Bensenville Promotes Police-Community Partnerships with National Night Out

Bensenville, IL – On August 5, 2025, Bensenville Police Department officers joined with residents, community leaders, and local organizations for a night of unity and fun. Held in Downtown Bensenville, the evening saw parents and kids enjoying a vibrant mix of yard games, wiffle ball, a bounce house, free food, and giveaways.

“National Night Out is about building strong relationships between the police department and the community it serves,” said Village President Frank DeSimone. “Events like this are a great way to connect with residents in a meaningful way and remind us that safety and community go hand in hand.”

This year’s event was made possible through collaborative efforts of the Bensenville Police Department, Bensenville Emergency Management Agency, Bensenville Department of Recreation & Community Programming, Recreation Coordinator Victoria Myhre, along with partners Grand Subaru, Armando Perez State Farm Agency, ComEd, Cook County Department of Public Health, Bensenville School District 2, Be SMART for Kids, and DuPage County Community Services.

The Village of Bensenville continues to prioritize community engagement and public safety, and the success of the annual National Night Out is just one example of how residents and law enforcement are working together to build a strong community. A sincere thank you to all who attended and made the event possible.
