Re: February 3, 2021 FOIA Request

Dear Ms. Ross:

I am pleased to help you with your February 3, 2021 Freedom of Information Act ("FOIA"). Your request was received by the Village of Bensenville on February 3, 2021. You requested copies of the items indicated below:

*"Any and all Police Calls for Service and accompanying Police Reports, any and all code enforcement violations, cases, citation, and accompanying documentation for the property located at 309 Judson Street, Bensenville, IL for the date range from 12/16/2019 to present."*

After a search of Village files, the following information was found responsive to your request:

- 1) Village of Bensenville Police Calls for 309 Judson Street Since December 16, 2019. (6 pgs.)
- 2) Village of Bensenville Correction Notice for Inspection No. 72288. (1 pg.)
- 3) Village of Bensenville Correction Notice for Inspection No. 73213. (1 pg.)
- 4) Village of Bensenville Correction Notice for Inspection No. 77080. (2 pgs.)

These are all the records found responsive to your request.

Section 7(1)(b) of FOIA provided that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5 ILCS 140/2(c-5). Consequently, certain unique identifiers have been redacted from the records being provided.

Section 7(1)(c) of FOIA provides that, "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy" is exempt from disclosure. Consequently, a birthdate and other personal information, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, including a victim's name and identifying information, and the race of an individual, have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and, made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: [publicaccess@atg.state.il.us](mailto:publicaccess@atg.state.il.us). You may also have a right of judicial review of the denial under Section 11 of FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,  
  
Corey Williamsen  
Freedom of Information Officer  
Village of Bensenville
