Re: June 9, 2017 FOIA Request

Dear Mr. Walberg:

I am pleased to help you with your June 9, 2017 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on June 9, 2017. You requested copies of the items indicated below:

*"Red light camera information – detailed FOIA request enclosed."*

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Resolution No. R-101-2015 entitled "A Resolution Authorizing the Extension of the Redspeed of Illinois, LLC Agreement for Traffic Enforcement Systems". (4 pgs.)
- 2) Village of Bensenville Photo Enforcement Program Statements form May 1, 2016 – April 30, 2017. (60 pgs.)
- 3) Village of Bensenville Annual Report. (2 pgs.) The Village's provider, Redspeed, does not have the capability to break down the violations issuance or contested violations figures by type of violation.
- 4) The Village's provider, Redspeed, does not maintain copies of evaluations.
- 5) The Village of Bensenville has three red-light cameras in town:
  - IL Route 83 & N. Grove Avenue. Activation Date: October 4, 2008
  - IL Route 83 & W. Grove Avenue. Activation Date: October 4, 2008
  - York Road & W. Green Street. Activation Date: May 1, 2009
- 6) The Village of Bensenville has no records responsive to your request.
- 7) The Village of Bensenville has no records responsive to your request.

These are all of the documents that can be discovered responsive to your request.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

  
Corey Williamsen  
Freedom of Information Officer  
Village of Bensenville

**Cc:** Mahr, Joseph A.  
**Subject:** Chicago Tribune FOIA Request

1591

Dear FOIA Officer,

This request is made pursuant to the Illinois Freedom of Information Act and seeks copies of the following:

- 1) Any contracts with any vendors of red-light cameras that were signed or in force in the most recent 12 months. *(Note: If you have previously provided us this type of record within the past several months, please feel free to provide only the records that span from then until the most recent record.)*
- 2) The most recent 12 months' of invoices, statements or other billing-type document provided to the municipality by its red light running camera operator. *(Note: If you have previously provided us this type of record within the past several months, please feel free to provide only the records that span from then until the most recent record.)* If not included in the aforementioned records please provide copies of any records showing:
  - The total number of potential violations forwarded by the vendor to your municipality for approval for each intersection and approach (i.e. First Street & Main Street Westbound)
  - The total number of potential violations approved by your municipality – and/or the number of citations issued – for each intersection and approach.
- 3) Any records showing, for the life of the red-light camera program, the number of annual tickets issued annually, tickets contested annually, annual number of vehicle owners found liable at hearings, amount in fines collected annually, and annual disbursements of red light violation money to your municipality. To the extent that any records exist breaking down the figures by the type of red-light violation – such as right-turn on red, left turn on red, straight through on red – please provide them. To the extent that any records exist showing these figures for specific intersections – and/ or specific legs of intersections – please provide them.
- 4) All Evaluation Reports filed by your municipality and/or the municipality's red light camera vendor with the Illinois Department of Transportation (IDOT) as required for all municipalities with red light cameras installed on roadways under state jurisdiction per IDOT Safety Engineering Policy Memorandum 2-07 and 2-13.
- 5) If not included in any records above, any record showing the date each red-light camera became operational. *(Note, this can be limited to only currently operating cameras.)* If this aspect is included in records provided elsewhere, please note in which category of records this information resides.
- 6) Any correspondence – including but not limited to emails and letters – between your municipality (including its employees, elected officials or agents) with any members of the General Assembly regarding any aspect of the municipality's red-light program. This would include, but is not limited to, any correspondence seeking a lawmaker's intervention to assist with the approval of or continuation of a red-light camera permit from IDOT.
- 7) Any policies or procedures developed by your municipality that denote or describe how it determines whether to approve potential violations forwarded by the vendor. For example, if your municipality has a policy to not approve issuing citations for right-turn-on-red, or to not approve violations occurring within a certain timeframe of a light turning red (such as 1 second), please provide them. Please note this seeks separate and distinct policies than those developed or used by the vendor.

As members of the news media, we respectfully request the fees be waived per statute. We also ask that the responsive records be provided electronically, if that is convenient for you. If not, please do not hesitate to contact us to arrange a time to pick them up in person. We would prefer to do that rather than arrange for them to be send via postal service.

If you have any questions about any aspect of this request, please do not hesitate to contact us.

Sincerely,

Matt Walberg and Joe Mahr

**RESOLUTION NO. R-101-2015**

**A RESOLUTION AUTHORIZING THE EXTENSION OF THE REDSPEED OF  
ILLINOIS, LLC AGREEMENT FOR TRAFFIC ENFORCEMENT SYSTEMS**

**WHEREAS**, the Village of Bensenville (hereinafter the "Village") is a body politic and corporate, organized and existing pursuant to the Illinois Municipal Code, 65 ILCS 5/1-1-1 *et seq.*; and

**WHEREAS**, the Village possesses the legal authority to enter into contracts for purposes of discharging its statutory obligations; and

**WHEREAS**, RedSpeed, LLC (hereinafter "RedSpeed) and the Village of Bensenville previously executed a certain Agreement between RedSpeed and the Village for the installation and operation of an automated traffic enforcement system, dating back to March 19, 2008; and

**WHEREAS**, Said Agreement has been amended, from time to time; and

**WHEREAS**, The Village has determined that the RedSpeed automated traffic enforcement system has been effective in deterring violations of the Motor Vehicle Code and has resulted in safer streets within the Village; and

**WHEREAS**, The Village has determined that the automated traffic enforcement system is an effective and cost efficient method of regulating traffic, without the expense of a Police Officer for these types of violations; and

**WHEREAS**, the Village deems it in the best interests of the residents of the Village to continue to monitor and enforce traffic violations through the automated traffic enforcement system; and

**WHEREAS**, the Parties have agreed to enter into a Contract extension for the continued operation of the automated traffic enforcement system; and

**WHEREAS**, the Parties have memorialized said contract extension in Exhibit A, attached hereto and incorporated herein by reference.

**NOW, THEREFORE, BE IT RESOLVED** by the President and Board of Trustees of the Village of Bensenville, Counties of DuPage and Cook, Illinois, as follows:

**SECTION ONE:** The recitals set forth above are incorporated herein and made a part hereof by reference.

**SECTION TWO:** The Contract extension with RedSpeed Illinois, LLC for services in furtherance of the Village's automated traffic enforcement system, a copy of which is attached hereto as Exhibit "A" and made part hereof, is hereby approved.

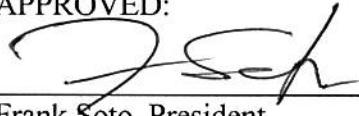

**SECTION THREE:** The Village Manager, or his designee, is authorized to take such steps as required under the Agreement to implement the Contract extension.

**SECTION FOUR:** The Village Clerk shall send a copy of this Resolution and the executed Contract extension to RedSpeed of Illinois, LLC.

**SECTION FIVE:** This Resolution shall be in full force and effect upon its passage and approval, as provided for by law.

**PASSED AND APPROVED** by the President and Board of Trustees of the Village of Bensenville, this 22nd day of September, 2015.

APPROVED:

September 30, 2015

**RE:** March 19, 2008 Agreement between RedSpeed Illinois, LLC (“RedSpeed”) and the Village of Bensenville, an Illinois Municipal Corporation (“Municipality”) for Traffic Law Enforcement System, as amended by the October 27, 2009 First Amendment to Agreement and July 18, 2011 Second Amendment to Agreement (collectively the “Agreement”).

In consideration of RedSpeed providing Municipality with upgraded Equipment as that term is defined in the Agreement, and pursuant to Page 3, Section 3 (Term) of the Agreement, Municipality extends the term of the Agreement for two (2) additional years commencing from the date that this letter is executed by the last of RedSpeed or Municipality to execute the same (the “Effective Date of Extension”).

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department.
