Re: October 9, 2017 FOIA Request

Dear Ms. Berisford:

I am pleased to help you with your October 9, 2017 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on October 9, 2017. You requested copies of the items indicated below:

"I am looking to confirm the construction date for a commercial property located at 1204-1208 West Irving Park Road. I currently have conflicting information, which I hope the city might be able to provide documentation records (copy of construction permits/occupancy records)."

Also,

"I'm trying to determine when the former building (potentially addressed as 1210-1216 West Irving Park Road) was demolished. Any information would be helpful."

After a search of Village files, there was no information found responsive to your request.

You may want to reach out to the DuPage County Record's Office to inquire for potential records responsive to your request.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
