MUNICIPALITIES—ANNEXATION OF TERRITORY

PUBLIC ACT 80-310

HOUSE BILL 0811

An Act to amend Section 7-1-1 of the "Illinois Municipal Code", approved May 29, 1961, as amended.

*Be it enacted by the People of the State of Illinois, represented in the General Assembly:*

Section 1. Section 7-1-1 of the "Illinois Municipal Code", approved May 29, 1961, as amended, is amended to read as follows:

Sec. 7-1-1. [S.H.A. ch. 24, § 7-1-1]

Any territory which is not within the corporate limits of any municipality but which is contiguous to a municipality, may be annexed thereto as provided in this Article.

When any land proposed to be annexed is part of any Fire Protection District or of any Public Library District, and the annexing municipality provides fire protection or a public library, as the case may be, the Trustees of each District shall be notified in writing by certified or registered mail before any court hearing or other action is taken for annexation. Such notice shall be served 10 days in advance. An affidavit that service of notice has been had as provided by this Section must be filed with the clerk of the court in which such annexation proceedings are pending or will be instituted or, when no court proceedings are involved, with the recorder of deeds for the county where such land is situated. No annexation of such land is effective unless service is had and the affidavit filed as provided in this Section.

The new boundary shall extend to the far side of any adjacent highway and shall include all of every highway within the area annexed. These highways shall be considered to be annexed even though not included in the legal description set forth in the petition for annexation. When any land proposed to be annexed includes any highway under the jurisdiction of any township, the Township Commissioner of Highways and the Board of Town Auditors shall be notified in writing by certified or registered mail before any court hearing or other action is taken for annexation. (If any municipality has annexed any area before October 1, 1975 and the legal description in the petition for annexation did not include any adjacent highway, any such annexation shall be valid and any highway adjacent to the area annexed shall be considered to be annexed notwithstanding the failure of the petition to annex to include the description of any adjacent highway.)

No annexation, disconnection and annexation, or disconnection under this Article of territory having electors residing therein made (1) prior to any primary election to be held within the municipality affected thereby and after the time for filing petitions as a candidate for nomination to any office to be chosen at such primary election, or made (2) within 60 days prior to any general election to be held within such municipality, shall be effective until the day after the date of such primary or general election, as the case may be.

For the purpose of this Section, a toll highway or connection between parcels via an overpass bridge over toll highways, shall not be considered a deterrent to the definition of contiguous territory.

Approved Aug. 23, 1977.

Effective Oct. 1, 1977.
