Bensenville Celebrates Arbor Day with Tree Plantings

Bensenville, IL – On Wednesday, May 7, 2025, the Bensenville community celebrated Arbor Day by planting trees at Tioga and W.A. Johnson Elementary Schools.

This Arbor Day marked Bensenville's 34th year as a Tree City USA community, recognizing Bensenville's commitment to effective urban forest management.

"For 34 years we've taken pride in being a Tree City USA community. It's more than just planting trees, it's a celebration of our shared commitment to a healthier, greener Bensenville," said Village President Frank DeSimone.

The Tree City USA program was founded in 1976 to celebrate communities committed to growing their urban canopy. Tree City USA is led by the Arbor Day Foundation, in partnership with the USDA Forest Service, and the National Association of State Foresters.
