ROLL CALL : Upon roll call the following Commissioners were present:
Rowe, Chambers, King, Marcotte, Rott
Absent: Ciula, Wasowicz
A quorum was present.

Chairman Rowe opened CDC Case No. 2024-12 at 6:33 p.m.

Village Planner, Kevin Quinn, was present and sworn in by Chairman Rowe. Mr. Quinn stated a Legal Notice was published in the Bensenville Independent on December 19, 2024. Mr. Quinn stated a certified copy of the Legal Notice is maintained in the CDC file and is available for viewing and inspection at the Community & Economic Development Department during regular business hours. Mr. Quinn stated Village personnel posted one Notice of Public Hearing sign on the property, visible from the public way on December 18, 2024. Mr. Quinn stated on December 18, 2024 Village personnel mailed from the Bensenville Post Office via First Class Mail a Notice of Public Hearing to taxpayers of record within 300' of the property in question. Mr. Quinn stated an affidavit of mailing executed by C & ED personnel and the list of recipients are maintained in the CDC file and are available for viewing and inspection at the Community & Economic Development department during regular business hours.

Mr. Quinn stated the Petitioner, KMS Investments LLC, is seeking approval of a PUD Amendment for the construction of two hotels and a restaurant.

Mr. Quinn stated the existing PUD (for a Country Inn & Suites) was approved in 2001 and amended in 2015 to include a Holiday Inn Express & Suites with additional parking. Mr. Quinn stated there was an additional site plan review in 2002. The hotels would be located at the northeast corner of the intersection of Grand Avenue and Commerce Court, across the street from the existing two hotels. Mr. Quinn stated the southern hotel would be a Hyatt Studio (120 rooms), and the northern hotel would be a dual Hilton hotel (151 rooms). Mr. Quinn stated the proposed development has 297 parking spaces, shared between the two hotels and a restaurant (10,000 square feet). Mr. Quinn stated the proposed development falls within a C-2 Commercial District. Mr. Quinn stated the Hyatt is proposed to be 79,424 SF and the dual hotel is proposed to be 79,752 SF.

Sonny Shah, owner of KMS Investments LLC Thakar Patel, Engineer were both present and sworn in by Chairman Rowe. Mr. Patel reviewed the vision for the proposed site. Mr. Patel stated the current owner and operator of the two hotels on site are the same that plan to build the new hotels.

Commissioner Chambers asked if water run off would be discharged into the existing creek on site. Mr. Patel stated no, they are going to construct a retention basin on site for excess water runoff.

Commissioner Chambers asked if a traffic study was conducted. Mr. Patel stated no. Mr. Pozsgay stated the County of DuPage would most likely require a traffic study as part of their approval process.

Public Comment

Chairman Rowe asked if there were any members of the Public that would like to make comment. There were none.

Mr. Quinn reviewed the approval standards for proposed Planned Unit Development consisting of:

1. **Comprehensive Plan:** The proposed planned unit development fulfills the objectives of the Comprehensive Plan, and other land use policies of the Village, through an innovative and creative approach to the development of land.

Applicant's Response: *The proposed hospitality campus is in compliance with the ordinance approved by Village under*

ordinance number 23-2001, dated May 1, 2001. The campus designed with shared access, parking etc. rather than series of uncoordinated separate uses exemplifies the creativity of this PUD application.

2. Public Facilities: The proposed planned unit development will provide walkways, driveways, streets, parking facilities, loading facilities, exterior lighting, and traffic control devices that adequately serve the uses within the development, promote improved access to public transportation, and provide for safe motor vehicle, bicycle, and pedestrian traffic to and from the site.

Applicant's Response: *As indicated in submitted PUD documents, the campus is designed with walkways, driveways, parking areas, loading facilities where required, lighting of parking area and building areas.*

3. Landscaping and Screening: The proposed planned unit development will provide landscaping and screening that enhances the Village's character and livability, improves air and water quality, reduces noise, provides buffers, and facilitates transitions between different types of use.

Applicant's Response: *The proposed PUD development will provide landscaping and screening required per Village and all different franchise requirements. The landscaping and native planted detention system will improve air and water quality.*

4. Site Design: The proposed planned unit development will incorporate sustainable and low impact site design and development principles.

Applicant's Response: *The proposed PUD development has unique site design to locate hotels and shared parking for guest use. Due to shared parking need for this development, we reduced parking areas significantly.*

5. Natural Environment: The proposed planned unit development will protect the community's natural environment to the great extent practical, including existing natural features, water courses, trees, and native vegetation.

Applicant's Response: *The design of the PUD is as consistent as practical with preservation of any natural features. The proposed PUD development site does not contain any flood plain, wetland etc.*

6. Utilities: The proposed planned unit development will be provided with underground installation of utilities when feasible, including electricity, cable, and telephone, as well as appropriate facilities for storm sewers, stormwater retention, and stormwater detention.

Applicant's Response: *The PUD development has been designed with utilities and some utilities have been installed already and are in operation. Storm water detention is provide for this development and is already built.*

Mr. Quinn stated:

1. Staff recommends the Approval of the Findings of Fact and therefore the approval of the Amendment to a Planned Unit Development with the following conditions:
 - a. Developed in accordance with the plans prepared by Advantage Consulting Engineers dated January 3, 2025.
 - b. The Amendment to a Planned Unit Development be granted solely to KMS Investments LLC and shall be transferred only after a review by the Community Development Commission (CDC) and approval of the Village Board. Public Hearing: CDC Case Number 2024-22
Petitioner: Toy Barn, Inc.
Location: 1081 Entry Drive
Request: Special Use Permit, Vocational School
Municipal Code 10 – 7 – 2 – 1

Motion: Commissioner Rott made a motion to open CDC Case No. 2024-22. Commissioner Marcotte seconded the motion.

ROLL CALL : Upon roll call the following Commissioners were present:
Rowe, Chambers, King, Marcotte, Rott
Absent: Ciula, Wasowicz
A quorum was present.

Chairman Rowe opened CDC Case No. 2024-22 at 6:47 p.m.

Village Planner, Kevin Quinn, was present and sworn in by Chairman Rowe. Mr. Quinn stated a Legal Notice was published in the Bensenville Independent on December 19, 2024. Mr. Quinn stated a certified copy of the Legal Notice is maintained in the CDC file and is available for viewing and inspection at the Community & Economic Development Department during regular business hours.

Mr. Quinn stated the Petitioner, Toy Barn, Inc., is seeking to appeal a previous decision of the Community Development Commission case 2024-22, in which the CDC voted 0-6 to recommend approval of a Special Use Permit, Motor Vehicle Repair and/or Service at 1081 Entry Dr. The summary of the previous case is below.

The Petitioner, Toy Barn, Inc. (represented by Andy Samovsky), is seeking approval of a special use permit for motor vehicle repair and/or service. According to the applicant, they "now buy lightly damaged vehicles, we repair them and then we sell them." The work is done in a 3,800 square foot unit. The property is currently within an I – 1 Light Industrial District, where motor vehicle repair and/or service are allowed with a special use permit.

Mr. Marshal Subach, Attorney was present and sworn in by Chairman Rowe. Mr. Subach stated he was retained by the applicant after the Community Development's recommendation of denial to the Village Board. Mr. Subach stated he asked, and was granted by the Village Board to have this matter referred back to the Community Development Commission for additional evidence for his client. Mr. Subach stated he client is an operator of one unit withing a multi-tenant building. Mr. Subach stated his client has operated the space since 2018 and has always received his business license. Mr. Subach stated once the pandemic hit, his clients business changed and he began to fix cars that he purchases for resale. Mr. Subach stated his client only repairs his own vehicle and no one from the outside. Mr. Subach stated his client has no outdoor storage. Mr. Subach stated the previous tenant, Tiger Auto Body was granted a special use permit for auto repair and his client is operating in the same capacity as them. Mr. Subach reviewed the finding of fact for his client as seen inside the agenda packet. Mr. Subach stated if the Village denies his clients request, he would be put out of business. Mr. Subach stated his client wants to work with Fenton High School to offer a paid internship program for students.

Commissioner Chambers asked if there are any environmental concerns with the property. Mr. Subach stated his client has installed a triple basin and will get proper approval for a paint booth should his request be granted.

Commissioner Rott asked what type of auto work was being conducted on site. Andy Samovsky, owner of Toy Barn, Inc. was present and sworn in by Chairman Rowe. Mr. Samovsky stated they only work on auto body, nothing else.

Commissioner Marcotte asked if the building has property air ventilation. Mr. Samovsky stated yes and he is willing to install whatever the Village requires should he be approved.

Public Comment

Chairman Rowe asked if there were any members of the Public that would like to make comment.

Linda Brandtland – 915 John Street, Bensenville, Illinois 60106

Ms. Brandtland was present and sworn in by Chairman Rowe. Ms. Brandtland stated when she looked the company up online, there were two businesses listed for the site. Mr. Brandtland stated that vehicle repair business are an issue in Bensenville, especially in the I-1 District.

Mr. Samovsky stated there is a Toy Barn, Inc. located in Ohio and he was contacted by them threatening a lawsuit and to change his name of operation; so he changed his name of operation on Google and is in the process of updating his paperwork with the State of Illinois.

Mr. Quinn stated:

1. Staff recommends the Denial of the Findings of Fact and therefore the denial of the Special Use Permit with the following conditions:
 - a. Should the CDC or Village Board recommend approval, staff recommends the following conditions:
 - i. The Special Use Permit be granted solely to Toy Barn Inc and shall be transferred only after a review by the Community Development Commission (CDC) and approval of the Village Board. In the event of a re-occupancy of this property, the new occupants shall appear before a Public Meeting of the CDC. The CDC shall review the request and in its sole discretion, shall either; recommend that the Village Board approve of the transfer of the lease and/or ownership to the new occupant without amendment to the Special Use Permit, or if the CDC deems that the new occupant contemplates a change in use which is inconsistent with the Special Use Permit, the new occupant shall be required to petition for a new Public Hearing before the CDC for a new Special Use Permit.

- ii. A triple catch basin must be installed.
- iii. All areas where water is pumped must flow through the triple basin.
- iv. A spray booth must be installed.
- v. The fire alarm system must be upgraded.
- vi. The sprinkler system must be connected to the spray booth.
- vii. The unit must be cleaned up.
- viii. The paint mixing area must be properly ventilated.
- ix. No outdoor storage of motor vehicles is permitted.
- x. No outdoor sales are permitted.

Commissioner King stated that it seems like the petitioner has met requirements from the Village and asked Staff for their reason of denial. Mr. Pozsgay stated the Village has had a long history with non-compliance from the petitioner and the code has since changed since the last operator was in the space; the location no longer meets the requirements for the proposed special use.

Motion: Commissioner Chambers made a motion to close CDC Case No. 2024-22. Commissioner Rott seconded the motion.

ROLL CALL: Ayes: Rowe, Chambers, King, Marcotte, Rott

Nays: None

All were in favor. Motion carried.

Chairman Rowe closed CDC Case No. 2024-22 at 7:18 p.m.

Motion: Commissioner Rott made a motion to approve Special Use Permit, Vocational School, Municipal Code Section 10-7-2-1 with Staff's Recommendations. Commissioner Marcotte seconded the motion.

Public Hearing: CDC Case Number 2024-35
Petitioner: SunVest Solar
Location: 1010 Foster Avenue
Request: Variation, Solar Energy Collection System Ground-Mounted
Systems Location
Municipal Code Section 10 – 7 – 4C – 23b – 1

Motion: Commissioner Rott made a motion to open CDC Case No. 2024-35. Commissioner Marcotte seconded the motion.

ROLL CALL : Upon roll call the following Commissioners were present:
Rowe, Chambers, King, Marcotte, Rott,
Absent: Ciula, Wasowicz
A quorum was present.

Chairman Rowe opened CDC Case No. 2024-35 at 7:20 p.m.

Village Planner, Kevin Quinn, was present and sworn in by Chairman Rowe. Mr. Quinn stated a Legal Notice was published in the Bensenville Independent on November 14, 2024. Mr. Quinn stated a certified copy of the Legal Notice is maintained in the CDC file and is available for viewing and inspection at the Community & Economic Development Department during regular business hours. Mr. Quinn stated Village personnel posted one Notice of Public Hearing sign on the property, visible from the public way on November 13, 2024. Mr. Quinn stated on November 13, 2024 Village personnel mailed from the Bensenville Post Office via First Class Mail a Notice of Public Hearing to taxpayers of record within 300' of the property in question. Mr. Quinn stated an affidavit of mailing executed by C & ED personnel and the list of recipients are maintained in the CDC file and are available for viewing and inspection at the Community & Economic Development department during regular business hours.

Mr. Quinn stated the Petitioner, SunVest Solar, is seeking a variance to locate the mechanical portion of a solar energy collection system in the front yard. Mr. Quinn stated the property, 1010 Foster, is a corner side lot with two front yards, and based on an aerial inspection, may be legal non-conforming with the south side of the building in regard to the minimum interior side setback. Mr. Quinn stated the west side of the property is used for parking. Mr. Quinn stated the property falls within an I-2 General Industrial District, bordering to the west an R-3 Single-Unit Dwelling District. Mr. Quinn stated the petitioner has indicated that they would screen the proposed equipment on three sides in accordance with Village Code.

Hosni Kadi, representative of Prologis was present and sworn in by Chairman Rowe. Mr. Kadi stated engineering and surveying has been completed for the proposed project. Mr. Kadi stated Prologis buildings are converting to this technology. Mr. Kadi stated ten Prologis buildings in Bensenville are transitioning and this variance is needed at this location because of the placement of the equipment. Mr. Kadi stated they have revised their plans and will be placing the equipment on site, rather than on the front yard of the property.

There were no questions from the Commission.

Public Comment

Chairman Rowe asked if there were any members of the Public that would like to make comment. There were none.

Mr. Quinn reviewed the approval standards for proposed Variation consisting of:

1. **Public Welfare:** The proposed variation will not endanger the health, safety, comfort, convenience, and general welfare of the public.

Applicant's Response: Yes, the proposed variation will not endanger the health, safety, comfort, convenience, and general welfare of the public.

2. **Compatible with Surrounding Character:** The proposed variation is compatible with the character of adjacent properties and other property within the immediate vicinity of the proposed variation.

Applicant's Response: Yes, the proposed variation is compatible with the character of adjacent properties and other property within the immediate vicinity of the proposed variation.

3. **Undue Hardship:** The proposed variation alleviates an undue hardship created by the literal enforcement of this title.

Applicant's Response: Yes, the proposed variation alleviates an undue hardship created by the literal enforcement of this title.

4. Unique Physical Attributes: The proposed variation is necessary due to the unique physical attributes of the subject property, which were not deliberately created by the applicant.

Applicant's Response: Yes, the proposed variation is necessary due to the unique physical attributes of the subject property, which were not deliberately created by the applicant.

5. Minimum Deviation Needed: The proposed variation represents the minimum deviation from the regulations of this title necessary to accomplish the desired improvement of the subject property.

Applicant's Response: Yes, the proposed variation represents the minimum deviation from the regulations of this title necessary to accomplish the desired improvement of the subject property.

6. Consistent with Ordinance and Plan: The proposed variation is consistent with the intent of the Comprehensive Plan, this title, and the other land use policies of the Village.

Applicant's Response: Yes, the proposed variation is consistent with the intent of the Comprehensive Plan, this title, and other land use policies of the Village.

Mr. Quinn stated:

1. Staff recommends the Approval of the Findings of Fact and therefore the approval of the Variation, with the following conditions:

- i. All solar energy collection system ground-mounted systems must be properly screened in accordance with Village standards.
- ii. All energy collection system ground-mounted systems must not be located in the public right-of-way.

Plans must match those submitted by SunVest Solar LLC on 12.17.24

Mr. Pozsgay stated that the Village is supportive of the initiative from Prologis but explained the Village has never approved such a request for location and that Staff feels there is room on site for the required equipment.

There were no questions from the Commission.

Petitioner: Village of Bensenville
Location: Village of Bensenville
Request: Text Amendments, Municipal Code Section Title 10 (Zoning Ordinance), Chapter 7 (Uses)
Municipal Code Section 10 – 3 – 6

Motion: Commissioner Marcotte made a motion to open CDC Case No. 2025-01. Commissioner Rott seconded the motion.

ROLL CALL : Upon roll call the following Commissioners were present:
Rowe, Chambers, King, Marcotte, Rott,
Absent: Ciula, Wasowicz
A quorum was present.

Chairman Rowe opened CDC Case No. 2025-01 at 7:28 p.m.

Village Planner, Kevin Quinn, was present and sworn in by Chairman Rowe. Mr. Quinn stated a Legal Notice was published in the Bensenville Independent on December 19, 2024. Mr. Quinn stated a certified copy of the Legal Notice is maintained in the CDC file and is available for viewing and inspection at the Community & Economic Development Department during regular business hours.

Mr. Quinn stated the Village of Bensenville is seeking the aforementioned text amendments in order to refine the 2019 Village Zoning Ordinance. Mr. Quinn stated in late 2018, the Village underwent a complete overhaul of its current Zoning Ordinance, which had been adopted in 1999. Mr. Quinn stated since the introduction of the current Ordinance, Staff has been able to identify certain shortcomings while enforcing the regulations and implementing the refurbished zoning application procedures. Mr. Quinn stated the proposed amendment is summarized as follows:

- Establishment of additional location standards for Mechanical Equipment, to allow them to be located in the interior side yard in industrial districts

There were no questions from the Commission.

Public Comment

Chairman Rowe asked if there were any members of the Public that would like to make comment. There were none.

Mr. Quinn reviewed the approval standards for proposed Text Amendments consisting of:

1. **Public Welfare:** The proposed amendments will not endanger the health, safety, comfort, convenience, and general welfare of the public.

Applicant's Response: Since the adoption of the 2019 Zoning Ordinance, a complete overhaul of the previous Code, Staff has been able to find areas for improvement within the code.

The amendment to the code requirements for Mechanical Equipment will not endanger the health, safety, comfort, convenience, and general welfares of the public. The proposed amendment for Mechanical Equipment location clarify aspects of the installation process for Mechanical Equipment and make the process more accessible for those in industrial districts. The proposed amendments keep in consideration and ensure that the general welfare of the public is not impacted.

2. **Amendment Objective:** The proposed amendments correct an error, add clarification, or reflect a change in policy.

Applicant's Response: The proposed amendments are requested to improve and refine the Zoning Ordinance to allow for orderly development in accordance with modern development techniques and add clarification and flexibility for common residential and commercial property zoning considerations.

3. **Consistent with Ordinance and Plan:** The proposed amendments are consistent with the intent of the Comprehensive Plan, this title, and the other land use policies of the Village.

Applicant's Response: The proposed amendments are consistent with the intent of the Comprehensive Plan, this title, and the other land use policies of the Village. Amendments do not contrast Village goals and guidelines, as the amendments are focused on maintaining and promoting orderly land use patterns and development, protect the Village's quality of life and the character of its neighborhoods by ensuring that development is compatible and cohesive, and to promote development that sustainably manages environmentally sensitive issues.

Mr. Quinn stated Staff recommends the Approval of the above Findings of Fact and therefore the Approval of the Text Amendments to the Municipal Code Section Title 10 (Zoning Ordinance), Chapter 7 (Uses).

There were no questions from the Commission.
