Re: April 5, 2021 FOIA Request

Dear Mr. Golden:

I am pleased to help you with your April 5, 2021 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on April 6, 2021. You requested copies of the items indicated below:

"Please run a report with all of the information from the business license applications for current Bensenville businesses as of April 5, 2021. Please include business name, business owner and other contacts, the business email and all phone number."

After a search of Village files, the following information was found responsive to your request:

- 1) Village of Bensenville Business Licenses As of April 5, 2021. (21 pgs.)

These are all the records found responsive to your request.

Section 7(1)(b) of FOIA provided that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords, or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when complied without possibility of attribution to any person." 5ILCS 140/2(c-5). Consequently, certain identifiers have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: publicaccess@atg.state.il.us. You may also have a right of judicial review of the denial under Section 11 of the FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
