Re: June 21, 2019 FOIA Request

Dear Mr. Luczak:

I am pleased to help you with your June 21, 2019 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on June 24, 2019. You requested copies of the items indicated below:

*"Regarding citations# CS23498, CS23497, CS23496 & CS23495: Provide information as to why the Email send to the Chief of Police for Bensenville regarding these issues was ignored by the Police Department. Locations of cars written, parked on street or private property."*

After a search of Village files, the following information was found responsive to your request:

- 1) Village of Bensenville Email Written to Robert Luczak. (1 pg.)

These are all the records found responsive to your request.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen  
Freedom of Information Officer  
Village of Bensenville

Mr. Luczak,

Thank you for your email in reference to the citations. I apologize for the delay in responding, the officer that issued the tickets was in an extended training so I was unable to review the citations with him. After speaking with the officer and reviewing the citations I learned that he did in fact issue the citations to a Honda CRV. For an unknown reason, the license plate 2189842 was on the vehicle. The citations were left on the Honda CRV at the residence. The way the electronic parking citation system is set up, notices of the citations are also mailed to the registered owners of the vehicles. In this case, the owner of the vehicle received the notices as well as your father, since the license plate 2189842 is still registered to your father.

The citations have been paid by the owner of the Honda CRV.

I apologize for any undue stress this may have caused you. I would recommend you contact the Secretary of State and inform them of the situation.

Please feel free to contact me with any further questions.

Thank you,

**Brian Dooley**
