Re: April 25, 2018 Commercial FOIA Request

Dear Mr. Tomar:

I am pleased to help you with your April 25, 2018 Commercial Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on April 25, 2018. You requested copies of the items indicated below:

*"I am working with all the cities across Chicagoland region, to create a centralized location where public can easily access all the permits on any residential property for FREE. This is a very helpful piece of date for folks looking to buy houses, to see what major work was done, especially on older houses. I am requesting all the permits approved in Bensenville from 1/1/18 - present. Going forward, I will send monthly FOIA request to keep my information updated."*

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Residential Permits Issued 1/1/18 - 4/26/18. (3 pgs.)

These are all of the documents that can be discovered responsive to your request.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

  
Corey Williamsen  
Freedom of Information Officer  
Village of Bensenville
