Re: June 12, 2017 Commercial FOIA Request

Dear Mr. Otherman:

I am pleased to help you with your June 12, 2017 Commercial Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on June 12, 2017. You requested copies of the items indicated below:

"Please provide copies of invoices for 2016 for Redspeed photo enforcement services."

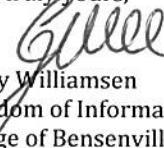

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Photo Enforcement Program Statements for 2016. (60 pgs.)

These are all of the documents that can be discovered responsive to your request.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
Village of Bensenville

		Service Fees Total	\$6,698.32

¹ Outstanding amount due includes all violations mailed but not paid or contested. Please note that not all violations will result in payment.

Explanation of Charges

RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

RedCheck™ Police Violation Review Module

Includes software and hardware needed to review and approve/reject red light or speed violations.

RedCheck™ Court Module

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

RedCheck™ Program Manager Module

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

Software Support & Training

Includes training and technical support for RedCheck™.

Annual Camera Certification

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

RedLightViolations.com Violation View and Payment Portal

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

Monthly Collections Delinquent Payment File

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

Digital Capture, Download and Manual Review

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

Registered Owner

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

Letter Handling

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

Payment Processing

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

Customer Service

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

Digital Archives

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

Credit

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

¹ Outstanding amount due includes all violations mailed but not paid or contested. Please note that not all violations will result in payment.

Explanation of Charges

RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

RedCheck™ Police Violation Review Module

Includes software and hardware needed to review and approve/reject red light or speed violations.

RedCheck™ Court Module

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

RedCheck™ Program Manager Module

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

Software Support & Training

Includes training and technical support for RedCheck™.

Annual Camera Certification

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

RedLightViolations.com Violation View and Payment Portal

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

Monthly Collections Delinquent Payment File

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

Digital Capture, Download and Manual Review

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

Registered Owner

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

Letter Handling

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

Payment Processing

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

Customer Service

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

Digital Archives

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

Credit

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

Credits for camera downtime (days)	10	-\$50.00	-\$500.00
		Subtotal	\$12,421.77
		Credits	-\$500.00
		Service Fees Total	\$11,921.77

¹ Outstanding amount due includes all violations mailed but not paid or contested. Please note that not all violations will result in payment.

Explanation of Charges

RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

RedCheck™ Police Violation Review Module

Includes software and hardware needed to review and approve/reject red light or speed violations.

RedCheck™ Court Module

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

RedCheck™ Program Manager Module

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

Software Support & Training

Includes training and technical support for RedCheck™.

Annual Camera Certification

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

RedLightViolations.com Violation View and Payment Portal

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

Monthly Collections Delinquent Payment File

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

Digital Capture, Download and Manual Review

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

Registered Owner

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

Letter Handling

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

Payment Processing

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

Customer Service

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

Digital Archives

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

Credit

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.
