Re: August 1, 2017 FOIA Request

Dear Ms. Cattell:

I am pleased to help you with your August 1, 2017 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on August 1, 2017. You requested copies of the items indicated below:

*"We need a copy of the electrical inspectors report and any notes for Murphy Citgo 1225 W. Devon Ave. in Bensenville. We had 2 permits for this work, the application number I have are 5711 and 5949."*

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Inspection Report for Permit No. 5949. (1 pg.)

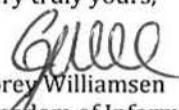

These are all of the documents that can be discovered responsive to your request.

Village of Bensenville permit no. 5711 was for a concrete slab that did not have any electrical inspection completed.

The Village of Bensenville has an open electrical permit (permit no. 6768) that is currently open and never requested for an inspection. Please contact the Community and Economic Development Department to schedule.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

  
Corey Williamsen  
Freedom of Information Officer
