Re: May 25, 2018 FOIA Request

Dear Stateline Environmental:

I am pleased to help you with your May 25, 2018 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on May 25, 2018. You requested copies of the items indicated below:

"Building Department: Any building records including permits for construction, renovation, demolition or alterations. Also, any information pertaining to violations or information, which would be considered environmentally sensitive for the property located at 1101 Sesame Street, Bensenville, Illinois."

After a search of Village files, there was no information found responsive to your request.

The Village of Bensenville does not have an address "1101 Sesame Street" in our database.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
