Re: February 28, 2017 FOIA Request

Dear Mr. Rubin:

I am pleased to help you with your February 28, 2017 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on February 28, 2017. You requested copies of the items indicated below:

*"Copies of all notices to the owner of properties located at 860 Foster Avenue and 950 Industrial Drive, Bensenville concerning the creation of a Special Assessment District and/or a Special Assessment Area between the years 2005 and 2015 within the Northern Industrial Park."*

After a search of Village files, there were no records found responsive to your request.

Please be advised there were no special assessments formed in relation to the North Industrial Park area. There were, however, a number of Special Service areas formed, nine in total. There would have been a notice of the special service area public hearing sent out to each taxpayer of record for each special service area.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

  
Corey Williamsen  
Freedom of Information Officer  
Village of Bensenville
