**Re: February 27, 2019 FOIA Request**

Dear Mr. De Michele:

I am pleased to help you with your February 27, 2019 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on February 27, 2019. You requested copies of the items indicated below:

*"A copy of the IEPA loan application for White Pines Subdivision as prepared by Christopher Burke Engineering with all supporting documents."*

After a search of Village files, the following information was found responsive to your request:

- 1) Illinois Environmental Protection Agency Funding Nomination for Loan Assistance. (3 pgs.)

These are all the records found responsive to your request.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,  
  
Corey Williamsen  
Freedom of Information Officer  
Village of Bensenville

## Instructions for Funding Nominations for Loan Assistance for Drinking Water Loan Projects

Funding Nominations must be received by the Agency on or before January 31 preceding the fiscal year for which assistance is requested in order to be included on the Agency's printed priority list or Intended Use Plan. Funding Nominations should be sent to the Agency at Post Office Box 19276, Springfield, IL 62794-9276. The following provides further explanation of the funding nomination and the priority scoring process:

1. Legal name of the loan applicant that will own the facilities to be constructed.
2. Address of loan applicant.
3. Check the box that best describes your organizational status from the following choices:
  - Local Units of Government. (Including cities, villages, townships, counties, and special service areas)
  - Investor Owned Water Utility if under Illinois Commerce Commission regulation and operating as a separate and distinct water utility.
  - Not for Profit Water Corporation if operating as a separate and distinct water utility.
  - Mutually-owned or Cooperatively-owned Water System if operating as a separate and distinct water utility.
4. The county and districts should be consistent with the mailing address.
5. The authorized representative must be the person or officer with the loan applicant that will be responsible to execute loan documents.
6. The name of the Architectural/Engineering consultants or loan applicant's Engineer that will be responsible for the project planning, design and construction of the loan project.
7. Public Water Supply Facility Number.
8. A separate funding nomination should be submitted for each type of project and for each project of the same type that will not be constructed concurrently.

*Note: Not all of the information used to determine the priority of projects comes from information submitted on the funding nomination. Some of the information used to complete the scoring process will be provided by the Agency from its records or produced during the project planning approval process. Population figures for projects that serve less than the applicant's entire service area will be taken from the Agency approved project planning report. The Agency will also provide the economic data and source water protection data that is used in the priority scoring process. Additional information that will be provided by the Agency from its records or produced during the project planning approval process is italicized below with the affected project type. In the absence of this information at the time of priority scoring, a default value of one will be used in the priority scoring calculation until the appropriate value has been determined.*
9. Provide the number of water customers that are billed for water service.
10. Provide the current population to be served by the project.
11. Provide a description of the proposed drinking water construction project.
12. Provide an estimate of the cost for the proposed project and the proposed loan amount.
13. Provide an estimated schedule for:
  - The submission of the project planning to the Agency.
  - The submission of engineering plans and specifications to the Agency.
  - The award of the construction contract.
  - The completion of construction.
