## Heritage Center Grand Opening

**Bensenville, IL** – The Village of Bensenville proudly announces the grand opening of its new Heritage Center, a pivotal milestone in its commitment to fostering community engagement and enhancing the quality of life for Bensenville residents.

This new senior & community facility, located in Village Hall at 12 S. Center St, features a large meeting space with smaller breakout meeting rooms, a warming kitchen, and offices for staff. The Heritage Center is equipped to host a wide array of activities, events, and programs tailored to meet the needs and interests of the community.

The grand opening celebration will take place on June 14, from 3–6 PM. This momentous occasion signifies the culmination of years of planning & construction and underscores the Village's dedication to financial responsibility & stability. This project was funded through a state grant from the Illinois Department of Commerce and Economic Opportunity.

The Heritage Center is designed as a flexible space to host events and gatherings both large and small. Senior luncheons are planned to be held in the center every month, with lunch & bingo for residents 60 and over.

"The Heritage Center represents a commitment to providing accessible resources for residents of all ages. I am thrilled to see this new facility completed and look forward to witnessing the positive impact it will have on our community," said Village President Frank DeSimone.
