Re: September 24, 2019 Commercial FOIA Request

Dear Mr. Krein:

I am pleased to help you with your September 24, 2019 Commercial Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on September 24, 2019. You requested copies of the items indicated below:

"True North is requesting documentation concerning the location and type of public water wells, private water wells, community supply wells, and non-community water supply wells within a 2,500-foot radius of the subject property on file with the Village of Bensenville. The subject property is listed as 100 North Church Road in Bensenville, Illinois."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Water Wells within 2,500 Ft. of 100 North Church Road. (1 pg.)

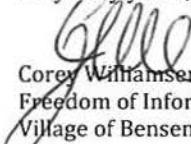

These are all of the documents that can be discovered responsive to your request.

The Public Supply Well identified on the attached map is owned and operated by the Village of Bensenville. The well is an emergency backup well that is active. The Village has not had to put the well in service since we converted to Lake Michigan water in 1992. The well is tested regularly.

The Private Supply well identified just north of Irving Park Road is in our system map, but we do not have any details on the use or whether or not it is active at this time.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamson
Freedom of Information Officer
