Re: January 11, 2018 FOIA Request

Dear Mr. Khoury:

I am pleased to help you with your January 11, 2018 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on January 11, 2018. You requested copies of the items indicated below:

"Blue prints for 529 E. Crest Ave., Bensenville and 273 E. Crest St. Bensenville."

After a search of Village files, there was no information found in our records for 529 East Crest Avenue responsive to your request.

The Village does have documents responsive to your request for 273 East Crest Street.

Section 7(1)(K) of FOIA provided that architects' plans, engineers' technical submissions, and other construction related or developed in whole or in part with public funds and the same of projects constructed or developed with public funds, including but not limited to power generating and distribution stations and other transmission and distribution facilities, water treatment facilities, airport facilities, sports stadiums, convention centers, and all government owned, operated or occupied buildings, but only to the extent that disclosure would comprise security are exempt from disclosure. Consequently, drawings have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: publicaccess@atg.state.il.us. You may also have a right of judicial review of the denial under Section 11 of FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
