Re: November 6, 2019 FOIA Request

Dear Ms. Weber:

I am pleased to help you with your November 6, 2019 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on November 6, 2019. You requested copies of the items indicated below:

"Any and all contracts with, payments to, and invoices from Alaniz Landscaping Group between 2010 and the present."

After a search of Village files, the following information was found responsive to your request:

- 1) Village of Bensenville Resolution No. R-31-2012. (34 pgs.)
- 2) Village of Bensenville Resolution No. R-53-2015. (31 pgs.)
- 3) Village of Bensenville Purchase Order No. 20124817-00. (1 pg.)
- 4) Alaniz Landscape Group Invoice #4633. (2 pgs.)

These are all the records found responsive to your request.

Please be advised that Alaniz Landscape Group was the apparent low bid in 2015, however were non responsive to the Village and the contract was awarded to another company.

Section 7(1)(b) of FOIA provided that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords, or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when complied without possibility of attribution to any person." 5ILCS 140/2(c-5). Consequently, certain identifiers have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: publicaccess@atg.state.il.us. You may also have a right of judicial review of the denial under Section 11 of the FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
Village of Bensenville

RESOLUTION NO. R-31-2012

**AUTHORIZING THE EXECUTION OF A PURCHASE ORDER
TO ALANIZ LANDSCAPE GROUP INC. FOR THE 2012 PARKWAY TREE
PLANTING PROGRAM**

WHEREAS the Village of Bensenville, in an effort to grow and diversify our urban forest, set out an aggressive plan to plant over 100 trees in 2012, and

WHEREAS on December 14, 2011 Emerald Ash Borer (EAB) was formally confirmed in Bensenville by the Illinois Department of Natural Resources, and

WHEREAS the Department of Public Works was able to secure an EAB Urban Forest Restoration Grant from the US Forest Service in the amount of \$10,000 to help offset planting costs due to EAB infestation, and

WHEREAS the Village formally opened bids for a tree planting contract on March 12, 2012.

BE IT RESOLVED by the President and Board of Trustees of the Village of Bensenville, Counties of DuPage and Cook, Illinois as follows:

THAT the Village Board authorizes the Village Manager to execute a purchase order and other associated documents to Alaniz Landscape Group Inc. of Elgin, IL for parkway tree planting services for an amount not to exceed \$29,668.00 for the 2012 Parkway Tree Planting Program; and

PASSED AND APPROVED by the President and Board of Trustees of the Village of Bensenville, Illinois, March 27, 2012.

BID SPECIFICATIONS

Village of Bensenville, Illinois

2012 Parkway Tree Planting Program

PART I GENERAL SPECIFICATIONS

1. CONDITIONS

Bidders are advised to become familiar with all conditions, instructions and specifications governing their proposal. Once the award has been made, failure to have read all the conditions, instructions and specifications of their contract shall not be cause to alter the original contract or to request additional compensation.

2. BID SECURITY

2.1 Each Bid must be accompanied by Bid security made payable to the Village in an amount of five percent (5%) of the Bidder's maximum Bid price and in the form of a certified or bank check or a Bid Bond.

2.2 Bid Bonds shall be duly executed by the Bidder as principal and having as surety thereon a surety company approved by the Village, having the minimum equivalent of a Best and Co. 5A Rating.

3. ADJUSTMENTS TO THE CONTRACT

Prospective Bidders are forewarned that the Village of Bensenville reserves the right to adjust the quantities of work to be accomplished, either up or down, dependent on the current budget or until budgeted funds are depleted without prejudice to the Contract. Payment will be based on accepted unit prices.

4. DAMAGES TO PROPERTY

4.1 The CONTRACTOR shall be responsible for any damage to properties caused by the acts of their work in the course of performance of this contract and shall replace or restore to its original condition any such damaged property at no cost to the occupant or

Initial: mm

owner or the Village. The Village shall be held harmless for all liability under the Scope of Work of this contract.

4.2 The CONTRACTOR is not authorized to drive equipment on to private property without proper written authority from the property owner.

4.3 It is recommended that, for the CONTRACTOR'S protection, if any damage exists before work begins (including sidewalk, driveway cracks) that the Director of Public Works or appointed representative be notified of such, prior to work beginning. Visual records (pictures) shall be taken by the contractor of any preexisting damage before work begins.

5. TIME OF COMPLETION, PENALTY, AND LIQUIDATED DAMAGES

5.1 The CONTRACTOR understands that all contract times are of the essence. Penalties will be imposed for non-completion of the set dates.

5.2 Should the CONTRACTOR fail to complete the work within the time specified in the Contract or within such extended time as may have been allowed, the CONTRACTOR shall be liable to the Village in the amount of One hundred dollars (\$100.00), as liquidated damages, for each day of overrun in the contract time or such extended time as may have been allowed. The daily charge shall be made for every day shown on the calendar beyond the specified completion date.

5.3 Any penalty or liquidated damages owed the Village may be deducted from any payments to the CONTRACTOR. If the deduction does not satisfy the full extent of the CONTRACTOR'S penalty obligation, then the CONTRACTOR shall pay the difference to the Village. The parties further agree that the liquidated damages represent the minimum damage the Village will sustain for each calendar day of the delay in final completion of the work.

PART II TECHNICAL SPECIFICATIONS

1. GENERAL

1.1 Bidding requirements, general and special conditions and other special requirements are hereby made part of the general specifications. Standard specifications of technical or professional societies and federal, state or local agencies referred to shall include all amendments as of the date of advertisement for bids.

1.2 These specifications include standards necessary for and incidental to the execution and completion of planting, including hauling and spreading of topsoil, and finished grading.

1.3 Applicable specifications and standards:

- *American Standard for Nursery Stock*. ANSI Z60.1-2004
- *Principles and Practices of Planting Trees and Shrubs*. International Society of Arboriculture.
- *Standardized Plant Names* American Joint Committee on Horticulture Nomenclature.
- *American National Standards Institute for Tree Care Operations- Transplanting*. ANSI A300-2005
- *Standard Specifications for Road and Bridge Construction*. Illinois Department of Transportation.

2. QUALITY OF TREE MATERIALS

2.1 Unless otherwise specified, trees must originate from an Illinois Department of Agriculture Certified Nursery and shall be first class nursery grown representatives of their normal species and varieties. Plants shall be nursery grown in accordance with good horticultural practices under climatic conditions similar to those in the locality of the Village of Bensenville for the last two years. They shall have been freshly dug during the most current harvest season. They shall have average or normal well developed branches, together with vigorous root systems. Trees shall be free from insects, eggs, larvae, diseases, sun scald, knots, stubs, or other objectionable disfigurements. Thin, weak trees will not be accepted. Trees must show appearance of normal health and vigor in strict accordance with these specifications.

2.2 Trees shall be free of branches (undertrimmed) no higher from the ground line than 1/2 the total height of the tree; shall have single leaders, be well branched, and with reasonable straight stems. This requirement shall cover general species, but some varieties, which have other characteristics of growth, will be accepted. Trees with multiple leaders, unless specified, will be rejected. Trees with a damaged or crooked leader, bark abrasions, sunscald, disfiguring knots, insect damage or cuts larger than 3/4 inch in diameter that are not completely closed will be rejected.

Initial: MA

2.3 Trees shall be true to their name as specified.

2.4 Topsoil (if needed) furnished shall be free of roots, stones over one (1) inch in diameter, herbicides, subsoils, contaminants and construction debris. Topsoil shall not be frozen or muddy. All surplus topsoil shall be removed by the contractor.

3. SIZE – Tree plantings shall be a minimum of 2 ½" in diameter. Request for pricing shall include 2 ½" and 3" diameter.

4. MEASUREMENT FOR SIZE

Trees up to four inches in diameter shall be measured six inches above the natural ground line.

5. QUANTITY - As listed. The Village reserves the right to increase or decrease the number of any species of trees depending upon need.

6. BALLED AND BURLAPPED TREES

Trees shall be balled and burlapped, and dug with a sufficient quantity of earth taken equally on all sides and bottoms of the trees to include the necessary roots to ensure growth as specified in the most recent edition of the *American Standard for Nursery Stock*. The thickness of depth of the balls shall be prepared in a workmanlike manner and firmly bound. All material purchased shall be tagged and clearly labeled by the nursery with the common name as shown on the bid list.

7. INSPECTION OF TREE MATERIAL

7.1 Inspection of tree material will be made by the Public Works Supervisor, or his designee, prior to planting in its final destination. A written request for the inspection of the plant material must be made ten (10) working days in advance prior to digging. The request shall state the place of growth and quantity of plants to be inspected. The Village reserves the right to refuse the inspection if in its judgment the quantity of trees to be harvested is an insufficient amount.

7.2 Approval of tree material on examination shall not be construed as an acceptance of it. Final acceptance will not be made until the planted tree is in a healthy, growing condition twelve (12) months after planting.

7.3 All tree material shall comply with State and Federal laws with respect to inspection for tree diseases and insect infestation. An inspection certificate, required by law to this effect, shall accompany the shipment and on arrival the certificate shall be filed with the Director of Public Works.

Initial: MA

7.4 All plants shall be selected and tagged by the contractor at their place of growth.

8. DIGGING OF TREES

Trees shall not be dug until the contractor is ready to transport them from their original locations to the site of work or approved storage. The maximum time lapse between digging and properly loaded for delivery to the site of work shall be four days for balled and burlapped trees. They shall be dug with care, avoiding injury to the trees or loss or damage of the roots, including all of the fibrous roots. Immediately after digging, roots shall be protected against drying and freezing.

9. TRANSPORTATION

During transportation, the contractor shall exercise care to prevent injury and drying out of the trees. Upon arrival to the site of work, trees will be inspected for proper shipping procedures. Should the roots be dried, primary branches broken, balls of earth broken or loosened, or areas of bark torn, the Public Works Supervisor, or his designee, may reject the injured tree. When a tree has been rejected, the contractor shall at once remove it from the area of work and replace it without any additional expense to the Village of Bensenville. All trees shall be delivered with no tree wrap.

10. SAFETY

While working within the Village of Bensenville rights-of-way, the contractor shall conform to IDOT *Standard Specifications for Road and Bridge Construction* for work zone safety.

11. USE OF EXISTING TREE MATERIAL

Existing tree material shall be used for backfill except in cases where the soil is deemed unsuitable due to hard clay or rock content.

12. EXCAVATION

Holes for trees shall be dug at the location indicated by a stake set by the Public Works Forestry Division. The minimum diameter and depth of the hole will depend upon the size of the root ball; therefore each planting excavation should be sized in accordance with recognized horticultural practices.

13. TREE PLANTING PROCEDURES

13.1 Tree plantings shall be performed by experienced personnel, well versed in accepted horticultural practices, and under the supervision of a qualified tree planting foreman

Initial: 

13.2 Trees shall be placed in a position exactly vertical and at the depth where the root flare is at or slightly above the finished grade. Excess soil from the root ball must be removed following installation. Any additional backfill soil shall, at the time of planting, be in a loose, friable condition. At no time shall the topsoil used on the job be stockpiled on turf. Plants shall be set so that they will be the same depth one (1) year later. The trunk of the tree is not to be used as a lever in positioning or moving the tree in the planting hole.

13.3 After a tree is placed in the hole, tie cords and burlap shall be cut away.

13.4 Thorough watering shall follow the backfilling operation. The watering shall completely saturate the backfill. After the backfill settles, as a result of watering, additional backfill shall be placed to match the level of the finished grade. Excess backfill material shall be removed by the contractor.

13.5 A hardwood chip mulch cover shall be provided for each tree. A three inch deep circular water saucer of soil shall be constructed around each tree and shall be filled with shredded hard bark mulch or other approved material authorized by the Public Works Supervisor

13.6 Any excess soils, debris or trimmings shall be removed from the planting site immediately upon completion of each planting operation.

14. INSTALLATION TIMEFRAME

All trees for the spring planting shall be installed by May 31st, 2012 unless other notified. If a fall planting occurs all trees shall be installed by November 30th, 2012.

15. LOCATION OF TREE PLANTING

Trees will be planted on Village parkways and public property at various locations within the Village.

16. BRACING

16.1 Trees larger than four feet in height and smaller than eight feet in height shall require one support post, so placed that a biodegradable rope between it and the tree will be parallel to the roadway.

16.2 Trees larger than eight feet in height will require two support posts, so placed that a biodegradable rope between them will be parallel to the roadway.

Initial: MA

17. TREE PLANTING CARE INSTRUCTIONS

Contractor shall provide maintenance instructions to the Village of Bensenville on how to care for the newly planted trees.

18. TREE WARRANTY

Newly planted trees shall be guaranteed for one year beginning the date of project acceptance. The successful bidder shall inspect all trees before the end of the warranty period and replace any dead trees. Prior to expiration of the warranty period, the contractor shall arrange a mutually agreeable date and time to inspect the trees with the Public Works Supervisor or his designee. A tree deemed unacceptable by the Public Works Supervisor or his designee shall be replaced by the contractor at no cost to the Village of Bensenville. Trees replaced as a result of meeting warranty requirements shall be warranted for one full year from date replacement is completed.

19. PRICING

All pricing for good and services included in this bid shall be good through December 31st, 2012.

Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, cancelled, reduced in coverage or in limits except after thirty (30) days prior to written notice by certified mail, return receipt requested, has been given to the Village of Bensenville.

E) Acceptability of Insurers

Insurance is to be placed with insurers with a Best's rating of no less than A-, VII, and licensed to do business in the State of Illinois

F) Verification of Coverage

Contractor shall furnish the Village of Bensenville with certificates of insurance naming the Village of Bensenville, its officials, agents, employees, and volunteers as additional insured's, and with original endorsements affecting coverage require by this clause. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements may be on forms provided by the Village of Bensenville and are to be received and approved by the Village of Bensenville before any work commences. The attached Additional Insured Endorsement (Exhibit A) shall be provided to the insurer for their use in providing coverage to the additional insured. Other additional insured endorsements may be utilized, if they provide a scope of coverage at least as broad as the coverage stated on the attached endorsement (Exhibit A). The Village of Bensenville reserves the right to request full certified copies of the insurance policies and endorsements.

G) Subcontractors

Contractor shall include all subcontractors as insured's under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverage's for subcontractors shall be subject to all of the requirements stated herein.

H) Assumption of Liability

The Contractor assumes liability for all injury to or death of any person or persons including employees of the Contractor, any sub-contractor, any supplier or any other person and assumes liability for all damage to property sustained by any person or persons occasioned by or in any way arising out of any work performed pursuant to this agreement

I) Indemnity/Hold Harmless Provision

To the fullest extent permitted by law, the Contractor hereby agrees to defend, indemnify, and hold harmless the Village of Bensenville, its officials, agents, and employees against all injuries, deaths, loss, damages, claims, patent claims, suits, liabilities, judgments, cost and expenses, which may in anywise accrue against the Village of Bensenville, its officials, agents, and employees, arising in whole or in part or in consequence of the performance of this work by the Contractor, its employees, or subcontractors, or which may in anywise result therefore, except that arising out of the sole legal cause of the Village of Bensenville, its agents, or employees, the

Initial: 

Contractor shall, at its own expense, appear, defend, and pay all charges of attorney and all costs and other expenses arising therefore or incurred in connections therewith, and if any judgment shall be rendered against the Village of Bensenville, its officials, agents, and employees, in any such action, the Contractor shall at its own expense, satisfy and discharge the same. Contractor expressly understand and agrees that any performance bond or insurance policies required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Village of Bensenville, its officials, agents, and employees as herein provided.

The Contractor further agrees that to the extent that money is due the Contractor by virtue of this contract as shall be considered necessary in the judgment of the Village of Bensenville, may be retained by the Village of Bensenville to protect itself against said loss until such claims, suits, or judgments shall have been settled or discharged and/or evidence to that effect shall have been furnished to the satisfaction of the Village of Bensenville.

- 5) F.O.B. - All prices must be quoted F.O.B. Bensenville Illinois. Shipments shall become the property of the Village after delivery and acceptance.

- 6) Delivery Schedule - Bid items must be delivered within sixty (60) days from the date of execution of the contract unless a specific delivery date is stated on the bid. The Village may cancel contract without obligation if Delivery requirements are not met. If said contract is not canceled by the Village, liquidated damages may be due and owing to the Village pursuant to the liquidated damage provision enumerated herein. All deliveries must be made on Monday - Friday, excluding Village holidays, between the hours of 7:00 a.m. and 3:30 p.m. Contractor is expected to ship in full truckload quantities within said sixty (60) day period unless prior approval has been granted by the Village in advance for circumstances beyond the control of the contractor.
- 7) Delivery - Bid price shall include delivery as indicated herein.
- 8) Default - The Village may, subject to the provisions specified herein, by written notice of default to the contractor, terminate the whole or any part of this contract in any one of the following circumstances:

Initial: MA

If the contractor fails to make delivery or to perform the services within the time specified herein or any extension hereof.

In the event the board terminates this contract in whole or in part as provided above, the Village may procure, upon such terms and in such manner as the Village may deem appropriate, supplies or services similar to those terminated, and the contractor shall be liable to the Village for any excess costs for such similar supplies for services; PROVIDED that the contractor shall continue the performance of this contract to the extent not terminated under the provisions of this clause.

- 9) Alternate Materials and Equipment - Where specifications read " or approved equal", contractor shall direct a written description to the Public Works Director for approval, as set forth herein below. Generally, where specifications indicate a particular brand or manufacturer's catalog number, it shall be understood to mean that specification or equal, or item that will perform a comparable function and be equal thereto to fill the needs of the Village, unless " No Substitutes" is specified. When offering alternatives, they must be identified by brand name and catalog number; in addition, the manufacturer's literature shall be included with the bid. However, bidders will be required to furnish samples upon request and without charge to the Village.
- 10) Bidder's Access to Procurement Information - All procurement information concerning this bid shall be a public record to the extent provided in the Illinois Freedom of Information Act and Public Act #85-1295 and shall be available to all bidders as provided by such acts.
- 11) Acceptance - Contracted work will be considered accepted when final payment is made.
- 12) Payment -
 - a) For services of merchandise ordered by purchase order, payment will be made to a vendor provided and service or merchandise has been properly tendered to and accepted by the Village. Payment by check to a vendor is mailed the week approval of payouts is made by the Board. Payout requests are considered at the regular Village Board meetings on the 2nd and 4th Tuesdays of the month.
 - b) For construction, partial payouts will be made each month as the work progresses, provided the work has been properly completed and accepted by the Village. Payment by check to a contractor is mailed the week approval of payouts is made by the Board. Payout requests are considered at the regular Village Board meetings on the 2nd and 4th Tuesdays of the month.

13) Reorders - Reorders for the same item(s) shall be furnished at the base contract price or shall be furnished pursuant to a schedule of prices attached hereto by the contractor. Reordering shall be within the sole discretion of the Village.

14) Guarantees and Warranties -

- a) All material, workmanship, services, and purchased commodities will be guaranteed from defects for a period of at least one (1) year, or for the period of time specified in the bid documents, based on the date of completion. Upon notice of defect, bidder shall make necessary repairs, without delay, at no extra charge to the Village. Said time period shall be based on date of completion. Upon written notice of defect, contractor shall make all necessary repairs, without delay, at no extra charge to the Village.
- b) All warranties for materials or equipment must be received with title before payment for same is recommended.

15) Changes/Additional Services/Deletions - Any requests for changes or modifications to this contract must be submitted in writing and approved by the Village Manager, or his/her designee, prior to such changes or modifications being made. Any additional service desired from the contractor under this contract will be requested in writing and the additional charges for these services will be in accordance with the rate submitted on the proposal page and will be agreed to with the contractor prior to additional work commencing. In the event that charges for additional services cannot be agreed upon, bids will be requested. The Village reserves the right to negotiate additional services based upon the contractor's price and performance, within all legal constraints.

16) Change Order Authorization - Pursuant to Public Act 85-1295 (Ill.Rev.Stat.ch.38, paragraph 33E-1 et seq.), no change order may be made in this contract which would authorize or necessitate an increase or decrease in either the cost of the contract by \$10,000.00 or more, or the time of completion by 30 days or more unless one of the following certifications is made by either the Village Board or its designee that:

- a) Circumstances said to necessitate the change in performance were not reasonably foreseeable at the time the contract was signed; or
- b) The circumstances said to necessitate the Change were not within the contemplation of the contract as signed; or
- c) The change is in the best interest of the Village;

The party authorized to execute the above certification is the Village of Bensenville.

BID SPECIFICATIONS

Village of Bensenville, Illinois

2015 Parkway Tree Planting Program

GENERAL SPECIFICATIONS

1. CONDITIONS

Bidders are advised to become familiar with all conditions, instructions and specifications governing their proposal. Once the award has been made, failure to have read all the conditions, instructions and specifications of their contract shall not be cause to alter the original contract or to request additional compensation.

2. BID SECURITY

2.1 Each Bid must be accompanied by Bid security made payable to the Village in an amount of five percent (5%) of the Bidder's maximum Bid price and in the form of a certified or bank check or a Bid Bond.

2.2 Bid Bonds shall be duly executed by the Bidder as principal and having as surety thereon a surety company approved by the Village, having the minimum equivalent of a Best and Co. 5A Rating.

3. ADJUSTMENTS TO THE CONTRACT

Prospective Bidders are forewarned that the Village of Bensenville reserves the right to adjust the quantities of work to be accomplished, either up or down, dependent upon the current budget or until budgeted funds are depleted without prejudice to the Contract. Payment will be based on accepted unit prices.

4. DAMAGES TO PROPERTY

4.1 The CONTRACTOR shall be responsible for any damage to properties caused by the acts of their work in the course of performance of this contract and shall replace or restore to its original condition any such damaged property at no cost to the occupant or owner or the Village. The Village shall be held harmless for all liability under the Scope of Work of this contract.

4.2 The CONTRACTOR is not authorized to drive equipment on to private property without proper written authority from the property owner.

Village of Bensenville 2015 Parkway Tree Planting Program- BID

4.3 It is recommended that, for the CONTRACTOR'S protection, if any damage exists before work begins (including sidewalk, driveway cracks) that the Director of Public Works or appointed representative be notified of such, prior to work beginning. Visual records (pictures) shall be taken by the contractor of any preexisting damage before work begins.

5. TIME OF COMPLETION, PENALTY, AND LIQUIDATED DAMAGES

5.1 The CONTRACTOR understands that all contract times are of the essence. Penalties will be imposed for non-completion of the set dates.

5.2 Should the CONTRACTOR fail to complete the work within the time specified in the Contract or within such extended time as may have been allowed, the CONTRACTOR shall be liable to the Village in the amount of One hundred dollars (\$100.00), as liquidated damages, for each day of overrun in the contract time or such extended time as may have been allowed. The daily charge shall be made for every day shown on the calendar beyond the specified completion date.

5.3 Any penalty or liquidated damages owed the Village may be deducted from any payments to the CONTRACTOR. If the deduction does not satisfy the full extent of the CONTRACTOR'S penalty obligation, then the CONTRACTOR shall pay the difference to the Village. The parties further agree that the liquidated damages represent the minimum damage the Village will sustain for each calendar day of the delay in final completion of the work.

6. MEETING BEFORE WORK BEGINS

It is mandatory that the Contractor meets with the Director of Public Works or his designee(s) prior to the start of work in order to review the contract specifications, designate the appropriate project contacts, and the manner in which work will be proceeding, among other items. In the event the any of the Contractor's employees is doomed by the Village, in the Village's sole discretion, to be unfit or unsuitable to perform the services under this Agreement as a result of intoxication, drug use, by virtue of abusive or obnoxious behavior, by poor quality of work, poor demeanor, or other similar reasons, then upon formal written request of the Village, the Contractor shall remove such employee from work within the Village and furnish a suitable and competent replacement employee.

TECHNICAL SPECIFICATIONS

1. GENERAL

1.1 Bidding requirements, general and special conditions and other special requirements are hereby made part of the general specifications. Standard specifications of technical or

professional societies and federal, state or local agencies referred to shall include all amendments as of the date of advertisement for bids.

1.2 These specifications include standards necessary for and incidental to the execution and completion of planting, including hauling and spreading of topsoil, and finished grading.

1.3 Applicable specifications and standards:

- *American Standard for Nursery Stock*. ANSI Z60.1-2004
- *Principles and Practices of Planting Trees and Shrubs*. International Society of Arboriculture.
- *Standardized Plant Names* American Joint Committee on Horticulture Nomenclature.
- *American National Standards Institute for Tree Care Operations- Transplanting*. ANSI A300-2005
- *Standard Specifications for Road and Bridge Construction*. Illinois Department of Transportation.

2. QUALITY OF TREE MATERIALS

2.1 Unless otherwise specified, trees must originate from an Illinois Department of Agriculture Certified Nursery and shall be first class nursery grown representatives of their normal species and varieties. Plants shall be nursery grown in accordance with good horticultural practices under climatic conditions similar to those in the locality of the Village of Bensenville for the last two years. They shall have been freshly dug during the most current harvest season. They shall have average or normal well developed branches, together with vigorous root systems. Trees shall be free from insects, eggs, larvae, diseases, sun scald, knots, stubs, or other objectionable disfigurements. Thin, weak trees will not be accepted. Trees must show appearance of normal health and vigor in strict accordance with these specifications.

2.2 Trees shall be free of branches (undertrimmed) no higher from the ground line than 1/2 the total height of the tree; shall have single leaders, be well branched, and with reasonable straight stems. This requirement shall cover general species, but some varieties, which have other characteristics of growth, will be accepted. Trees with multiple leaders, unless specified, will be rejected. Trees with a damaged or crooked leader, bark abrasions, sunscald, disfiguring knots, insect damage or cuts larger than 3/4 inch in diameter that are not completely closed will be rejected.

2.3 Trees shall be true to their name as specified.

2.4 Topsoil (if needed) furnished shall be free of roots, stones over one (1) inch in diameter, herbicides, subsoils, contaminants and construction debris. Topsoil shall not be frozen or muddy. All surplus topsoil shall be removed by the contractor.

3. **SIZE** – Tree plantings shall be a minimum of 2 ½" in diameter (caliper).

4. **MEASUREMENT FOR SIZE**

Take caliper measurements six inches above ground.

5. **QUANTITY** – The Village is requesting a bid for 60 trees per planting season. Species are listed for each season on the bid proposal form. The Village reserves the right to increase or decrease the number of any species of trees depending upon need.

6. **BALLED AND BURLAPPED TREES**

Trees shall be balled and burlapped, and dug with a sufficient quantity of earth taken equally on all sides and bottoms of the trees to include the necessary roots to ensure growth as specified in the most recent edition of the *American Standard for Nursery Stock*. The thickness of depth of the balls shall be prepared in a workmanlike manner and firmly bound. All material purchased shall be tagged and clearly labeled by the nursery with the common name as shown on the bid list.

7. **INSPECTION OF TREE MATERIAL**

7.1 The successful Contractor shall allow a Village representative to inspect trees for quality and for tagging in the nursery. If after inspection, there are not enough acceptable trees available, the Village reserves the right to make alternate arrangements for the purchases of that particular specie of tree. A written request for the inspection of the plant material must be made ten (10) working days in advance prior to digging. The request shall state the place of growth and quantity of plants to be inspected.

7.2 Approval of tree material on examination shall not be construed as an acceptance of it. **Final acceptance will not be made until the planted tree is in a healthy, growing condition twelve (12) months after planting.**

7.3 All tree material shall comply with State and Federal laws with respect to inspection for tree diseases and insect infestation. An inspection certificate, required by law to this effect, shall accompany the shipment and on arrival the certificate shall be filed with the Director of Public Works.

7.4 All plants shall be selected and tagged by the contractor at their place of growth and approved by the Village representative prior to shipping.

7.5 Samples: Representative samples of the following materials shall be provided to the owner's representative from the supply source being used:

1. Plant material: Inspected by owner's representative in the nursery.
2. Staking and guying material (only if needed).
3. Shredded bark mulch.

8. DIGGING OF TREES

Trees shall not be dug until the contractor is ready to transport them from their original locations to the site of work or approved storage. The maximum time lapse between digging and properly loaded for delivery to the site of work shall be four days for balled and burlapped trees. They shall be dug with care, avoiding injury to the trees or loss or damage of the roots, including all of the fibrous roots. Immediately after digging, roots shall be protected against drying and freezing.

9. TRANSPORTATION

During transportation, the contractor shall exercise care to prevent injury and drying out of the trees. Upon arrival to the site of work, trees will be inspected for proper shipping procedures. Should the roots be dried, primary branches broken, balls of earth broken or loosened, or areas of bark torn, the Public Works Supervisor, or his designee, may reject the injured tree. When a tree has been rejected, the contractor shall at once remove it from the area of work and replace it without any additional expense to the Village of Bensenville. All trees shall be delivered with no tree wrap.

10. SAFETY

While working within the Village of Bensenville rights-of-way, the contractor shall conform to IDOT *Standard Specifications for Road and Bridge Construction* for work zone safety.

11. USE OF EXISTING TREE MATERIAL

Existing tree material shall be used for backfill except in cases where the soil is deemed unsuitable due to hard clay or rock content.

12. EXCAVATION

Holes for trees shall be dug at the location indicated by a stake set by the Village of Bensenville Public Works Forestry Division. The minimum diameter and depth of the hole will depend upon the size of the root ball; therefore each planting excavation should be sized in accordance with recognized horticultural practices.

13. TREE PLANTING PROCEDURES

13.1 Tree plantings shall be performed by experienced personnel, well versed in accepted horticultural practices, and under the supervision of a qualified tree planting foreman

13.2 Trees shall be placed in a position exactly vertical and at the depth where the root flare is at or slightly above the finished grade. Excess soil from the root ball must be

removed following installation. Any additional backfill soil shall, at the time of planting, be in a loose, friable condition. At no time shall the topsoil used on the job be stockpiled on turf. Plants shall be set so that they will be the same depth one (1) year later. **The trunk of the tree is not to be used as a lever in positioning or moving the tree in the planting hole.**

13.3 After a tree is placed in the hole, tie cords and burlap shall be cut away.

13.4 Thorough watering shall follow the backfilling operation. The watering shall completely saturate the backfill. After the backfill settles, as a result of watering, additional backfill shall be placed to match the level of the finished grade. Excess backfill material shall be removed by the contractor.

13.5 A hardwood chip mulch cover shall be provided for each tree. A three inch deep circular water saucer of soil shall be constructed around each tree and shall be filled with shredded hard bark mulch or other approved material authorized by the Public Works Supervisor.

13.6 Any excess soils, debris or trimmings shall be removed from the planting site immediately upon completion of each planting operation.

14. INSTALLATION TIMEFRAME

Upon authorization to proceed with the work, submit a planting schedule indicating dates for the items of work. The planting dates shall be sometime between April 6th and May 15th for the spring planting and October 19th and November 20th for the fall planting. All planting dates must be pre-approved by the Village a minimum of one month prior to planting. All trees shall be installed by *November 20, 2015*.

15. LOCATION OF TREE PLANTING

Trees will be planted on Village parkways and public property at various locations within the Village.

16. BRACING

16.1 Trees larger than four feet in height and smaller than eight feet in height shall require one support post, so placed that a biodegradable rope between it and the tree will be parallel to the roadway.

16.2 Trees larger than eight feet in height will require two support posts, so placed that a biodegradable rope between them will be parallel to the roadway.

17. TREE PLANTING CARE INSTRUCTIONS

Contractor shall provide maintenance instructions to the Village of Bensenville on how to care for the newly planted trees.

18. TREE WARRANTY

Newly planted trees shall be guaranteed for one year beginning the date of project acceptance. The successful bidder shall inspect all trees before the end of the warranty period and replace any dead trees. Prior to expiration of the warranty period, the contractor shall arrange a mutually agreeable date and time to inspect the trees with the Public Works Supervisor or his designee. A tree deemed unacceptable by the Public Works Supervisor or his designee shall be replaced by the contractor at no cost to the Village of Bensenville. Trees replaced as a result of meeting warranty requirements shall be warrantied for one full year from date replacement is completed.

19. PRICING

All pricing for goods and services included in this bid shall be good through December 31st, 2015.

REFERENCE SUBMITTAL

All bidders are required to furnish **three (3)** references from previous clients whom they have performed similar work for. (At least two of the references **MUST** be municipalities)

I) Indemnity/Hold Harmless Provision

To the fullest extent permitted by law, the Contractor hereby agrees to defend, indemnify, and hold harmless the Village of Bensenville, its officials, agents, and employees against all injuries, deaths, loss, damages, claims, patent claims, suits, liabilities, judgments, cost and expenses, which may in anywise accrue against the Village of Bensenville, its officials, agents, and employees, arising in whole or in part or in consequence of the performance of this work by the Contractor, its employees, or subcontractors, or which may in anywise result therefore, except that arising out of the sole legal cause of the Village of Bensenville, its agents, or employees, the Contractor shall, at its own expense, appear, defend, and pay all charges of attorney and all costs and other expenses arising therefore or incurred in connections

therewith, and if any judgment shall be rendered against the Village of Bensenville, its officials, agents, and employees, in any such action, the Contractor shall at its own expense, satisfy and discharge the same. Contractor expressly understand and agrees that any performance bond or insurance policies required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Village of Bensenville, its officials, agents, and employees as herein provided.

The Contractor further agrees that to the extent that money is due the Contractor by virtue of this contract as shall be considered necessary in the judgment of the Village of Bensenville, may be retained by the Village of Bensenville to protect itself against said loss until such claims, suits, or judgments shall have been settled or discharged and/or evidence to that effect shall have been furnished to the satisfaction of the Village of Bensenville.

- 5) F.O.B. - All prices must be quoted F.O.B. Bensenville Illinois. Shipments shall become the property of the Village after delivery and acceptance.
 - a) CONTRACTOR shall assume all risk of loss or damage to the Goods prior to acceptance of delivery by OWNER at the point of delivery; and shall purchase and maintain insurance on the Goods during the process of fabrication and while in transit to insure against the perils of fire and extended coverage including "all risk" insurance for physical loss and damage including theft, vandalism and malicious, mischief, collapse, water damage and such other perils, as CONTRACTOR deems appropriate.
- 6) Delivery Schedule - Bid items must be delivered within sixty (60) days from the date of execution of the contract unless a specific delivery date is stated on the bid. The Village may cancel contract without obligation if Delivery requirements are not met. If said contract is not canceled by the Village, liquidated damages may be due and owing to the Village pursuant to the liquidated damage provision enumerated herein. All deliveries must be made on Monday - Friday, excluding Village holidays, between the hours of 7:00 a.m. and 3:30 p.m. Contractor is expected to ship in full truckload quantities within said sixty (60) day period unless prior approval has been granted by the Village in advance for circumstances beyond the control of the contractor.
- 7) Delivery - Bid price shall include delivery as indicated herein.
- 8) Default - The Village may, subject to the provisions specified herein, by written notice of default to the contractor, terminate the whole or any part of this contract in any one of the following circumstances:

If the contractor fails to make delivery or to perform the services within the time specified herein or any extension hereof.

In the event the board terminates this contract in whole or in part as provided above, the Village may procure, upon such terms and in such manner as the Village may deem appropriate, supplies or services similar to those terminated, and the contractor

shall be liable to the Village for any excess costs for such similar supplies for services; PROVIDED that the contractor shall continue the performance of this contract to the extent not terminated under the provisions of this clause.

- 9) Alternate Materials and Equipment - Where specifications read "or approved equal", contractor shall direct a written description to the Public Works Director for approval, as set forth herein below. Generally, where specifications indicate a particular brand or manufacturer's catalog number, it shall be understood to mean that specification or equal, or item that will perform a comparable function and be equal thereto to fill the needs of the Village, unless "No Substitutes" is specified. When offering alternatives, they must be identified by brand name and catalog number; in addition, the manufacturer's literature shall be included with the bid. However, bidders will be required to furnish samples upon request and without charge to the Village.
- 10) Bidder's Access to Procurement Information - All procurement information concerning this bid shall be a public record to the extent provided in the Illinois Freedom of Information Act and Public Act #85-1295 and shall be available to all bidders as provided by such acts.
- 11) Acceptance - Contracted work will be considered accepted when final payment is made.
- 12) Payment -
 - a) For services of merchandise ordered by purchase order, payment will be made to a vendor provided and service or merchandise has been properly tendered to and accepted by the Village. Payment by check to a vendor is mailed the week approval of payouts is made by the Board. Payout requests are considered at the regular Village Board meetings on the 2nd and 4th Tuesdays of the month.
 - b) For construction, partial payouts will be made each month as the work progresses, provided the work has been properly completed and accepted by the Village. Payment by check to a contractor is mailed the week approval of payouts is made by the Board. Payout requests are considered at the regular Village Board meetings on the 2nd and 4th Tuesdays of the month.
- 13) Liens - The Village reserves the right to request waivers of lien whether partial or final if the Contractor utilizes subcontractor(s).
- 14) Reorders - Reorders for the same item(s) shall be furnished at the base contract price or shall be furnished pursuant to a schedule of prices attached hereto by the contractor. Reordering shall be within the sole discretion of the Village.
- 15) Guarantees and Warranties -
 - a) All material, workmanship, services, and purchased commodities will be guaranteed from defects for a period of at least one (1) year, or for the period of time specified in the bid documents, based on the date of completion. Upon notice of defect, bidder shall make necessary repairs, without delay, at no extra
