# RODENT MITIGATION PROGRAM

The Village of Bensenville Community and Economic Development Department provides incorporated single-family residential properties with a free rodent mitigation program.

## **SERVICES INCLUDE:**

- Inspection of property for rodent activity.
- Placing bait stations when activity is occurring.
- Treatment of burrows through contracted Pest Control Services.
- Informing property owners of preventive measures.

To participate or report activity, use the SeeClickFix mobile app, Report a Concern on our website, or call **(630) 350-3413**.
