Dear Eagle 3 Analytics:

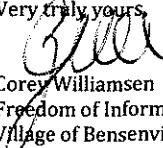

I am pleased to help you with your July 26, 2021 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on July 26, 2021. The Village extended its response time on August 2, 2021. You requested copies of the items indicated below:

*"Request #1 is for the actual email sent to the Public Body by the Clerk containing tax year 2020 records including the records 1-4 listed above.*

*Request #2 is for the all subsequent emails whose content was related to property tax levies, tax rates, tax rate calculations, etc. sent to the Public Body by the Clerk or sent to the Clerk by the Public Body for the period 23 March 2021 through and including 1 May 2021.*

*Request #3 is for all annual limiting rate re-allocation forms filed with the Clerk (delivered via paper, fax, or email) by the Public Body for tax year 2000 (filed spring 2001) through and including tax year 2019 (file spring 2020).*

Your FOIA is hereby granted in full.

Very truly yours,

# Open Records Request

Dear FOIA Officers:

This letter is a request for public records (the "Request"). This Request is made in full compliance with the Freedom of Information Act of Illinois (FOIA) (5 ILCS 140/1 *et seq.*). If you are not the FOIA officer responsible for any part of this request, you are required by law to *immediately* forward it to the appropriate FOIA officer or the Head of the Public Body.

## DECLARATION OF PURPOSE

This is a *non-commercial* request for public records.

According to Section 2(c-10) of the FOIA: "'Commercial purpose' means the use of any part of a public record or records, or information derived from public records, in any form for sale, resale, or solicitation or advertisement for sales or services." This Request is not for a "commercial purpose" as that phrase is defined within the FOIA.

## FOIA REQUESTS

This Request is being submitted to each Public Body in DuPage County who has submitted to the Office of the DuPage County Clerk ("Clerk") a property tax levy for any tax year 2000- 2020 (the last 21 years). Attached as Appendix #1 is the distribution list for this FOIA.

Based upon a review of public records, we believe that on 23 March 2021 your Public Body received an email from the Clerk containing various PDF files related to the tax year 2020 property tax extension (the "23 March 2021 email"). The 23 March 2021 email contained various PDF files for tax year 2020 including a generic Cover Letter as well as other district specific records:

- 1) The Clerk's extension worksheet(s) depicting the 2020 Tentative Tax Rates and Tax Extensions.
- 2) Records containing the 2020 equalized billing value as well as the new construction, annexed and disconnected values by property class. These values were used by the Clerk to calculate the Limiting Rate.
- 3) Tax Year 2020 Limiting Rate formula sheet, and
- 4) Tax Year 2020 Rate Re-Allocation Form.

Attached as Appendix #2 is a sample email we believe to be representative of the outbound email sent by the Clerk to each taxing district on the morning of 23 March 2021. Attached to each 23 March 2021 email sent by

the Clerk, the Clerk attached her "Tentative Letter 3-23-2021.pdf" 1-page Cover Letter as well as *district specific* PDF files. Attached as Appendix #3 is a collection of public records delivered to us by the Clerk for one of the taxing districts in the county and those records contain a) the tax year 2020 Cover Letter sent by the Clerk and 2) a sample of the other records attached to the 23 March 2021 email.

#### Request #1: 23 March 2021 Email

As a FOIA officer, you know that the 23 March 2021 email received by the Public Body is a unique public record maintained in an *electronic* format. Section 2 of the FOIA defines the term "public records" and that definition includes: "electronic communications". With regard to electronically maintained public records, we have been informed by the Public Access Counselor (Office of the Attorney General) that when we request copies of records, it is the *statutory obligation* of a public body to provide the records *in the format in which they are maintained, if so requested*; a public body may not elect to furnish records in a different format. *American Federation of State County & Municipal Employees, AAL-CIO v. County of Cook*, 136 Ill. 2d 334, 345-47 (1990). When a person requests a copy of a record maintained in an electronic format, the public body *must* furnish it in the electronic format specified by the requester, if feasible to do so.

Additionally, the PAC has informed us that each individual email attachment is a separate public record maintained in an *electronic* format under the FOIA (in this case, a PDF file created by the Clerk and delivered to the Public Body via the email). In other words, the email is equivalent to an envelope delivered by the Post Office and the body of the email, the emails metadata (headers, etc) and the attachments are the contents of the envelope.

**Request #1 is for the actual email sent to the Public Body by the Clerk containing tax year 2020 records including the records 1-4 listed above.**

In order to preserve the integrity of the requested public record and its contents in its native *electronic file format*, this request is for the actual email received on or about 23 March 2021 from the Clerk containing the tax year 2020 tentative extension records. Therefore, this request is for the *actual electronic public record (email)* and in order to receive the actual electronic public record intact and without modification, alteration or accidental destruction, we request that the Public Body locate the 23 March 2021 inbound email from the Clerk, open the email, and without alteration or modification in any manner simply FORWARD the 23 March 2021 email (along with its contents) to the email account listed below.

Please do not "print-to-PDF" the email or otherwise combine the email and its contents into one or more PDF files. This request is for the actual "electronic" public record (email) and all electronic file attachments (contents) as currently maintained by the Public Body within various email servers and other hardware as of the date of this FOIA. The creation of a PDF file containing a copy of the 23 March 2021 email would be a new public record and, if delivered to us, would not be responsive to this request and amount to a denial of our request. Given the fact that this request requires simply opening an email and clicking the "Forward" button within Outlook (or whatever other interface the Public Body utilizes for its emails), *the Public Body's response to Request #1 should take very little time and should be done within a day or two of the receipt of this Request #1.*

#### Request #2: Tax Year 2020 Emails (23 March 2021 – 1 May 2021)

**Request #2 is for the all subsequent emails whose content was related to property tax levies, tax rates, tax rate calculations, etc. sent to the Public Body by the Clerk or sent to the Clerk by the Public Body for the period 23 March 2021 through and including 1 May 2021.**

At the very least, there should be one additional email ... the email sent by the Public Body to the Clerk containing the signed tax year 2020 rate re-allocation form. Attached as Appendix #4 are samples for tax year 2020 showing rate re-allocation forms filed with the Clerk.

Utilizing the electronic public record (email) protocol for FOIAs established above within Request #1, please FORWARD each of the remaining “Tax Year 2020 Emails (23 March 2021 – 1 May 2021)” to the email account listed below. (Both inbound and outbound between the Clerk and Public Body.)

Again, please do not “print-to-PDF” any email or otherwise combine an email and its contents into one or more PDF files. This request is for the actual “electronic” public record (email) and all electronic file attachments (contents) as they exist currently as of the date of this FOIA. The creation of a PDF file containing a copy of any “electronic” public record (email) would be a new public record and, if delivered to us, would not be responsive to this request and amount to a denial of our request. Given the fact that this request requires simply opening a limited number of emails (as found within the Inbox Folder and Sent Folder on the local drive or within the back-up files of the Public Body) and clicking the “Forward” button within Outlook (or whatever other interface the Public Body utilizes for its emails), the Public Body’s response to Request #2 should take very little time and should be done within a day or two of the receipt of this Request #2.

#### Request #3: Filed Rate Re-allocation Forms for Tax Years 2000 through Tax Year 2019

Attached as Appendix #4 are samples for tax year 2020 showing rate re-allocation forms filed with the Clerk. For each tax year that requires the Clerk to apply a rate reduction factor, the Clerk requires a filed response by the Public Body via the Clerk’s “rate re-allocation form.” In certain cases, the Clerk’s form is used to report the district’s changes (changes to two or more individual fund rates). In other cases, the Public Body simply returns the rate re-allocation form making it clear that the district has “No Changes” to the individual fund rates for that tax year.

Request #3 is for all annual limiting rate re-allocation forms filed with the Clerk (delivered via paper, fax, or email) by the Public Body for tax year 2000 (filed spring 2001) through and including tax year 2019 (filed spring 2020). This request is for all filed forms ... both the forms that include re-allocations (changes) to the various individual tax rates and the forms that include no changes whatsoever for a particular tax year. Therefore, it is anticipated that there should be at a minimum 20 pages of rate re-allocation pages responsive to Request #3.

A review of records maintained by the Clerk has revealed that there have been instances when a Public Body has filed more than one “rate re-allocation” form for a particular tax year. Attached as Appendix #5 is an example of this for tax year 2020. The taxing district had initially filed a re-allocation form which had individual fund rates that when summed were less than the final limiting rate. The Clerk gave notice and a second rate re-allocation form was filed. Without a subsequent second filing by that district, the district’s mathematical error (see “Education” rates) would have been equivalent to a permanent tax abatement. Additionally, if an initial filing includes a fund rate which is greater than the Clerk’s Rate for an individual fund, the Clerk gives notice and a subsequent form is filed. Therefore, given all of the possible errors and the possibility of multiple types of errors for any one particular tax year, it is possible that over a twenty year period (2000-2019), the Public Body has had to file more than one rate re-allocation form for a particular tax year.

Please provide, in PDF file format, copies of all submitted rate re-allocation forms filed with the Clerk for tax years 2000 through 2019.

#### **TIMING OF DELIVERY OF REQUEST**

Pursuant to section 3(d) of FOIA, within five business days after its receipt of the request, the public body is required to take action in one of three ways: (1) comply with the request; (2) deny the request; or (3) extend the time for response under section 3(e). Therefore, a response is due no later than **5:00 PM, Monday, 2 August 2021.**

## RELEASE OF RECORDS

We request a rolling production of records, such that the public body furnishes records to us as soon as they are identified and available *instead of* being inventoried and delivered all at once. Requests #1 and 2 should be able to be facilitated with very little effort and delivered by mid-week. If the delivery of one or more requested records will take more than five business days, FOIA requires that the public body release those records which have been located and are available for delivery within the initial 5-day response window. Therefore, please do not violate the FOIA by withholding the delivery of a particular record responsive to this request solely due to the fact that other records have yet to be located before the deadline.

## FILE SIZE

The file size limit for all attachments for a single email cannot exceed ... 25MB. Therefore, please do not attempt to send an email containing attachments that approach that limit. Instead, send multiple emails and include as part of the subject line a brief marker (ex, "Email #1 of 3").

If you have any questions regarding our request, please advise as soon as possible so that the requested records are not unnecessarily delayed.

Thank you for your proper handling of our request.

Respectfully yours,

**Eagle 3 Analytics**

DuPage County Clerk

RECEIVED

MAR 23 2021

BUSINESS OFFICE

Dear District Official,

Enclosed are copies of the following reports regarding the 2020 tax year for your District:

1. Our worksheet depicting the 2020 Tentative Tax Rates and Tax Extensions. The total assessed valuation shown reflects the removal of all exemptions and the application of a Tentative State Multiplier of 1.0000.
2. Your 2020 equalized billing value, new construction, annexed and disconnected values by property class. These values were used to calculate the Limiting Rate.
3. Limiting Rate formula sheet.
4. Rate Re-Allocation Form, if applicable to your district.

In reviewing your worksheet, if the **Total Extended Rate** for the funds subject to the Tax Cap is **lower** than the **Limiting Rate** shown, then your district is not in violation of the "Tax Cap Act" and our calculations end. If the **Total Extended Rate** is **higher** than the **Limiting Rate** shown, then, by law, a reduction was made by applying a Rate Reduction Factor to all the individual fund rates, resulting in a new **TOTAL RATE EQUAL TO THE LIMITING RATE** and its accompanying tax extension.

If you wish the reduction to be made other than by reducing all funds proportionately, as I did, complete the enclosed **Rate Re-Allocation Form**, making sure that no individual rate exceeds that shown in the Clerk's rate column and that the **total rate** does not exceed the **limiting rate**. **RATES CANNOT EXCEED FOUR DECIMAL PLACES (i.e. 0.0000)**. If you decide not to re-allocate your rates, please write **no change** on the form. Sign, date the form and return by March 31 to **CLERK.REVENUE@DUPAGECO.ORG**.

In order to assure timely tax bills, all Abatements, Rate Re-Allocations or any discrepancies you may find must be forwarded to this office by Wednesday, March 31, 2021. **ALL DOCUMENTS MUST BE EMAILED BY THE WEDNESDAY, MARCH 31, 2021 DEADLINE TO CLERK.REVENUE@DUPAGECO.ORG**. No additional time can be given to districts that are unable to have a board meeting within this time frame. Someone at the district must make the necessary decisions by the date specified.

Your prompt consideration is necessary to ensure that the tax cycle remains on schedule. If you have any questions, please call 630-407-5540.

Very truly yours,

Jean Kaczmarek

UNDER THE TAX LIMITATION ACT, THE LIMITING RATE FOR YOUR DISTRICT IS CALCULATED USING THE FOLLOWNG FORMULA:

PRIOR YEAR'S EXTENSION PLUS 1.0230%  
(FINAL BASE AGGREGATE EXTENSION)

DIVIDED BY

CURRENT ASSESSED VALUATION MINUS NEW CONSTRUCTION  
AND MINUS ANY NEWLY ANNEXED PROPERTY  
(ADJUSTED 2020 CURRENT EQUALIZED VALUE)

DISTRICT NAME: GRADE SCHOOL DIST 45

FINAL BASE AGGREGATE EXTENSION (NUMERATOR) = 36,932,814.55

(DIVIDED BY)

ADJUSTED 2020 CURRENT EQUALIZED VALUE (DENOMINATOR) = 1,230,862,468

2020 LIMITING RATE = 3.0006

\*\*\*\*\*

## RATE REDUCTION FACTOR

IF THE CLERK'S EXTENDED RATE, BASED ON YOUR LEVY, IS GREATER THAN THE LIMITING RATE, A REDUCTION MUST BE MADE USING A RATE REDUCTION FACTOR CALCULATED AS FOLLOWS:

2020 LIMITING RATE = 3.0006

(DIVIDED BY)

2020 CLERK'S RATE = 3.1142

RATE REDUCTION FACTOR = 96.3522

# DUPAGE COUNTY CLERK

Jean Kaczmarek  
DuPage County Clerk

March 23, 2021

Dear District Official,

Enclosed are copies of the following reports regarding the 2020 tax year for your District:

1. Our worksheet depicting the 2020 Tentative Tax Rates and Tax Extensions. The DuPage total assessed valuation shown reflects the removal of all exemptions and the application of a Tentative State Multiplier of 1.0000. Due to time constraints, the other counties values may be estimated.
2. Your 2020 equalized billing value, new construction, annexed and disconnected values by property class. These values were used to calculate the Limiting Rate.
3. Limiting Rate formula sheet.
4. Rate Re-Allocation Form, if applicable to your district.

In reviewing your worksheet, if the **Total Extended Rate** for the funds subject to the Tax Cap is lower than the **Limiting Rate** shown, then your district is not in violation of the "Tax Cap Act" and our calculations end. If the **Total Extended Rate** is higher than the **Limiting Rate** shown, then, by law, a reduction was made by applying a Rate Reduction Factor to all the individual fund rates, resulting in a new **TOTAL RATE EQUAL TO THE LIMITING RATE** and its accompanying tax extension.

If you wish the reduction to be made other than by reducing all funds proportionately, as I did, complete the enclosed **Rate Re-Allocation Form**, making sure that no individual rate exceeds that shown in the Clerk's rate column and that the total rate does not exceed the limiting rate. **RATES CANNOT EXCEED FOUR DECIMAL PLACES (i.e. 0.0000)**. If you decide not to re-allocate your rates, please write no change on the form. Sign, date the form and return by March 31 to **CLERK.REVENUE@DUPAGECO.ORG**.

In order to assure timely tax bills, all Abatements, Rate Re-Allocations or any discrepancies you may find must be forwarded to this office by Wednesday, March 31, 2021. **ALL DOCUMENTS MUST BE EMAILED BY THE WEDNESDAY, MARCH 31 DEADLINE TO CLERK.REVENUE@DUPAGECO.ORG**. No additional time can be given to districts that are unable to have a board meeting within this time frame. Someone at the district must make the necessary decisions by the date specified.

Your prompt consideration is necessary to ensure that the tax cycle remains on schedule. If you have any questions, please call 630-407-5540.

Very truly yours,

Jean Kaczmarek  
DuPage County Clerk

GREETINGS:

The undersigned, being the duly qualified President and Finance Director, respectively, of the Village of Bensenville, DuPage and Cook Counties, Illinois (the "*Village*"), do hereby certify and notify you as follows:

1. The Village has heretofore issued its Special Service Area Number Eight Unlimited Ad Valorem Tax Bond, Series 2011-SSA8 in the original principal amount of \$522,500 (the “**SSA Bond**”) pursuant to an Ordinance entitled “AN ORDINANCE providing for the issuance of a \$522,500 Special Service Area Number Eight Unlimited Ad Valorem Tax Bond, Series 2011-SSA8, of the Village of Bensenville, DuPage and Cook Counties, Illinois, and providing for the levy and collection of a direct annual tax for the payment of the principal of and interest on said bond”, which was adopted by the President and Board of Trustees of the Village (the “**Corporate Authorities**”) on September 13, 2011 (the “**SSA Ordinance**”). The SSA Ordinance was filed in the office of the County Clerk of DuPage County, Illinois on September 22, 2011.

Pursuant to a Bond Ordinance adopted by the Corporate Authorities on November 17, 2020, as supplemented by a Bond Order of the Village dated December 9, 2020 (collectively, the “**2020 Ordinance**”), the Village issued its Taxable General Obligation Refunding Bonds (Alternate Revenue Source), Series 2020B (the “**Series 2020B Bonds**”) in the aggregate principal amount of \$4,350,000. I had one established under [JMcManus@bensenville.il.us](mailto:JMcManus@bensenville.il.us). I can sign in to the district portal but cannot do anything but change my own setup.

Corey and Sharon are still with the Village. They should continue being able to access. But I would like you to add me.

Hello Julie, I didn't find an account for you in the portal. I see two accounts created which are for Corey Williamsen and Sharon Guest. If they're no longer with the district, please let me know. I will have the vendor look into your account to pinpoint the issue. Thank you.

I just want to make sure my ability to receive notices for the levy are intact this year. I seemed to remember having problems last year, including the ability to get information online. Can you please tell me how we normally pass abatement ordinances to you, and how I will receive levy estimate information? If it is online I would like to start addressing my accessibility issues right now so I don't have any problems.

Thanks.
