Re: July 29, 2021 FOIA Request

Dear Mr. Horstman:

I am pleased to help you with your July 29, 2021 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on July 29, 2021. The Village extended your FOIA on August 5, 2021. You requested copies of the items indicated below:

*"A compiled list of or document(s) that detail a) the location of all red-light running cameras in (Bensenville), b) name of the vendor, c) how much (Bensenville) pays vendor for annual use of camera and d) dates of operation for all red-light running cameras in (Bensenville), operational anytime between 2018 - June 30, 2021.*

*Total annual revenue generated from each red-light running camera in (Bensenville), for the years 2018 - June 30, 2021.*

*Total number of vehicular accidents, per year, at intersections monitored by red-light running cameras from 2010 - June 30, 2021"*

Your FOIA is hereby granted in full.

Very truly yours,

Corey Williamsen

Re: Freedom of Information Act Request  
Received July 29, 2021

Dear Mr. Horstman:

I am pleased to help you with your July 29, 2021 Freedom of Information Act ("FOIA"). Your request was received by the Village of Bensenville on July 29, 2021. You requested copies of the items indicated below:

*"1. A compiled list of or document(s) that detail a) the location of all red-light running cameras in (Bensenville), b) name of the vendor, c) how much (Bensenville) pays vendor for annual use of camera and d) dates of operation for all red-light running cameras in (Bensenville), operational anytime between 2018 - June 30, 2021.*

*2. Total annual revenue generated from each red-light running camera in (Bensenville), for the years 2018 - June 30, 2021.*

*3. Total number of vehicular accidents, per year, at intersections monitored by red-light running cameras from 2010 - June 30, 2021"*

The Village is still gathering the records responsive to your request and will review them once the search is fully completed. Therefore, pursuant to Section 3(e)(vi) of FOIA, 5 ILCS 140/3(e)(vi), the Village is extending the time it has to respond to your request by an additional five (5) business days. The Village will respond to your request on or before August 12, 2021.

Please let me know if you have any questions.

Very truly yours,

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).

### **Digital Capture, Download and Manual Review**

RedSpeed Illinois will digitally capture and download a violation evidence package (including (3) three pictures and a (12) twelve-second video clip) for each violation. After each download, a RedSpeed Illinois operator will manually review the evidence prior to the final citation decision by the municipality's police department. The municipality is charged for each download that RedSpeed Illinois reviews, excluding the following reject codes: "Authorized emergency vehicle", "Blurred License Plate Image", "Flash Glare on Plate Image", "Funeral Procession", "Green traffic signal", "License Plate Obstruction", "No Flash on Image", "No License Plate Image", "No Zoom on Plate Image", "Officer Controlled Intersection", "Operations Error", "Partial License Plate Image", "Rain/Snow on Camera Lens", "Safe Stop", "Safe Turn on Red", "Snow Covering License Plate", "Sun Glare on License Plate", "Unclear Images", "Undercover Police Vehicle", "No Video Clip", "Short Video Clip" and "System Calibration".

### **Registered Owner**

RedSpeed Illinois will retrieve information from the Secretary of State, the United States Postal Service, and other 3rd-party databases, regarding the registered owner such as name and address. RedSpeed Illinois only charges one fee per citation, even if multiple sources are used to find the information.

### **Letter Handling**

RedSpeed Illinois will handle all letter handling services associated with processing a citation. This includes color printing (of all violation notices), envelopes, return envelopes, and postage for up to 5 different letters associated with processing an individual citation.

### **Payment Processing**

RedSpeed Illinois will process all payments, including check, money order, and credit card processing at the lockbox, on-line, or during an administrative hearing.

### **Customer Service**

RedSpeed Illinois will handle all customer service needs relating to the citation. This includes: municipality-specific toll free number, live operators, in-person hearing scheduling, and a web-based violation information knowledge base.

### **Digital Archives**

RedSpeed Illinois will archive digital evidence packages, including all notices, payments and correspondence for each closed (i.e. paid, dismissed or sent to collections agency) citation which will be stored on tape for 7 years.

### **Credit**

RedSpeed Illinois will credit the municipality's account for \$50 for each day the camera was not in use. This includes downed power, internet, and visual blockage on the lenses.

## Explanation of Charges

### **RedSpeed™ Photo Enforcement Camera Lease and Maintenance Fee**

RedSpeed's monthly camera lease and maintenance fee includes all charges related to installation, operation and maintenance of an automatic red light and speed photo enforcement camera. In cases where the camera is damaged or otherwise inactive (unless as a direct result of traffic light controller issues), the lease fee will be refunded (see credits) for each affected day.

### **RedCheck™ Police Violation Review Module**

Includes software and hardware needed to review and approve/reject red light or speed violations.

### **RedCheck™ Court Module**

Includes software and hardware needed to adjudicate contested violations, view evidence during administrative hearings and schedule in-person hearing dates.

### **RedCheck™ Program Manager Module**

Includes software to view (but not edit) all violations captured at the municipality as well as operational and financial reports.

### **Software Support & Training**

Includes training and technical support for RedCheck™.

### **Annual Camera Certification**

Annual camera certification process, including an issuance of the statement of technology and camera certificate (one per each photo enforced location).

### **RedLightViolations.com Violation View and Payment Portal**

Web-based portal, enabling violation viewing by registered owners. RedLightViolations.com enables payment by credit card.

### **Monthly Collections Delinquent Payment File**

Preparation and processing of a monthly file for collections agency (in citations where RedSpeed Illinois is working with a collections agency other than its preferred partner).
