I appreciate the input from officers but your participation is always off the charts! Your extra efforts are always recognized, noted and appreciated not only by me but by the Village Board as well . . . (I brought you up in the spotlight show and at the last meeting with them)

I was very impressed by your latest Ring initiative and look forward to implementing it as an addition to our Securewatch program.

I appreciate your dedication and efforts!

Thanks Alison,

The towing contracts had to be returned by 31 May so that we could make a decision on a towing company.

We plan on making it this week. Only two companies submitted applications to be considered, Cherry's and Tomatow

It looks like it's going to be an easy decision

Hello,

I wanted to inform you the Ring Doorbell Neighborhood announcement has been made to members of the application. I have my final webinar tomorrow which will then complete the process and the Police Department will be able to access the Ring portal. I will make accounts for Detectives and administration as soon as it opens up.

Ring asks that Bensenville's social media also publicize the below information so we can get as much exposure as possible and get as many users on the application to better benefit us.

Can we please request the below information be shared on Bensenvilles' Social Media pages? If you can please advise who I can forward this to, I will get it sent out to them.

Thank you! I will also update you tomorrow once it all goes live after the webinar.

Hi Alison,

Reaching out to confirm that the **In-App announcement** has gone out and your Neighbors portal features are now fully active. Lead coordinators can now get hands-on training and experience using portal before the full Dept Onboarding and should make for a more smooth and effective rollout.

PR materials and guidelines below are equally important to team success now that the partnership has shifted towards a public-facing conversation. Please review and circulate materials to your internal team as needed and share any questions, concerns or feedback you have for us at any point in the process.

If media reaches out with questions about the partnership or the Neighbors app, or for assistance with overall PR strategy, please contact Ring's PR Coordinator Morgan Culbertson (morgan@ring.com) directly (also copied on this email).

-
-
- **All public facing messaging and materials must be approved by both parties;**

-
- **Media inquiries and public requests for information about Ring or Neighbors should be flagged with both parties**
-

-
- **Per Ring's company policy, we do not publicly disclose**
- **the number of app downloads or device users residing in a given area or jurisdiction to protect user privacy**
-
-
- **Neighbors Portal back-end features should not be shared with the public,**
- **including** the law enforcement portal on desktop view, the heat map, sample video request emails or the video request process itself as they often contain sensitive
- investigative information
-
-
- **Ring or Neighbors-specific questions from media can be directed to**

Officer Valois,

Thank you for your interest in our law enforcement program - Neighbors Portal by Ring. Please find below a summary of our program.

Summary of the program

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal is free to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (about posted video or in response to posted comments).
3. **Alerts** - You may post alerts which are highly relevant (proximity) to the recipient.
4. **Video Request** - You may request videos from Ring device owners who may have captured footage, that may be of relevance to new or active investigations.

We would love to share information on the program through a live webinar, as per your convenience and availability. Please have a look at the link below and book a time that works for you.

Booking Link: <https://rohitmurti.youcanbook.me/>

While we encourage the participation of as many officers as are interested, the presence of the following personnel would be essential to ensure optimal experience and results with Neighbors Portal by Ring:

- Partnership Coordinator
- Public Information Officer / Social Media Liaison
- Investigative - CID/Crime/Property Crime

Hello,

I wanted to update you all on the progress with the Ring doorbell idea I had briefly proposed to DC Dooley and DC Zodrow in passing a few weeks ago. Once I started digging around, I reached out to Ring corporate who advised I would have to complete a webinar on how to use the program and what it has to offer. After the Mamma Marias burglary and trying to find any homes with cameras, I saw this option in my own Ring doorbell app where people in the surrounding area upload videos, photos and can post about what they are seeing/hearing.

I did the webinar for the Ring Doorbell "Neighbors" application today. All videos from any Ring doorbells (or any other members of the Neighbors app using any cameras/videos/photos) can be uploaded to one place in lieu of having to go door to door to get videos/photos. Once we notify the community of our involvement in the app, more and more people can join the app, upload their videos and make our investigations even better and more fruitful.

We can also send out community alerts, request all videos at once for a specified location based on square miles, etc. It has a lot to offer!

Most importantly, there is **no** cost to us, the Village or anyone. It is a free service from Ring in an effort to reduce crime. The gentleman I have been speaking with advised to complete the process, our Board may need to vote on it and complete a MOU (Memorandum of Understanding) He explained they may not need to be involved but I am not sure of that end. That document is attached as well as all the information he provided below.

I am excited to be able to bring this technology to our Department and work with everyone.

Thank you for your time,

Subject: Ring MOU - Bensenville Police Department, IL

Officer Valois,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

An overview of our program:

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal is free to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (about posted video or in response to posted comments).
3. **Alerts** - You may post alerts which are highly relevant (proximity) to the recipient.
4. **Video Request** - You may request videos from Ring device owners who may have captured footage, that may be of relevance to new or active investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My cell number is 832-992-9910. As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email.

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

- Partnership Coordinator - Officer Alison Valois (avalois@bensenville.il.us)
- Public Information Officer / Social Media Liaison - TBD
- Investigative (CID/Crime/Property Crime) - TBD
- Community Outreach Officer - TBD
- Social Media Coordinator - TBD

Thank you again for meeting with me. I look forward to working with you and Bensenville Police Department.

Sincerely,

Neighbors by Ring

Memorandum of Understanding

This agreement is entered into this _____ day of _____, 2019 by and between Ring LLC (“Ring”) and Bensenville Police Department (“Agency”), (collectively the “parties”) and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app (“Ring Neighbors”) and encourage community engagement as we work together to make Bensenville’s (“Village”) neighborhoods safer.

- Neighbors by Ring app (“Neighbors App”) is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to Village residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party’s name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency’s participation in the Neighbors App.

Term

Agency’s participation in the program shall commence upon Agency’s acceptance of these program terms. Either party may terminate Agency’s participation in the program at any time by providing 30 days’ written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days’ written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

Hello,

I wanted to inform you the Ring Doorbell Neighborhood announcement has been made to members of the application. I have my final webinar tomorrow which will then complete the process and the Police Department will be able to access the Ring portal. I will make accounts for Detectives and administration as soon as it opens up.

Ring asks that Bensenville's social media also publicize the below information so we can get as much exposure as possible and get as many users on the application to better benefit us.

Can we please request the below information be shared on Bensenvilles' Social Media pages? If you can please advise who I can forward this to, I will get it sent out to them.

Thank you! I will also update you tomorrow once it all goes live after the webinar.

Hi Alison,

Reaching out to confirm that the **In-App announcement** has gone out and your Neighbors portal features are now fully active. Lead coordinators can now get hands-on training and experience using portal before the full Dept Onboarding and should make for a more smooth and effective rollout.

PR materials and guidelines below are equally important to team success now that the partnership has shifted towards a public-facing conversation. Please review and circulate materials to your internal team as needed and share any questions, concerns or feedback you have for us at any point in the process.

If media reaches out with questions about the partnership or the Neighbors app, or for assistance with overall PR strategy, please contact Ring's PR Coordinator Morgan Culbertson (morgan@ring.com) directly (also copied on this email).

Officer Valois,

Please find the fully signed MOU agreement, attached. Thank you for working with me through this process. Please allow me to introduce you to your Partner Success Associate - Anthony Modestine.

Anthony brings extensive experience in the business and is well positioned to successfully onboard and work with you and Bensenville Police Department. The next step to commence Portal onboarding will be to set up a 1-hour webinar with you, key stakeholders and Anthony. As the onboarding is of a 'train-the-trainer' style, we only require the following personnel to join:

- **Partnership Coordinator** - main champion for the Ring partnership.
 - Name - Officer Alison Valois
 - Email - avalois@bensenville.il.us

- **Press/Media Coordinator** - typically the PIO who will coordinate the initial partnership announcement and ongoing PR.
 - Name - Officer Alison Valois
 - Email - avalois@bensenville.il.us
- **Community Relations Coordinator** - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc..
 - Name - Officer Alison Valois
 - Email - avalois@bensenville.il.us
- **Investigative Coordinator** - your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of videos.
 - Name - Officer Alison Valois
 - Email - avalois@bensenville.il.us
- **Social Media Coordinator** - your resident expert who is responsible for posting to social media.
 - Name - Officer Alison Valois
 - Email - avalois@bensenville.il.us

Involvement by each of these groups is essential for active community participation (specifically on video requests) and overall long-term success of the partnership. Please ensure you have access to a computer in order for us to screen-share the Portal with you. Anthony, could you please coordinate with Officer Valois to identify a day and time that works for all of your schedules?

Thank you, to you all, for your time.

Sincerely,

Subject: Portal Activated + PR Materials / Guidelines - Bensenville (IL)

Hi Alison,

Reaching out to confirm that the **In-App announcement** has gone out and your Neighbors portal features are now fully active. Lead coordinators can now get hands-on training and experience using portal before the full Dept Onboarding and should make for a more smooth and effective rollout.

PR materials and guidelines below are equally important to team success now that the partnership has shifted towards a public-facing conversation. Please review and circulate materials to your internal team as needed and share any questions, concerns or feedback you have for us at any point in the process.

If media reaches out with questions about the partnership or the Neighbors app, or for assistance with overall PR strategy, please contact Ring's PR Coordinator Morgan Culbertson (morgan@ring.com) directly (also copied on this email).

Neighbors App PR Materials Folder ([Click to Access](#)) includes:

- Pre-approved social media announcement templates (a great tool for informing the community)
- Key Neighbors App Talking Points
- Reactive Q+A
- Hi-res Neighbors app imagery

Custom Neighbors App Download Link: Download.ring.com/Bensenville

Simple Text Code: 'BensenvilleIL' to 555888 from your smartphone. *(not case sensitive)*

General PR Guidelines

- **All public facing messaging and materials must be approved by both parties;** either by using approved templates or submitting to Ring PR for approval
- **Media inquiries and public requests for information about Ring or Neighbors should be flagged with both parties**
- **Per Ring's company policy, we do not publicly disclose the number of app downloads or device users residing in a given area or jurisdiction to protect user privacy**
- **Neighbors Portal back-end features should not be shared with the public, including the law enforcement portal on desktop view, the heat map, sample video request emails or the video request process itself as they often contain sensitive investigative information**
- **Ring or Neighbors-specific questions from media can be directed to morgan@ring.com and any additional materials, examples, templates or information needed to support your outreach can be supplied by your PSM and the Ring PR team (all ccd).**

That's it for now! We'll be on standby for any questions and keep us posted on any plans for outreach.

Hi Alison,

Reaching out to confirm that the In-App announcement has gone out and your Neighbors portal features are now fully active. Lead coordinators can now get hands-on training and experience using portal before the full Dept Onboarding and should make for a more smooth and effective rollout.

PR materials and guidelines below are equally important to team success now that the partnership has shifted towards a public-facing conversation. Please review and circulate materials to your internal team as needed and share any questions, concerns or feedback you have for us at any point in the process.

If media reaches out with questions about the partnership or the Neighbors app, or for assistance with overall PR strategy, please contact Ring's PR Coordinator Morgan Culbertson (morgan@ring.com) directly (also copied on this email).

Neighbors App PR Materials Folder ([Click to Access](#)) includes:

- Pre-approved social media announcement templates (a great tool for informing the community)
- Key Neighbors App Talking Points
- Reactive Q+A
- Hi-res Neighbors app imagery

Custom Neighbors App Download Link: Download.ring.com/Bensenville

Simple Text Code: 'BensenvilleL' to 555888 from your smartphone. (*not case sensitive*)

General PR Guidelines

- **All public facing messaging and materials must be approved by both parties;** either by using approved templates or submitting to Ring PR for approval
- **Media inquiries and public requests for information about Ring or Neighbors should be flagged with both parties**

- **Per Ring's company policy, we do not publicly disclose the number of app downloads or device users residing in a given area or jurisdiction to protect user privacy**
- **Neighbors Portal back-end features should not be shared with the public, including the law enforcement portal on desktop view, the heat map, sample video request emails or the video request process itself as they often contain sensitive investigative information**
- **Ring or Neighbors-specific questions from media can be directed to morgan@ring.com and any additional materials, examples, templates or information needed to support your outreach can be supplied by your PSM and the Ring PR team (all ccd).**

That's it for now! We'll be on standby for any questions and keep us posted on any plans for outreach.
