Re: June 15, 2017 FOIA Request

Dear Mr. Lentzen

I am pleased to help you with your June 15, 2017 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on June 15, 2017. You requested copies of the items indicated below:

"We respectfully request any potable well documentation that you may have including residential, commercial or municipal wells within one-half mile radius of 1100 North Ellis Street."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville E-Mail from Village Engineering Technician with Attachments. (3 pgs.)

These are all of the documents that can be discovered responsive to your request.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

We have no municipal wells within 2,640 feet of the referenced parcel. The nearest one, at Foster, is outside of that area.

Public Works has no records concerning private wells. We know that the residential properties in Mohawk Terrace highlighted on the enclosed map do not have municipal water, therefore they must have water wells. The PINs are listed here-
