Re: June 6, 2024 FOIA Request

Dear Mr. Paul:

I am pleased to help you with your June 6, 2024 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on June 6, 2024. You requested copies of the items indicated below:

"Request for the name, hire date, salary and work hours of the officer who was hired specifically to monitor and cite truck traffic in the no truck zones. Any/all citations including citation dates/times given out by said officer since hired specifically dealing with truck cited on village streets. Any information detailing the officers duties, patrol areas, and or any information on the boundaries of where these citations can or cannot be issued."

Enclosed are the records found responsive to your request. No redactions have been made.

In regards to your request involving the name, hire date, salary and work hours of the officer who was hired specifically to monitor and cite truck traffic in the no truck zones: no records exist.

The Village did not hire an officer specifically for this. The Officer who was assigned to this was on the department for almost three years before being assigned to this task.

Citations for trucks have been issued by other officers as well.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
