Re: September 27, 2018 FOIA Request

Dear Mr. Phelps:

I am pleased to help you with your September 27, 2018 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on September 27, 2018. You requested copies of the items indicated below:

"Winning bid and proposal for recycling events held in 2017 & 2018 along with final weights a invoice. If not events were held please send the past 2 events that were held."

After a search of Village files, there was no information found responsive to your request.

The Village of Bensenville has never hosted an electronics recycling event. The Village of Bensenville did participate in the DuPage County recycling program for two years. That program was abolished and the Village stopped.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
