Dear Ms. vonRentzell:

I am pleased to help you with your October 13, 2020 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on October 13, 2020. You requested copies of the items indicated below:

"ATC Group Services LLC is performing a Phase I Environmental Site Assessment of the Mohawk Terrace residential subdivision located near the southwest corner of East Devon Avenue and Busse Road (see attached map).

We are requesting any of the following information pertaining to the above mentioned site:

- 1.) *Building Department records related to the initial construction, any structural additions, and/or the installation of underground storage tanks (USTs) or aboveground storage tanks (ASTs);*
- 2.) *Fire Department records related to the installation of USTs/ASTs, the storage of hazardous materials, and/or any hazardous waste spills; and*
- 3.) *Any information pertaining to current/historic water wells (including any water quality testing), heating oil tanks, septic systems, past or present dumping, monitoring wells, or any other materials which may pose hazardous to health or safety."*

After a search of Village files, there were no records responsive to your request.

In regards underground/aboveground storage tanks and hazardous materials; please check with the Illinois Fire Marshal's Office to conduct a search of their files.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,
