Re: July 18, 2017 Commercial FOIA Request

Dear Mr. Sweatt:

I am pleased to help you with your July 18, 2017 Commercial Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on July 18, 2017. You requested copies of the items indicated below:

"We are seeking all available electronic building permit data (all types including residential and commercial), including permits for occupancy permits, swimming pools, sump pumps, and adjacent structures, for the months of May and June 2017. We are NOT seeking copies of every building permit, but rather a log of the permit data (permit number, property address, date of issuance, scope of work, etc). We understand that this is a large and uncommon task and may take longer than the traditional public records request. Our preferred formats are JSON, CSV, or Excel, but if those are not available we would appreciate any other format. Please feel free to contact me with any questions or concerns. Thanks so much for your time."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Permits Issued May 1, 2017 – June 30, 2017. (7 pgs.)

These are all of the documents that can be discovered responsive to your request.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
Village of Bensenville

Freedom Of Information Act (FOIA) Request

DataRole
