TYPE: Resolution	SUBMITTED BY: Joe Caracci	DEPARTMENT: Public Works	DATE: September 14, 2021
DESCRIPTION: Resolution Authorizing the Execution of an Intergovernmental Agreement Between the Village of Bensenville and Addison Township Highway Department for the 2021 Resurfacing Program			
<u>SUPPORTS THE FOLLOWING APPLICABLE VILLAGE GOALS:</u>			
<input checked="" type="checkbox"/> Financially Sound Village <input type="checkbox"/> Quality Customer Oriented Services <input checked="" type="checkbox"/> Safe and Beautiful Village	<input checked="" type="checkbox"/> Enrich the lives of Residents <input type="checkbox"/> Major Business/Corporate Center <input type="checkbox"/> Vibrant Major Corridors		
COMMITTEE ACTION: N/A		DATE: N/A	
BACKGROUND: <p>The Village is responsible for the maintenance of a roadway network throughout town. In some areas, roadway jurisdiction changes mid-roadway. The area bounded by Third Avenue, Church Road, Donna Lane, and IL Route 83 is one such area. This area is mixed between incorporated and unincorporated properties. As such, there is somewhat of a checkerboard of roadway jurisdiction. The roadways in front of incorporated residents is the responsibility of the Village. The roadways in front of unincorporated properties are the responsibility of Addison Township.</p> <p>The Township Highway Commissioner approached the Village with their plans to perform a roadway resurfacing project within this area. The project includes performing a heat scarification method of resurfacing the roadways. The Village witnessed this process on another project designed by Morris Engineering (the Township's engineer) to see if this method would stand up to the Village's standards. Our Engineer feels that this method would suite these roadways adequately.</p> <p>Staff recommends participating in the program for 2nd Avenue and Briar Lane as these roadways are uncurbed and of rural cross section. The Village plans to resurface Hawthorne and Ridgewood (north of 2nd Ave) as well as Donna Lane in 2023.</p>			
KEY ISSUES: <p>The Township recently bid the project (including Bensenville roadways) with Brothers Asphalt Paving submitting the lowest bid in the amount of \$415,083.74. The Village's portion of this bid was \$110,442.72.</p> <p>Staff prepared an IGA with the Township to participate in the cost of the project. The Township would administer the construction contract, manage the construction, and invoice the Village for our portion of the finished project. Staff will participate in progress meetings and in the collection of quantities to assure the Village's interests are being fulfilled.</p>			
ALTERNATIVES: <p>Discretion of the Village Board.</p>			
RECOMMENDATION: <p>Staff recommends execution of the IGA and participation in the project.</p>			
BUDGET IMPACT: <p>The Village initially planned for improvements to the area in 2023. However, we have enough money in the current CY2021 budget to complete the work. Account Number 31080820 596000 (Project 21.1.05)</p>			
ACTION REQUIRED: <p>Approval of a Resolution Authorizing the Execution of an Intergovernmental Agreement Between the Village of Bensenville and Addison Township Highway Department for the 2021 Resurfacing Program.</p>
