Village of Bensenville Hosts Annual Earth Day Cleanup at Redmond Park

Bensenville, IL – The Village of Bensenville welcomed over 100 volunteers at their annual Earth Day Cleanup event on Tuesday, April 22 at Redmond Park. Volunteers gathered to participate in a community-driven effort to help beautify the park, remove litter, and show their commitment to environmental stewardship. The event brought residents and local leaders together in the goal of maintaining a clean community.

Village President Frank DeSimone praised the turnout and dedication, “Events like this remind us to value resources like clean air and water, and not to take them for granted. To try to protect our environment from pollution. And the importance of green spaces to promote health. Seeing our residents come together for events like the Earth Day Cleanup makes me incredibly proud of Bensenville.”

The Village thanks all volunteers and partners who made this Earth Day Cleanup a success, and a special thanks to our local homeschool families along with the North DuPage Special Education Cooperative’s Transition Learning Center for rolling up their sleeves to help keep Bensenville beautiful!

For more information on future events, please visit bensenville.il.us.
