Resident action is needed **ASAP** to advance four pieces of key legislation in the Illinois General Assembly in our effort to mitigate O'Hare impacts.

- [**SB 636 \(Mulroe\)**](#) and [**SB 637 \(Mulroe\)**](#): These bills expand the maximum number of runways allowed at O'Hare from 8 to 10 and prohibit decommissioning of diagonal runways at O'Hare. The result is more runways for greater flight distribution at O'Hare. To support this legislation, please do the following:
 - **Call and email** State Representative Kathleen Willis (708-562-6970, repwillis77@gmail.com) and request that she co-sponsor both bills and stress the importance of these bills to pass the House. Explain that you are a constituent and tell her how the airport is impacting your life.
 - **Call and email** House Majority Leader Barbara Flynn Currie (217-782-8121, repcurrie@sbcglobal.net) and request that these bills immediately be removed from the Rules Committee and assigned to an appropriate House Committee. Stress the urgency of passing these bills before new Runway 10R-28L is commissioned in October.
- [**HB 1340 \(Moylan\)**](#): This bill establishes the CNEL as the Illinois airport noise metric, which would change the noise contour map around O'Hare to more accurately reflect experienced noise.
 - [**Click here to submit an online “witness slip”**](#) to the Illinois General Assembly voicing your support on the record for this bill (instructions below). *Action is needed prior to the Transportation Committee meeting on Tuesday, April 21 at 10AM.*
- [**HB 3251 \(Winger\)**](#): This bill requires the State of Illinois to create a new noise complaint system to better track and register airport complaints.
 - [**Click here to submit an online “witness slip”**](#) to the Illinois General Assembly voicing your support on the record for this bill (instructions below). *Action is needed prior to the Transportation Committee meeting on Tuesday, April 21 at 10AM.*

Instructions for completing online Witness Slips:

I. IDENTIFICATION SECTION - Complete all required fields

II. REPRESENTATION SECTION - Not required unless you represent an organization, or group of individuals

III. POSITION - For Description select **Original Bill**, Then mark **Proponent** if you support the bill

IV. TESTIMONY - Select **Record of Appearance Only**

Fill in the **Captcha** and mark **I Agree to the ILGA Terms of Agreement**

At lower right corner of the form select **Create Slip**
