PRECAUTIONARY BOIL ORDER ADVISORY

Date: 8/21/17, Boil Order Goes in Place 8/22/17 at 9:00am

Dear Customer:

Effective immediately the Utilities Division has issued this advisory due an emergency water main break in your area. The customers affected are noted below:

Church Road – 140, 136, 134, 128, 124, 131, 101

The Utility Division has submitted a water sample for Bacteriological testing and is waiting for confirmation the water quality in this area is safe for drinking. This **Precautionary Boil Advisory** is expected to remain in effect until bacteria tests are completed which usually takes between 24 and 36 hours to get the results submitted back to us. Once we receive the “ALL CLEAR” we will notify again by notice.

If more tests are required from our certified laboratory, Village personnel will notify you to extend the boil advisory.

Water used for drinking, food preparation, washing dishes or brushing teeth must be boiled. Water for these purposes should be brought to a rolling boil for a minimum of 5 minutes.

The Village apologizes to our customers for any inconvenience and appreciates your cooperation.

Should you have any questions or concerns please call Public Works at 630-350-3435

Best Regards,

Bensenville Department of Public Works
Utilities Division
