<b>Cancellation notices must be received ASAP with copies also sent to the Traffic Center Staff at <a href="mailto:TIMSTOC@getipass.com">TIMSTOC@getipass.com</a>.</b>								
Why Necessary?	Work zone set up for storm sewer installation and Roadway Widening							
How Reducing Impact?	Traffic will be staged per the contract documents.							

All closure requests must be submitted to Lane Closures by e-mail, no later than 9am 10 days in advance of the start of new construction or any major change in traffic. Designate a read and/or delivery receipt within the e-mail to assure delivery. Follow up with a phone call ONLY if the e-mail read/delivery receipt is not verified. A copy of this request should also go to Maria Burnham in Communications as well as Elyse Morgan in the Traffic Center and to the Traffic Center Staff.
