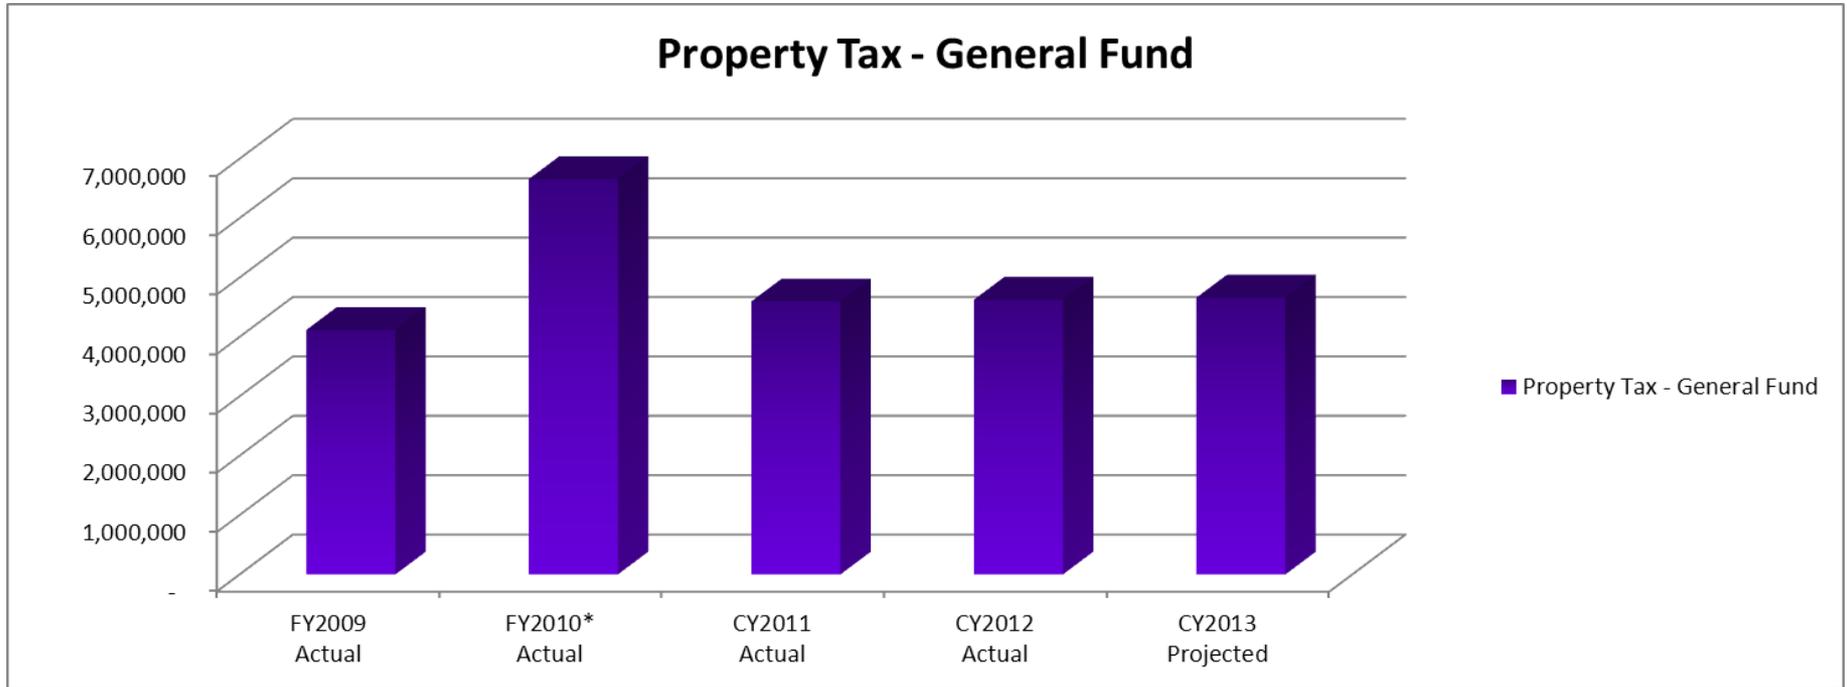

- Utility Taxes bottomed out in 2012 and are currently projecting to increase 15%.

# Revenue Trends

- Telecom taxes are projecting to be down 13%.

# Revenue Trends

- Property taxes continue to be a stabilizing revenue source are projected to increase less than 1% in the General Fund.

# 2013 Quarterly Financial Review – Departmental Projection

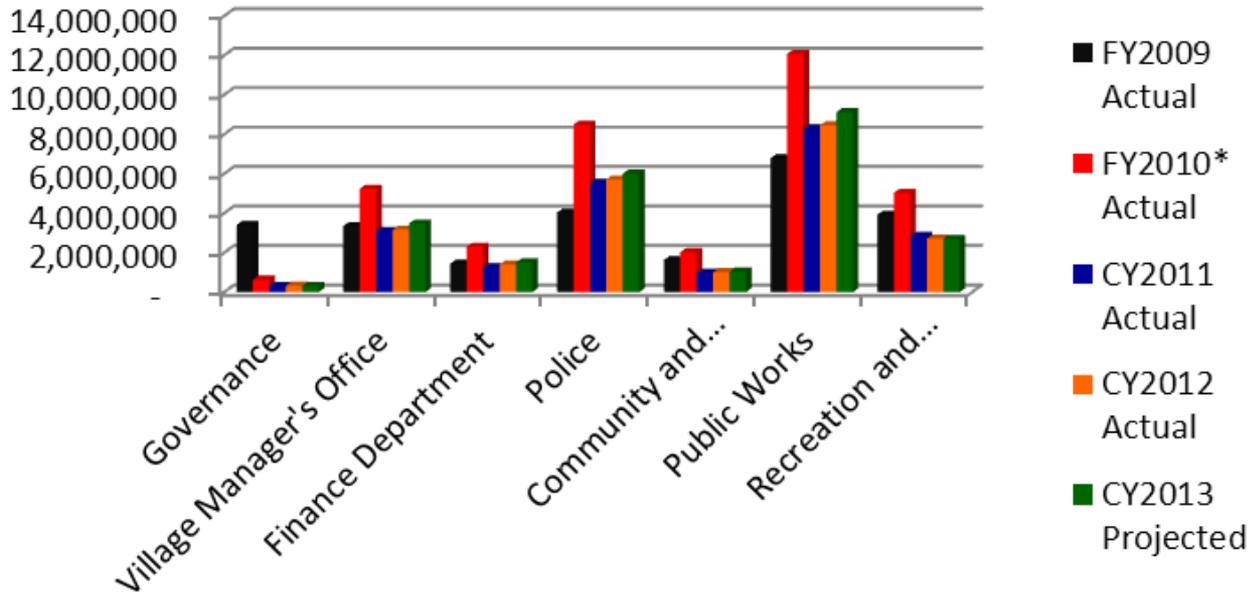

## Expenditures by Department - 2009 Actual – 2013 Projected

	<b>FY2009 Actual</b>	<b>FY2010* Actual</b>	<b>CY2011 Actual</b>	<b>CY2012 Actual</b>	<b>CY2013 Projected</b>
<b>Governance</b>	3,401,937	638,446	308,367	323,429	311,818
<b>Village Manager's Office</b>	3,340,241	5,235,777	3,099,494	3,162,230	3,480,034

**TYPE:**  
Resolution

**SUBMITTED BY:**  
Tim Sloth

**DEPARTMENT:**  
Finance

**DATE:**  
July 16, 2013

**DESCRIPTION:**

Resolution authorizing payment to the Bensenville Park District for invoice #130701 in the amount of \$247,700 in accordance with the Redevelopment Agreement for the Rehabilitation of the Bensenville Park District's Aquatic Facility at Varble Park Comprising a Part of the North Industrial District TIF District of the Village of Bensenville, Illinois approved October 25, 2011.

**SUPPORTS THE FOLLOWING APPLICABLE VILLAGE GOALS:**

<input checked="" type="checkbox"/>	<i>Financially Sound Village</i>	<input checked="" type="checkbox"/>	<i>Enrich the lives of Residents</i>
<input checked="" type="checkbox"/>	<i>Quality Customer Oriented Services</i>	<input type="checkbox"/>	<i>Major Business/Corporate Center</i>
<input type="checkbox"/>	<i>Safe and Beautiful Village</i>	<input type="checkbox"/>	<i>Vibrant Major Corridors</i>

**COMMITTEE ACTION:**

AF&L Standing Committee

**DATE:**

July 16, 2013

**BACKGROUND:**

On October 25, 2011 the Village entered into a redevelopment agreement with the Bensenville Park District in order to rehabilitate the Aquatic Facility at Varble Park (located within TIF 12). A key objective of the Redevelopment Plan for the Northern Business District TIF No. 12 was, to the extent allowed by State Statute, assist Bensenville taxing bodies with strategic initiatives and improvements within TIF No. 12.

**KEY ISSUES:**

The Bensenville Park District requested assistance with a rehabilitation project located adjacent to the Deer Park Leisure Center, which included the demolition of the twenty year-old miniature golf facility and construction of a new water splash pad. Per the redevelopment agreement the Village agreed to reimburse the Park District for 50% of TIF eligible redevelopment costs incurred by the Park District up to \$247,700.

Per Park District records, reviewed by staff, the final cost of the project was \$718,732.70 which exceeds the initial estimate of \$495,400. As such the 50% Village reimbursement is capped at \$247,700.

**ALTERNATIVES:**

1. Motion to approve the Resolution authorizing payment to the Bensenville Park District in the amount of \$247,700.
2. Discretion of the Board.

**RECOMMENDATION:**

Staff recommends approval of the Resolution.

**BUDGET IMPACT:**

Total reimbursement of \$247,700. This item was included as a budgeted expenditure in the 2013 budget.

**ACTION REQUIRED:**

Motion to approve the Resolution.

**ATTACHMENTS:**

**RESOLUTION NO. \_\_\_\_\_**

**A RESOLUTION AUTHORIZING PAYMENT TO THE BENSENVILLE PARK DISTRICT FOR INVOICE #130701 IN THE AMOUNT OF \$247,700 IN ACCORDANCE WITH THE REDEVELOPMENT AGREEMENT FOR THE REHABILITATION OF THE BENSENVILLE PARK DISTRICT'S AQUATIC FACILITY AT VRABLE PARK COMPRISING A PART OF THE NORTH INDUSTRIAL DISTRICT TIF DISTRICT OF THE VILLAGE OF BENSENVILLE, ILLINOIS APPROVED OCTOBER 25, 2011.**

WHEREAS, the VILLAGE OF BENSENVILLE (hereinafter "VILLAGE") is a municipal corporation established and existing under the laws of the State of Illinois pursuant to the Illinois Municipal Code, 65 ILCS 5/1-1-1 *et seq.*; and

WHEREAS, the VILLAGE entered into a redevelopment agreement for the rehabilitation of the Bensenville Park District's Aquatic Facility at Vrible Park; and

WHEREAS, Vrible Park is located within the boundaries of the VILLAGE OF BENSENVILLE's Tax Increment Financing District TIF #12; and

WHEREAS, the Bensenville Park District has completed the rehabilitation of the Aquatic Facility at Vrible Park; and

WHEREAS, the Park District is seeking reimbursement from the VILLAGE for 50% of the TIF eligible costs not to exceed \$247,700.

NOW, THEREFORE, BE IT RESOLVED by the President and Board of Trustees of the Village of Bensenville, DuPage and Cook Counties, Illinois, that the Village of Bensenville authorizes payment to the Bensenville Park District for invoice #130701 in the amount of \$247,700 in accordance with the redevelopment agreement for the rehabilitation of the Bensenville Park District's Aquatic Facility at Vrible Park.

PASSED AND APPROVED by the President and Board of Trustees of the Village of Bensenville, Illinois, this 16th day of July, 2013.

July 1, 2013

Mr. Mike Cassady, Village Manager  
Village of Bensenville  
12 South Center Street  
Bensenville, Illinois 60106

**RE: Reimbursement per Redevelopment Agreement for Rehabilitation of Aquatic Facility**

Dear Mike;

Per the "Redevelopment Agreement for the Rehabilitation of the Bensenville Park District's Aquatic Facility at Varble Park Comprising a Part of the North Industrial District TIF District of the Village of Bensenville, Illinois" as entered by both parties effective October, 2011, the Bensenville Park District submits the attached invoices as part of the documentation for reimbursement. The Park District has completed the project as agreed upon, and is requesting the full amount of \$247,700.00 as indicated in Section VI.B. A Certificate of Completion, in this case, occupancy permit, has been achieved. Please let me know if you need any additional information to complete the requirements of the agreement.

If you have any questions, please call me at 630-766-7015, x2007.

Sincerely,

Steve Cherveney, CPRP  
Executive Director

**COMMITTEE ACTION:**

AF&L Standing Committee

**DATE:**

July 16, 2013

**BACKGROUND:**

As part of the process of passing recent Bond issuances it was suggested by Chapman and Cutler LLP, our Bond Counsel that a current industry best practice is to have a formal Board approved Bond Record-Keeping Policy. This policy establishes a Compliance Officer and designates the Director of Finance as the keeper of the records of the Village with respect to the Obligations (Bonds). The policy further outlines the various obligations of the Compliance Officer in terms of record preparation, compliance and maintenance for all records as it relates to village bond issuances.

**KEY ISSUES:**

The Village's Bond Rating was recently upgraded from A+ to AA- by Standard and Poor's. While this policy is not required by any regulatory body or agency, in an effort to maintain and or improve upon our AA- bond rating we always look to stay on top of the latest regulatory guidance and industry best practices.

**ALTERNATIVES:**

1. Approval of the Resolution.
2. Discretion of the Board.

**RECOMMENDATION:**

Staff recommends approval of the resolution approving a Bond Record-Keeping Policy.

**BUDGET IMPACT:**

Maintaining our AA- credit rating will translate into hundreds of thousands of dollars in future debt service savings.

**ACTION REQUIRED:**

Pass the Resolution approving a Bond Record-Keeping Policy.

**ATTACHMENTS:**

Description:

Resolution

RESOLUTION Approving a Bond Record-Keeping Policy for the Village of Bensenville, DuPage and Cook Counties, Illinois.

\* \* \*

WHEREAS, the Village of Bensenville, DuPage and Cook Counties, Illinois (the “*Village*”), has issued and is expected to continue to issue bonds or other obligations (collectively, the “*Tax Exempt Obligations*”) the interest on which is excludable from gross income for federal income tax purposes; and

WHEREAS, the Village has issued and may at some time in the future issue bonds or other obligations, other than Tax Exempt Obligations, that enable the issuer or holder to receive federal tax benefits, including, but not limited to, qualified tax credit bonds and specified tax credit bonds (the “*Tax-Advantaged Bonds*” and, collectively with the Tax Exempt Obligations, the “*Obligations*”);

WHEREAS, incidental to its issuance of the Obligations, the Village has covenanted or will covenant, generally to take all action necessary to comply with applicable federal tax rules and regulations relating to such Obligations, including covenants (i) necessary to preserve the excludability of interest on the Tax Exempt Obligations from gross income for federal income taxation purposes, (ii) pertaining to the entitlement of the Village to receive direct payments from the United States Treasury of applicable percentages of interest due and owing on the Tax-Advantaged Bonds, and (iii) necessary to preserve the entitlement of the holders of certain Tax-Advantaged Bonds to credits against income tax liability, respectively; and

WHEREAS, it is necessary and in the best interest of the Village to maintain sufficient records to demonstrate compliance with such covenants and to adopt policies with respect thereto:

NOW, THEREFORE, Be It and It Is Hereby Resolved by the President and Board of Trustees of the Village of Bensenville, DuPage and Cook Counties, Illinois, in the exercise of its home rule powers, as follows:

*Section 1. Incorporation of Preambles.* The President and Board of Trustees of the Village (the “Board”) hereby finds that all of the recitals contained in the preambles to this Resolution are full, true and correct and does incorporate them into this Resolution by this reference.

*Section 2. Compliance Officer Is Responsible for Records.* The Director of Finance of the Village (the “Compliance Officer”) is hereby designated as the keeper of the records of the Village with respect to the Obligations, and such officer shall report to the Board at least annually that he or she has all of the required records in his or her possession, or is taking appropriate action to obtain or recover such records.

*Section 3. Closing Transcripts.* For each issue of the Obligations, the Compliance Officer shall receive and shall keep and maintain, a true, correct and complete counterpart of each and every document and agreement delivered in connection with the issuance of the Obligations, including without limitation (a) the proceedings of the Village and the Board authorizing the Obligations, (b) any offering document with respect to the offer and sale of the Obligations, (c) any legal opinions with respect to the Obligations delivered by any lawyers, and (d) all written representations of any person delivered in connection with the issuance and initial sale of the Obligations.

*Section 4. Arbitrage Rebate Liability.* The Compliance Officer shall review the agreements of the Village with respect to each issue of the Obligations and shall not less often than annually prepare a report for the Board stating whether or not the Village has any rebate liability to the United States Treasury and estimating the extent of such liability, and setting forth

any applicable exemptions that each issue of the Obligations may have from rebate liability. In order to discharge this duty, the Compliance Officer is expressly authorized, without further official action of the Board, to hire outside, independent professional counsel to assist in such review. Such report shall be updated annually and shall be maintained in the official files and records of the Board.

*Section 5. Recommended Records.* The Compliance Officer shall review the records related to each issue of the Obligations and shall determine what requirements the Village must meet in order to maintain (a) the tax-exemption of interest paid on the Tax Exempt Obligations, (b) its entitlement to direct payments by the United States Treasury of the applicable percentages of each interest payment due and owing on any Tax-Advantaged Bonds, and (c) applicable tax credits or other tax benefits arising from any Tax-Advantaged Bonds. The Compliance Officer shall then prepare a list of the contracts, requisitions, invoices, receipts and other information that may be needed in order to establish that (aa) the interest paid on the Tax Exempt Obligations is entitled to be excluded from gross income for federal income tax purposes, (bb) the Village is entitled to receive from the United States Treasury direct payments of the applicable percentages of interest payments coming due and owing on any Tax-Advantaged Bonds, and (cc) the entitlement of holders of any Tax-Advantaged Bonds to any tax credits or other tax benefits, respectively. Notwithstanding any other policy of the Village, such retained records shall be kept for as long as the Obligations relating to such records (and any obligations issued to refund the Obligations) are outstanding, plus three years, and shall at least include:

- (i) complete copies of the bond transcripts delivered when any issue of the Obligations is initially issued and sold;
- (ii) copies of account statements showing the disbursements of all bond proceeds for their intended purposes;
- (iii) copies of account statements showing all investment activity of any and all accounts in which the proceeds of any issue of Obligations has been held;

(iv) copies of all bid requests and bid responses used in the acquisition of any special investments, including guaranteed investment contracts, used for the proceeds of any Obligations, including any swaps, swaptions, or other financial derivatives entered into with respect to any Obligations, in order to establish that such instruments were purchased at *fair market value*;

(v) copies of any subscriptions to the U.S. Treasury for the purchase of State and Local Government Series (SLGS) obligations;

(vi) copies of all Federal Information Reporting Forms (including, but not limited to, Forms 8038, 8038-G, 8038-B, 8038-TC, 8038-T, 8038-R, 8281 and 1097-BTC) and Forms 14127 and 8038-CP prepared and filed by or on behalf of the Village and relating to the Obligations;

(vii) any calculations or estimates of liability for *arbitrage rebate* that is or may become due with respect to any issue of Obligations, and any calculations prepared to show that no arbitrage rebate is due, together, if applicable, with account statements or cancelled checks showing the payment of any rebate amounts to the United States Treasury together with any applicable IRS Form 8038-T;

(viii) copies of all contracts of the Village, including any leases, with respect to the use of any property owned by the Village and acquired or financed with the proceeds of the Obligations, any part of which property is used by a private person at any time when such Obligations are or have been outstanding; and

(ix) copies of all records relating to any required compliance with federal prevailing wage standards for projects financed with the proceeds of Tax-Advantaged Bonds.

*Section 6. Allocations of Obligation Proceeds to Expenditures.* The Compliance Officer shall compile an allocation of all spent proceeds of the Obligations and earnings thereon to particular expenditures. The Compliance Officer acknowledges that such allocations need not follow a direct tracing of the Obligations proceeds and may be changed up to 18 months after the earlier of the date of expenditure to which such proceeds were or will be allocated or, if later, placed in service. No such reallocation may be made after the date that is 60 days after the fifth anniversary of the date the relevant Obligations were issued, or 60 days after the retirement in full of such issue of the Obligations, if earlier. Such allocations may include allocations to expenditures made prior to the issuance of the Obligations. At such time as the Compliance

Officer determines that there will be no additional expenditures of proceeds of the Obligations and that the Compliance Officer will not or cannot reallocate such proceeds to expenditures because the time limits set forth above have expired, the Compliance Officer shall declare such allocation to be a final allocation of Obligation proceeds to expenditures. The Compliance Officer shall maintain all such allocations of proceeds to expenditures, including any final allocation with the records it must maintain.

*Section 7. List of Financed Facilities.* The Compliance Officer shall on the basis of the then operative allocation of Obligation proceeds to expenditures compile a list of Obligation financed facilities. Such list shall include: (a) a complete description of such facilities including the location of such facilities, the expected useful life of such facilities, the expected or actual placed in service date of such facilities, the cost of such facilities, the amount of Obligation proceeds spent for such facilities (which shall be the same as the cost of the facilities if acquired exclusively with Obligation proceeds, but which may be less than the cost of such facilities if such facilities are only partially acquired with Obligation proceeds). If any of the financed facilities are improvements to existing buildings that do not enlarge such buildings and are not improvements of space occupied exclusively for a private business use, the Compliance Officer shall put such building on the list and mark such building as partially funded with proceeds of the Obligations. If any such facilities become worn out, destroyed, obsolete or otherwise no longer useable by the Village, the list shall so indicate. If any such facility is disposed of, the list shall include the date it was disposed of, the manner of disposal, the sale price if sold and the person to whom the facility was disposed. Any such disposal shall be recorded within 30 days of the date the Compliance Officer learns of any such disposal. The Compliance Officer acknowledges that tax covenants with respect to the Obligations may require that any such disposal be followed by a remedial action.

*Section 8. Contracts Related to Obligation Financed Facilities.* The Compliance Officer shall obtain and keep copies of all contracts that may provide for the use of Obligation financed facilities (including buildings that are partially financed with Obligation proceeds). Such contracts shall include leases, licenses, management contracts or service contracts if the management or other services to be provided will be performed in or with the Obligation financed facilities. The Compliance Officer shall compile a list of such contracts. The list shall include the particular Obligation financed facilities that may be subject to such contracts. The Compliance Officer shall cause such contracts to be reviewed either by staff of the Village or by an outside consultant to determine if such contracts violate any tax covenants made with respect to the Obligations. The list of contracts shall include the determinations of whether such contracts cause any private use of such facilities. If the Compliance Officer cannot reasonably determine whether such contract causes private use, it shall so note on the list of such contracts. If any such contract is determined to cause private use of a facility, the Compliance Officer shall determine or cause to be determined for each calendar year, the percentage of such facility so privately used. Such determination may be made in consultation with counsel or other consultants. The Compliance Officer shall record the method used to determine such quantity of private use along with the final annual amount of private use.

*Section 9. Remedial Actions.* The Compliance Officer acknowledges that if private use (including use in an unrelated trade or business) exceeds the limits related to each issue of the Obligations, a remedial action may be required in accordance with the United States Treasury Regulations. The Compliance Officer shall (with the aid of staff and outside consultants and counsel) determine if such remedial actions are either warranted or possible. The Compliance Officer shall prepare or cause to be prepared a memorandum describing any such remedial action or proposed remedial action. The memorandum shall describe whether such remedial action will

serve to cure any particular private use concerns. If any actions are required by the Village for such remedial action, the memorandum shall include a full description of such required actions. A copy of any such memorandum shall be given to the Board. Following any such remedial action, the Compliance Officer shall prepare a report describing the effect of such remedial action. The list of Obligation financed facilities may need to be revised as a result of such remedial action and the Compliance Officer will so revise such list.

*Section 10. Voluntary Closing Agreement Program.* The Compliance Officer acknowledges that if private use exceeds relevant limits and a remedial action is not undertaken or is not possible or if another violation of the tax covenants of the Village occurs, then the Village may be required to enter into a Voluntary Closing Agreement with the Internal Revenue Service (“IRS”). The Compliance Officer shall (with the aid of staff and outside consultants and counsel) determine if a Voluntary Closing Agreement is either warranted or possible. The Compliance Officer shall prepare or cause to be prepared a memorandum describing any proposed application for a Voluntary Closing Agreement or proposed Voluntary Closing Agreement. The memorandum shall describe whether such remedial action will serve to cure any particular tax violation and the nature of such violation. If any actions are required by the Village for such Voluntary Closing Agreement application, the memorandum shall include a full description of such required actions. A copy of any such memorandum shall be given to the Board. The Village may retain counsel to attempt to obtain a Voluntary Closing Agreement. Following the execution of any such Voluntary Closing Agreement, the Compliance Officer shall prepare a report describing the effect of such Voluntary Closing Agreement. The list of Obligation financed facilities may need to be revised as a result of such Voluntary Closing Agreement and will be so revised by the Compliance Officer.

*Section 11. IRS Examination.* In the event the *IRS* commences an examination of any Obligations, the Compliance Officer, in cooperation with the Village's general counsel, is expressly authorized, without further official action of the Board, to respond to inquiries of the *IRS* and to hire outside, independent professional counsel to assist in the response to the examination. The Compliance Officer or the Village's general counsel shall advise the Board of any such examination when, as and in such manner as the Compliance Officer may deem appropriate, it being hereby expressly agreed and understood that the Compliance Officer and the Village's general counsel shall maintain such confidentiality for so long and as they shall deem necessary in order best to protect the interests of the Village.

*Section 12. IRS Compliance Checks.* In the event the *IRS* commences a Compliance Check or other action short of an examination of the Village or of any Obligations, the Compliance Officer, in cooperation with the Village's general counsel, is expressly authorized, without further official action of the Board, to respond to inquiries of the *IRS* and to hire outside, independent professional counsel to assist in the response to the Compliance Check. The Compliance Officer and the Village's general counsel shall advise the Board of any such Compliance Check when, as and in such manner as they may deem appropriate, it being hereby expressly agreed and understood that the Compliance Officer and general counsel shall maintain such confidentiality for so long and as the Compliance Officer and general counsel shall deem necessary in order best to protect the interests of the Village.

*Section 13. Annual Review.* The Compliance Officer shall conduct an annual review of contracts and other records described in Section 5 of this Resolution to determine for each series of Obligations then outstanding whether each such issue of Obligations complies with the tax requirements applicable to such issue, including restrictions on private business use, private payments and private loans. The Compliance Officer is expressly authorized, without further

official action of the Board, to hire outside, independent professional counsel to assist in such review. To the extent that any violations or potential violations of tax requirements are discovered incidental to such review, the Compliance Officer may make recommendations or take such actions as the Compliance Officer shall reasonably deem necessary to assure the timely correction of such violations or potential violations through remedial actions described in the United States Treasury Regulations or the Tax Exempt Bonds Voluntary Closing Agreement Program described in Treasury Notice 2008-31 or any similar program instituted by the IRS.

*Section 14. Training.* The Compliance Officer shall undertake to maintain a reasonable level of knowledge concerning the rules related to the Obligations so that such officer may fulfill the duties described herein. The Compliance Officer may consult with counsel, attend conferences and presentations of trade groups, read materials posted on various web sites, including the web site of the Tax-Exempt Bond function of the IRS, and use other means to maintain such knowledge. Recognizing that the Compliance Officer may not be fully knowledgeable in this area, the Compliance Officer may consult with outside counsel, consultants and experts to assist him or her in exercising his or her duties hereunder. The Compliance Officer will endeavor to make sure that staff of the Village is aware of the need for continuing compliance. The Compliance Officer will provide copies of this Resolution and the Tax Exemption Certificate and Agreement or other applicable tax documents for each of the Obligations then currently outstanding (the "*Tax Agreements*") to other staff members who may be responsible for taking actions described in such documents and to any person who is expected to be a successor Compliance Officer. The Compliance Officer will review this Resolution and each of the Tax Agreements periodically to determine if there are portions that need further explanation and, if so, will attempt to obtain such explanation from counsel or from other experts, consultants or staff.

*Section 15. Amendment and Waiver.* The Village may amend this Resolution and any provision of this Resolution may be waived, without the consent of the holders of any of the Obligations and as authorized by passage of a resolution by the Board.

*Section 16. Severability.* If any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Resolution.

*Section 17. Repeal.* All resolutions or parts thereof in conflict herewith be and the same are hereby repealed and this Resolution shall be in full force and effect forthwith upon its adoption.

Adopted July 23, 2013.

---

President, Village of Bensenville, DuPage and  
Cook Counties, Illinois

ATTEST:

---

Village Clerk, Village of Bensenville,  
DuPage and Cook Counties, Illinois

[SEAL]

**TYPE:**  
Ordinance

**SUBMITTED BY:**  
Tim Sloth

**DEPARTMENT:**  
Finance

**DATE:**  
July 16, 2013

**DESCRIPTION:**

Ordinance authorizing the issuance of General Obligation Bonds (Alternate Revenue Source), Series 2013 of the Village of Bensenville, DuPage and Cook Counties, Illinois, in an aggregate principal amount not to exceed \$16,000,000 for the purpose of financing the costs of certain capital projects within the Village and paying for costs related thereto.

**SUPPORTS THE FOLLOWING APPLICABLE VILLAGE GOALS:**

<input checked="" type="checkbox"/>	<i>Financially Sound Village</i>	<input type="checkbox"/>	<i>Enrich the lives of Residents</i>
<input type="checkbox"/>	<i>Quality Customer Oriented Services</i>	<input type="checkbox"/>	<i>Major Business/Corporate Center</i>
<input checked="" type="checkbox"/>	<i>Safe and Beautiful Village</i>	<input type="checkbox"/>	<i>Vibrant Major Corridors</i>

---

**COMMITTEE ACTION:**  
AF&L Standing Committee

**DATE:**  
July 16, 2013

---

**BACKGROUND:**

This Ordinance authorizes the Village to issue bonds in the amount of \$16,000,000 to finance the acquisition, construction and equipping of the new police station. The Village has previously purchased land and is currently in the design process for constructing a new police station as a replacement for its current station which is rapidly approaching obsolescence.

**KEY ISSUES:**

Upon approval this Ordinance will give the Village legal authority to proceed with eventually issuing the bonds to finance the police station project. The current timeline for the proposed bond issuance is as follows:

- July 16 - Authorizing Ordinance
- July 18 - Approved Ordinance Published in a local Newspaper
- August 27 - BINA (Bond Issuance Notification Act) Hearing
- September 10 - Issuance of Bonds

Because these are new bonds and not a simple refunding of previously issued bonds the process for issuance is more drawn out. General Obligation Bonds have an automatic tax levy built into the Ordinance to pay for the annual debt service. However, these bonds are issued as Alternate Revenue Source bonds meaning the tax levy will be abated each year.

**ALTERNATIVES:**

1. Approve the proposed Ordinance.
2. Discretion of the Board.

**RECOMMENDATION:**

Staff recommends approval of the Ordinance.

**BUDGET IMPACT:**

The proposed bonds will have annual debt service payments totaling approximately \$1,400,000 each year which will be paid out of the Debt Service Fund. The first two years of debt service will be paid utilizing accumulated fund balances. In 2016 and 2017 several outstanding bond issuances including Series 2006A, Series 2006B, Series 2009, and Series 2012D are set to expire. At that time operating revenues used to pay the debt service on the expiring bonds will be re-purposed and used for the police station bonds.

**ACTION REQUIRED:**

Approval of Ordinance.

**ATTACHMENTS:**

Description:

[CHICAGO-#181367-v3-Village of Bensenville GO Bonds \(ARS\) 2013 AUTHORIZING ORDINANCE-c.doc](#)

Ordinance

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE authorizing the issuance of General Obligation Bonds (Alternate Revenue Source), Series 2013 of the Village of Bensenville, DuPage and Cook Counties, Illinois, in an aggregate principal amount not to exceed \$16,000,000 for the purpose of financing the costs of certain capital projects within the Village and paying for costs related thereto.

WHEREAS, the Village of Bensenville, DuPage and Cook Counties, Illinois (the "Village"), is a municipal corporation and body politic of the State of Illinois, duly created, organized and existing under The Municipal Code of the State of Illinois (the "Municipal Code"), and having the powers, objects and purposes provided by said Municipal Code; and

WHEREAS, the Board of Trustees of the Village (the "Board") has determined that it is necessary to (i) finance the acquisition, construction and equipping of a new Police Station within the Village, (the "Project") and (ii) pay certain costs of issuance of the Bonds (as such term is hereinafter defined), all for the benefit of the inhabitants of the Village; and

WHEREAS, the estimated cost of the Project, including legal, financial, bond discount, printing and publication costs, capitalized interest, and other expenses (collectively, the "Costs"), is not less than \$16,000,000, and there are insufficient funds on hand and lawfully available to pay such costs; and

WHEREAS, up to \$16,000,000 of alternate bonds need to be issued at this time pursuant to the Local Government Debt Reform Act, 30 ILCS 350/1 to 350/18 (the "Act"); and

WHEREAS, it is necessary for the best interests of the Village that the Project be completed, and in order to raise funds required for such purpose it will be necessary for the Village to borrow an aggregate principal amount of not to exceed \$16,000,000 and in evidence thereof to issue alternate bonds, being general obligation bonds payable from (i) all collections distributed to the Village from Retailer's Occupation Taxes, Service Occupation Taxes, Use Taxes and Service Use Taxes (collectively, the "Sales Taxes") and such other funds legally available and appropriated therefor (together with the "Sales Taxes," the "Pledged Revenues") and (ii) ad valorem taxes of the Village for which its full faith and credit have been irrevocably pledged, unlimited as to rate or amount (the "Pledged Taxes"), in an aggregate principal amount not to exceed \$16,000,000, all in accordance with the Act; and

WHEREAS, if the above-mentioned revenue source is insufficient to pay the alternate bonds, ad valorem property taxes upon all taxable property in the Village without limitation as to rate or amount are authorized to be extended to pay the principal of and interest on the alternate bonds;

WHEREAS, pursuant to and in accordance with the provisions of Section 15 of the Act, the Village is authorized to issue alternate bonds in an aggregate principal amount not to exceed \$16,000,000 for the purpose of providing funds for the Project and to pay the Costs;

NOW THEREFORE, Be It Ordained by the Board of Trustees of the Village of Bensenville, DuPage and Cook Counties, Illinois, as follows:

Section 1. Incorporation of Preambles. The Board hereby finds that all of the recitals contained in the preambles to this Ordinance are full, true and correct and does incorporate them into this Ordinance by this reference.

Section 2. Determination To Issue Bonds. It is necessary and in the best interests of the Village to complete the Project for the purpose of completing the Project and paying the Costs, alternate bonds of the Village are hereby authorized to be issued and sold in an aggregate principal amount not to exceed \$16,000,000, known as "General Obligation Bonds (Alternate Revenue Source), Series 2013" (the "Bonds") of the Village, said Bonds being payable from (i) all collections distributed to the Village from Retailer's Occupation Taxes, Service Occupation Taxes, Use Taxes and Service Use Taxes (collectively, the "Sales Taxes") and such other funds legally available and appropriated therefor (together with the "Sales Taxes," the "Pledged Revenues") and (ii) ad valorem taxes of the Village for which its full faith and credit have been irrevocably pledged, unlimited as to rate or amount (the "Pledged Taxes").

Section 3. Publication. This ordinance, together with a notice in the statutory form, shall be published once within ten days after passage hereof by the Board in the *Bensenville Press*; the same being a newspaper of general circulation in the Village, and if no petition, signed by 561 electors (said number being the greater of (i) seven and one-half percent (7½%) of the registered voters in the Village or (ii) the lesser of 200 registered voters or 15% of registered voters), asking that the question of the issuance of the Bonds be submitted to the electors of the Village, is filed with the Village Clerk of the Board within thirty (30) days after the date of the publication of this Ordinance and said notice, then this Ordinance shall be in full force and effect and the Bonds shall be authorized to be issued. A petition form shall be provided by the Village Clerk at the principal office of the Village, located at 12 South Center Street, Bensenville, Illinois, to any individual requesting one.

Section 4. Additional Ordinances. If no petition meeting the requirements of applicable law is filed during the petition period hereinabove referred to, then the Board may adopt additional ordinances or proceedings supplementing or amending this Ordinance providing for the issuance and sale of the Bonds and prescribing all the details of the Bonds, so long as the maximum amount of the Bonds as set forth in this Ordinance is not exceeded and there is no material change in the purposes described herein. Such additional ordinances or proceedings shall in all instances become effective in accordance with applicable law. This Ordinance, together with such additional ordinances or proceedings, shall constitute complete authority for the issuance of the Bonds under applicable law.

Section 5. Additional Proceedings. If no petition meeting the requirement of applicable law is filed during the petition period hereinabove referred to, then the preparation and distribution of a preliminary official statement relating to the Bonds is hereby approved, and the President is hereby authorized to deem the preliminary official statement nearly final.

Section 6. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 7. Repealer. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.

Section 8. Effective Date. This Ordinance shall be in full force and effect from and after its passage and approval in the manner provided by law.

**NOTICE OF INTENT TO ISSUE BONDS  
AND RIGHT TO FILE PETITION  
AND HEARING ON PROPOSED ISSUANCE**

Notice is hereby given that pursuant to Ordinance No. \_\_\_\_\_, adopted on July 23, 2013, the Village of Bensenville, DuPage and Cook Counties, Illinois (the "Village"), intends to issue alternate bonds, being general obligation bonds (the "Bonds") payable from the hereinafter identified revenue source, in an aggregate principal amount not to exceed \$16,000,000, and bearing interest per annum at not to exceed the maximum rate authorized by law at the time the Bonds are sold, for the purpose of financing the acquisition, construction and equipping of a new Police Station within the Village, and paying certain costs thereof. The Bonds shall be payable from (i) all collections distributed to the Village from Retailer's Occupation Taxes, Service Occupation Taxes, Use Taxes and Service Use Taxes (collectively, the "Sales Taxes") and such other funds legally available and appropriated therefor (together with the "Sales Taxes," the "Pledged Revenues") and (ii) ad valorem taxes of the Village for which its full faith and credit have been irrevocably pledged, unlimited as to rate or amount (the "Pledged Taxes"). The ordinance authorizing the issuance of bonds is attached hereto and appears below this notice.

Notice is hereby further given that if a petition signed by 561 or more of registered voters of the Village is submitted to the Village Clerk of the Village (the "Village Clerk") within 30 days of publication of this notice, asking that the question of the issuance of the Bonds be submitted to referendum, then the question of the issuance of the Bonds shall be submitted to the electors of the Village at the general primary election to be held on the 18th day of March, 2014. If no petition is filed with the Village Clerk within said 30-day period, the Bonds shall be authorized to be issued. A form of petition is available from the Village Clerk at the principal office of the Village at 12 South Center Street, Bensenville, Illinois.

**COMMITTEE ACTION:**  
N/A

**DATE:**  
N/A

---

**BACKGROUND:**

The DuPage Mayors and Managers Conference (DMMC), a council of 33 municipal governments, is a conference of both elected and appointed officials. The Conference is a not-for-profit organization supported by membership dues and grants, dedicated to addressing municipal public policy issues.

The Conference serves its members and the region through the following objectives:

- Promoting excellence in municipal government
- Fostering intergovernmental cooperation
- Providing research, technical assistance, training, and leadership development opportunities to members
- Voicing municipal concerns on local, regional, state, and national issues in a variety of forums
- Evaluating the impact of pending state and federal legislation on municipalities

The Village reinstated its membership and has been a part of the DMMC for the past five years.

**KEY ISSUES:**

The attached invoice includes the following:

- 2013-2014 Conference Membership Dues - \$16,296.58
- 2013-2014 Debt Service - \$3,625.85
- TOTAL INVOICE: \$19,922.43

**ALTERNATIVES:**

- Discretion of the Board.

**RECOMMENDATION:**

Staff supports maintaining our membership with the DMMC.

**BUDGET IMPACT:**

Total expenditure of \$19,922.43, which is included in the 2013 Budget. The attached letter from the DMMC shows a value of approximately \$97,000 for the annual services provided by the DMMC.

**ACTION REQUIRED:**

Pass the Resolution.

June 20, 2013

To: DMMC Member Municipalities  
Mayors/Presidents  
Managers/Administrators

As we do every year at this time, the DuPage Mayors and Managers Conference is sending to all our members the invoices for annual dues payments.

More than ever before, we are all asked by our constituencies to show the value received for expenditures made, particularly when public funds are involved. DMMC is pleased to offer our sixth consecutive year of no dues rate increase to our members, which come as a result of careful budgeting, operational planning, and streamlining of staff, programs, and all expenditure. We are confident that your contributions are conservatively expended on activities which directly benefit our member municipalities.

In addition, we know it is important for you to be able to demonstrate to your constituencies the value you receive in return for your dues payment. To that end we offer the attached Value Statement, enumerating both quantifiable and other tangible benefits of DMMC membership. As you will see from the document, use of DMMC to complete projects and analyses related to issues that impact every municipality saves each member personnel costs of nearly \$97,000 annually. The Value Statement also lists several membership benefits provided in the past year which have real impact on municipal budgets although exact dollar amounts may not be determined.

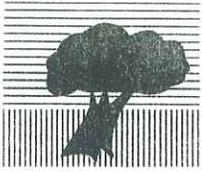

We hope this Value Statement is helpful to you, and invite any questions or comments you may have.

Thank you and we look forward to continuing our work together in the coming year!

Best regards,

Mark Baloga, Executive Director

• Lobbyist	\$30,000
• Information, Training, and Assistance for Utilizing Federal Transportation Funds	\$6,563
• Legislative Tracking, Research and Analysis (1/2 FTE)	\$26,000
• Coalition Representation (PFICC, PSEBA, ICC, Nicor, Legislative Coordination) (1/4 FTE)	\$13,000
• Stormwater Rules w/FEMA Floodplain Map Review (1/8 FTE)	\$8,361
• Attend, monitor and report on county activities and planning oversight (1/4 FTE)	\$13,000
	_____
<b>TOTAL:</b>	<b>\$96,924</b>

**Exhibit 2 – Additional Annual Benefits**

Activity / Service Provided

- Galvanized Metra to develop and adopt an official easement fee policy for municipalities.
- Successfully stopped legislative proposals to take Local Government Distributive Funds from municipalities.
- HB 924 – Successfully stopped legislative efforts to amend the Illinois Prevailing Wage Act by imposing certain “responsible bidder” requirements from the Illinois Procurement Code which would create compliance difficulties for smaller contractors, reduce competition, and drive up project costs for municipalities and taxpayers.
- Successful efforts to improve accountability and transparency of Illinois Municipal League.
- Specially Trained Staff Available to Provide Research, Technical Assistance, and Information on Topics such as Economic Development, Housing, Land Use, Solid Waste, Stormwater Management, Telecommunications, Transit Service, and Transportation.
- Engaged ComEd to develop and refine its outage repair protocol to meet the needs of member municipalities and facilitated the creation of a ComEd Joint Operations Center which operates out of the DuPage County Office of Homeland Security and Emergency Management for storm-event outage response.
- Training seminars on subjects such as community participation methods, conflict resolution skills, Council Procedures & Practices, E-Government, Municipal Finance, newly elected officials, Open Meetings Act, and Zoning & Land-use Controls.
- Networking opportunities and forums for deliberation with peer elected and appointed officials from other communities on municipal issues, cost-saving innovations and best practices.

- Briefing papers, position papers, and fact sheets on legislative topics such as preserving the Local Government Distributive Fund, municipal public safety pension reform, and the imposition of responsible bidder requirements on the Prevailing Wage Act, provided to assist members and enhance outreach to legislators.
- Stormwater Review Group – DMMC coordinated municipal staff and elected officials to evaluate the County Stormwater and Floodplain Ordinance, allowing DuPage municipalities to proceed without hiring a consultant. DMMC held forums, educated members, and led advocacy, which helped to create an Ordinance that streamlined permitting, empowered local administrators, and boosted the cost effectiveness of water quality improvements. Staff is now working through the Group to address floodplain mapping, IEPA regulations, and other water resource topics.
- SB16 Foreclosure Proceedings – Successful efforts to get approval of legislation to help local governments address vacant property and fast-track foreclosure processes, cutting municipal maintenance costs.
- Candidate Petition Filing Deadline – Successful efforts to get approval of legislation ensuring that the municipal clerk’s office was not required to be open to accept candidate petition filings on December 24, 2012, thereby saving associated overtime costs.
- Coffee Break – Extremely successful biannual event allowing municipal leaders to lobby and build relationships with legislators
- Surface Transportation Program (STP) – Preserved STP to be used for local priorities and not siphoned off to support projects more appropriately funded at the regional, state, or federal level.
- Self-determination of STP Methodology – As administrator of Federal STP Funds allocated to DuPage, DMMC ensures that funds are distributed in an equitable manner as determined by DuPage municipalities rather than unilaterally by the County or another outside entity.
- Preservation and Funding of Bus Routes – DMMC coordinates with Pace, RTA and Metra to raise awareness of transit services. In 2009, DMMC rallied municipalities to request a review of scheduled route cuts, resulting in Pace meeting with local planners and modifying the service reduction plan. In 2012, DMMC successfully advocated for Pace to fully fund the College of DuPage Connector (Pace Route 714), reducing local contributions to zero.
- Monitor and Report on CMAP Activities – DMMC responded quickly when CMAP’s Regional Tax Policy Task Force Report was released with recommendations to alter local fiscal policy. DMMC efforts helped avert implementation of tax policy which would have diverted local revenue from DuPage municipalities.
- SB 1680 (2013) and SB 3667 (2012) – Successfully opposed legislation that would have provided for the creation of unified fire protection districts and complicated the current intergovernmental cooperation agreement by giving unions disproportionate authority.
- SB 3796 – Successfully opposed legislation that would have required a public body to provide for the indemnification of any judgment in or settlement of a claim or an action associated with an employee’s employment and pay for a lawyer of the employee’s choosing.
- SB 3505 – Successfully opposed legislation that would have increased the allowable weights for concrete trucks and “Special Hauling Vehicles.”
- HB 5657 – Successfully opposed legislation that would have prohibited the use of state funding or financial assistance for support of any public works project authorized by a municipality, county, or township that had previously prohibited consideration of a project labor agreement.
