Re: November 15, 2022 FOIA Request

Mr. Giuliani:

I am pleased to help you with your November 15, 2022 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on November 16, 2022. You requested copies of the items indicated below:

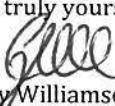

"This is a public records request under the Freedom of Information Act.

I am seeking information on former employee David Vogel. I am seeking any document indicating that Vogel received a pay raise in his last year of service. To answer this request, you could possibly provide his last two months of pay. The online total compensation reports do not include this information because Mr. Vogel left in the middle of a fiscal year.

I would also like to have documentation showing when Mr. Vogel first took a job that involved wastewater treatment."

Your FOIA is hereby granted in full with the enclosed existing records responsive to your request. No redactions have been made.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
