Re: February 17, 2020 FOIA Request

Dear Mr. Tuzik:

I am pleased to help you with your February 17, 2020 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on February 20, 2020. You requested copies of the items indicated below:

"Copies of the original building permit or application, addition or demolition permits to install or remove underground storage tanks or dry cleaning equipment at: 865-85 Fairway Dr."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Permit Application No. 3741. (13 pgs.)

These are all of the documents that can be discovered responsive to your request.

Section 7(1)(K) of FOIA provided that architects' plans, engineers' technical submissions, and other construction related or developed in whole or in part with public funds and the same of projects constructed or developed with public funds, including but not limited to power generating and distribution stations and other transmission and distribution facilities, water treatment facilities, airport facilities, sports stadiums, convention centers, and all government owned, operated or occupied buildings, but only to the extent that disclosure would comprise security are exempt from disclosure. Consequently, drawings have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: publicaccess@atg.state.il.us. You may also have a right of judicial review of the denial under Section 11 of FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
Village of Bensenville

*All failed inspections will be charged against the escrow at the standard inspection rates. After final approvals and occupancy have been issued, the remaining escrow will be refunded to the payee via first class mail. In the event the cost of failed inspections exceeds the escrow amount, no further inspections will be completed until an additional escrow has been received.

OWNER & APPLICANT INFORMATION

No error or omission in either the plans or application shall relieve the applicant in having the work completed in any other manner than that which is in compliance with the approved plans and the applicable codes and ordinances of the Village of Bensenville and the State of Illinois. All work shall be completed, inspected, and approved as required and no occupancy or use of the space shall be permitted until approved in writing by the Department of Community and Economic Development. Understanding the preceding statements, I hereby agree to comply and declare that to the best of my knowledge and belief the information provided is true and accurate.

-
1. All work whether approved or not shall be in compliance with the applicable codes and ordinances.
 2. Contact the Community and Economic Development Department 24 hours in advance at 630-350-3413 for any necessary inspections.
 3. No work except what has been approved or required shall be permitted through the execution of this permit. No changes to the approved plans will be permitted without authorization by the Department of Community and Economic Development in writing.
 4. THESE PLANS & CONDITIONS MUST BE AT THE JOB SITE AND AVAILABLE FOR EACH INSPECTION. If the approved copy is not available, the inspection will not be conducted and the report shall be marked "Not Approved." DO NOT REMOVE THESE CONDITIONS FROM THE PLANS.
 5. SPECIAL CONDITIONS TO APPLICATION NUMBER 3741

PLAN EXAMINER REVIEW

All conditions are mandatory, changes on the approved plans/documents will not be permitted without written authorization from the Community & Economic Development Department. Failure to comply with the preceding conditions will invalidate the approval of this permit.

All work must be inspected in accordance with the inspection list provided with this permit. Work concealed without the required inspection and approval must be exposed for inspection (at owner's/contractor's expense) as directed by the Village Inspector.

Permit is limited to the removal of some interior walls and the addition of an electrical panel, added circuits and outlets for machine hook-ups.

All work shall be in accordance with the 2008 National Electrical Code and Village of Bensenville Ordinances.

Branch circuit over current device shall be selected from Table 430.52. Feeders sized to Table 430.24.

All boxes which are connected to a 3/4 inch conduit shall have a minimum depth of 2-1/8 inches, and shall be 4 x 4 inches or larger unless used for phone or data cables.

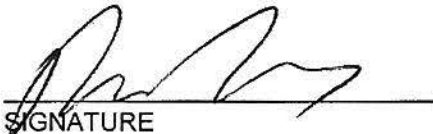

Any circuits that requires 35 amps shall be wired with 8 awg wire not 10 awg. 10 rated only for 30 amps NEC 240.4(D).

All calculations are based on wire type of THHN/THWN-2.

All work must be performed in a neat and workmanlike manner by persons who are skilled in their trades in full performance with the Village Code. All work must be inspected in accordance with the inspection lists provided with this permit. Owner/Contractor is responsible to expose any work concealed without the required inspection and approval.

The completion of this project and the bond refund process is subject to the final inspection and approval by the Village Inspector. NOTE: All debris shall be removed and landscaping must be returned to original conditions prior to final inspection.

Having read and understood the preceding conditions, I hereby agree to comply with them.

COMMUNITY DEVELOPMENT

Table 430.250 Full-Load Current, Three-Phase Alternating-Current Motors

The following values of full-load currents are typical for motors running at speeds usual for belted motors and motors with normal torque characteristics.

The voltages listed are rated motor voltages. The currents listed shall be permitted for system voltage ranges of 110 to 120, 220 to 240, 440 to 480, and 550 to 600 volts.

Horsepower	Induction-Type Squirrel Cage and Wound Rotor (Amperes)							Synchronous-Type Unity Power Factor* (Amperes)

847-421-9990

THOSE ITEMS LISTED ABOVE ARE VIOLATIONS OF BENSENVILLE'S ADOPTED VILLAGE CODE AND/OR PROPERTY MAINTENANCE CODE. THIS IS YOUR WRITTEN "CORRECTION NOTICE". FAILURE TO CORRECT THE ABOVE LISTED VIOLATIONS WITHIN THE PRESCRIBED TIME MAY RESULT IN A FINE OF UP TO \$750 PER VIOLATION, PER DAY.

You are hereby notified to remedy the conditions as stated above within days from the date of this order. Appeal from this order may be made within 20 days from the above date of service. Direct such appeal for a hearing before the Bensenville Board of Appeals in writing through the Director of Inspectional Services, 12 South Center.

Neither this inspection nor any Certificate of Occupancy issued by the Village of Bensenville shall be considered a complete list of Code or Municipal Ordinances. Our inspection can be substantially limited by access available and stored items or furniture. Some occupancies may require inspections to be completed on individual systems such as heating appliances, roofing, structure or fire protection systems. If you have questions about this inspection, please call 630-350-3413.

DISCLAIMER: The Village of Bensenville does not warrant the condition of any property inspected and disclaims all liability for any claims arising out of the property or condition thereof.
